# WASTEWATER UTILITIES DEPARTMENT

FY 2017-2018 Wastewater Rates

Public Utilities Board Review

July 10, 2017

# RATES & FEES

- Residential & Commercial rates unchanged from last year.
- Schedule CWM - Dyno Dirt “Overs” rate added : \$2.00 per cubic yard
- Revised Collection and Transportation Services (SWP) fee schedule.
  - Fees based on cost of service
  - Removed fees for engine categories
  - Removed restaurant oil and grease category and container fees due to changes in state law.
  - Municipal Solid Waste and Recycling services are provided by Denton so removed these categories
  - Non-City of Denton language removed – ambiguous. All service providers other than Denton are required to permit.
  - Fees were reduced to “small operators” level, so the small operators category was removed.
