

No Parking Proposed for Congress Street

September 12, 2017

The Traffic Safety Commission has been advised of safety concerns related to the level of on-street parking on Congress Street between Bolivar Street and Carroll Boulevard. On-street parking on the north and south side of Congress Street impairs the mobility of public safety vehicles needing to access Congress Street.

As a property owner or resident on or adjacent to Congress Street, City of Denton officials want to ensure you have the opportunity to participate in the discussion regarding on-street parking on Congress Street. The Denton Traffic Safety Commission encourages your participation in the consideration of this issue as part of their March meeting.
