Dear Resident or Property Owner,

RE: Hickory Street Parking

The Traffic Safety Commission has been advised of plans to restrict parking on Hickory Street on the south side from Avenue B to Avenue C. The City has been working with the University of North Texas and local businesses for several years in coordinating the No Parking Restriction effort along this segment of Hickory Street. The City plans on combining the implementation of parking restriction along with other proposed Capital Improvement Projects on Hickory Street scheduled for construction this summer.

As a property owner or resident on Hickory Street, City of Denton officials want to ensure you have the opportunity to participate in the discussion regarding No Parking Restriction on Hickory Street. The Denton Traffic Safety Commission encourages your participation in the consideration of this issue as part of their May meeting.
