BACKGROUND

The City of Denton and the Texas Department of Transportation make an Advance Funding Agreement for a Highway Safety Improvement On-System project. The scope of work for the Project consists of the following:

- Eagle Drive at US 77 (Elm): Rebuild traffic signal with ADA compliant curb ramps, add pedestrian signal, intersection safety lighting, refresh pavement markings and high visibility crosswalk, install sidewalk.
- FM 428 at Kings Row: Install traffic signal.

Construction costs will be allocated based on 90% Federal funding and 10% State funding until the Federal funding reaches the maximum obligated amount. The State will then be responsible for 100% of the cost overruns, as mentioned in the project budget in Attachment B, Exhibit 2.
