AGENDA INFORMATION SHEET

DEPARTMENT: City Manager's Office

CM: Sara Hensley

DATE: April 1, 2025

SUBJECT

Receive a report, hold a discussion, and give staff direction on pending City Council requests for:

1) Investigate the cost of returning E. Hickory to traditional right-side head-in parking

[Estimated Presentation/Discussion Time: 30 minutes]

BACKGROUND

Back-in parking along E. Hickory St. was a part of the "Hickory Grand Street" capital project. The project spanned from the Downtown A-Train Station to Locust Street. It included pavement construction, sidewalk widening, implementation of Americans with Disabilities Act standards, landscaping, parking reconfiguration, pedestrian lighting, and power supply for future growth.

The following items will be discussed during this work session:

1.) Making the option of returning East Hickory Street to traditional right-side head-in parking.

a. Requestor: Council Member Holland

b. Council Member Request: "This back-in parking experiment has failed. Incorrect parking is not enforced, and people trying to park on East Hickory Street are confused. I respectfully propose that City staff investigate the cost of returning East Hickory to traditional right-side head-in parking.

c. Date Requested: March 20, 2025

d. Format for Response: Informal Staff Report
