AGENDA INFORMATION SHEET

DEPARTMENT: Procurement
ACM: Christine Taylor
DATE: September 30, 2025

SUBJECT

Consider adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Gasochem International, LLC., for the purchase of water and wastewater chemicals for the Water Production and Reclamation Department; providing for the expenditure of funds therefor; and providing an effective date (IFB 8823 – awarded to Gasochem International, LLC., in a three (3) year, with the option for two (2) additional one (1) year extensions, in the total five (5) year not-to-exceed amount of \$220,000.00). The Public Utilities Board will consider this item on Monday, September 29, 2025.

STRATEGIC ALIGNMENT

This action supports Key Focus Area: Support Healthy and Safe Communities.

INFORMATION/BACKGROUND

This item supports the purchase of water and wastewater treatment chemicals for the Water Production and Water Reclamation Departments. These chemicals are essential to the treatment processes that ensure the delivery of safe, potable water and effective wastewater treatment for the City of Denton and surrounding communities. Each chemical serves a specific operational purpose and is critical to maintaining regulatory compliance and service reliability.

The City issued an Invitation for Bid (IFB) for Water and Wastewater Treatment Chemicals and is awarding lines based upon the lowest price per chemical, which resulted in eight (8) contracts. This contract is for these specific chemicals listed below.

Anhydrous Ammonia is used to combine with chlorine or sodium hypochlorite to form chloramines for disinfection. The agreement will support uninterrupted operations at both the water production and water reclamation facilities.

Chemical	Five (5) Year Spend
Anhydrous Ammonia	\$200,000.00
Contingency-10%	20,000.00
Total	\$220,000.00

Invitation for Bids was sent to 268 prospective suppliers of this item, including 11 Denton firms. In addition, specifications were placed on the Procurement website for prospective suppliers to download, and

advertised in the local newspaper. Fifteen proposals were received, with 14 meeting specifications. The lowest bid for Section A, Line 9 – Anhydrous Ammonia, was awarded to Gasochem International, LLC.

NIGP Code Used for Solicitation:	885 - Water and Wastewater Treating Chemicals & 895 – Welding Equipment and Supplies
