DCM: Cassey Ogden

DATE: September 8, 2025

SUBJECT

Receive a report and hold a discussion regarding ongoing updates to the Denton Development Code.

BACKGROUND

The purpose of this item is to provide a brief update regarding ongoing updates to the Denton Development Code, including amendments to the existing Townhome and Accessory Dwelling Unit (ADU) regulations, as well as updates necessary as a result of the 89th State Legislative Session.

Community Meetings for Townhome and ADU amendments were held on August 21st, 22nd, and 28th. Following public feedback, staff anticipates bringing these amendments forward to the Planning and Zoning Commission and City Council in early Fall 2025.

Staff is also reviewing and working on proposed amendments to the Denton Development Code as a result of the 89th Legislative Session. Specifically, staff is assessing changes needed to address home occupations, food trucks, public notifications, and regulations surrounding unrelated persons. These amendments will be considered as part of a comprehensive update and are anticipated to be completed by the end of the calendar year.
