

A watercolor painting by Dorothy Bertine serves as the background. It features a warm, earthy color palette of browns, tans, and muted greens. The composition is abstract, with soft, blended washes of color and delicate, sketchy lines that suggest organic forms, possibly trees or flowing water. The overall effect is textured and artistic.

# Project Update

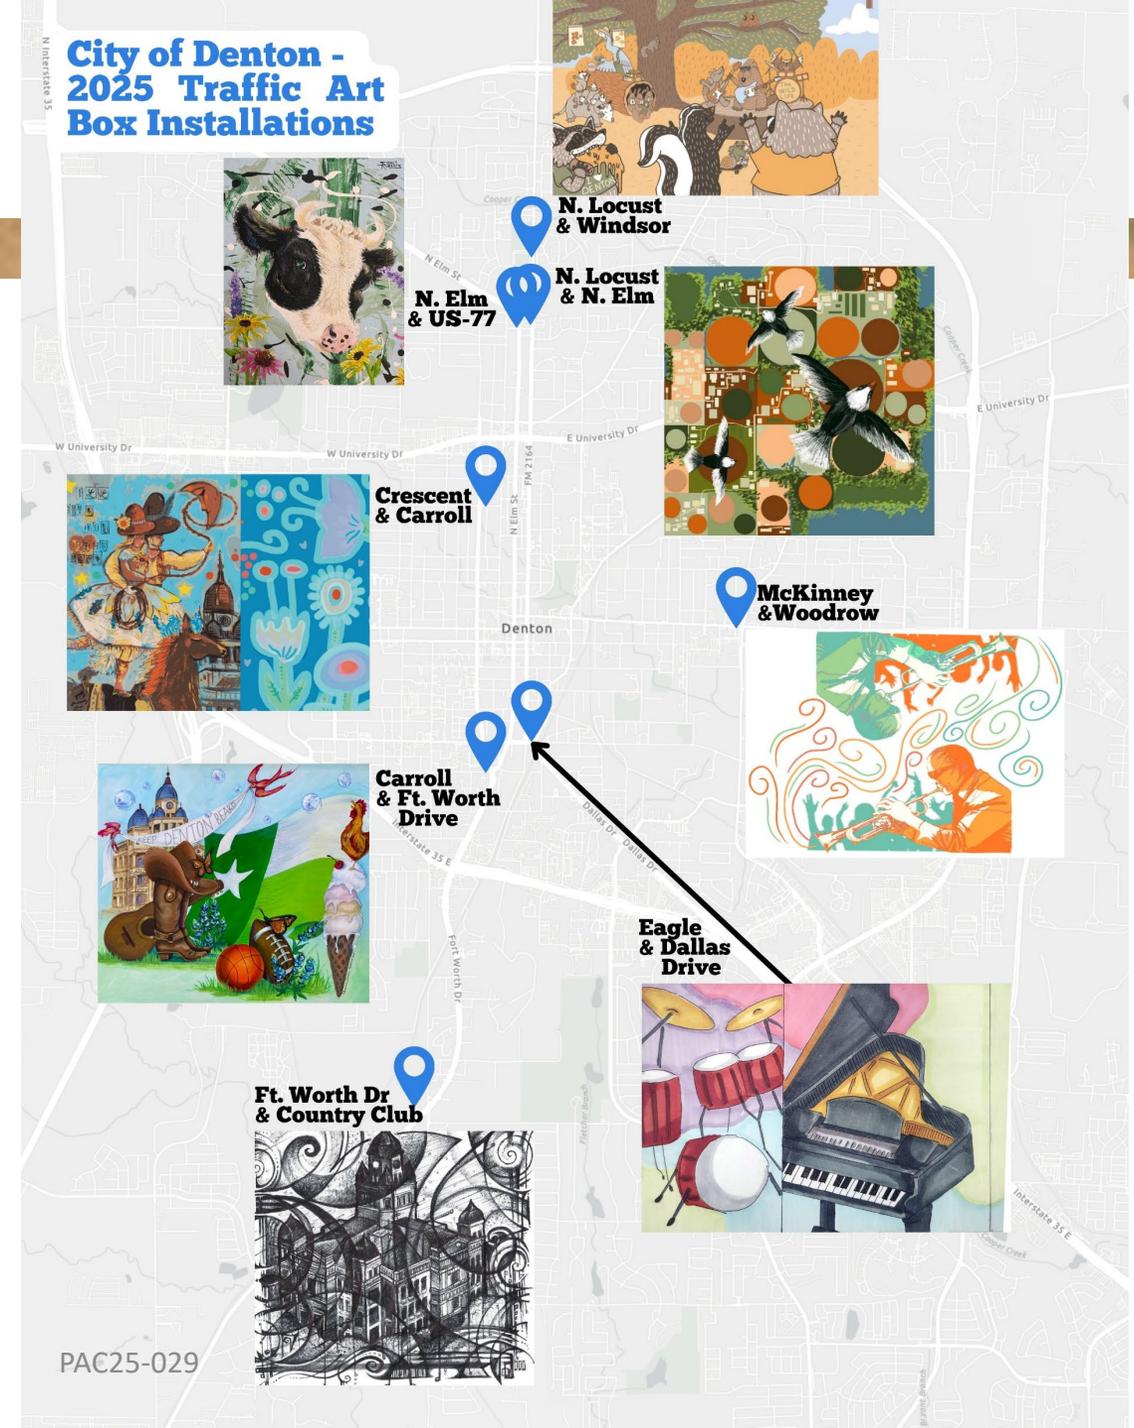

City of Denton  
Public Art Committee Meeting

April 2, 2026

Watercolor by Dorothy Bertine

# TRAFFIC BOX WRAPS

- Eight new boxes installed in October
- Post-installation issues remedied
- Honorariums will be paid to artists (\$200)

# FIRE STATION ART

- Subcommittee of Fire/PAC Ranked Proposals
- 2023 Bond-funded project
- \$253K budget for each project

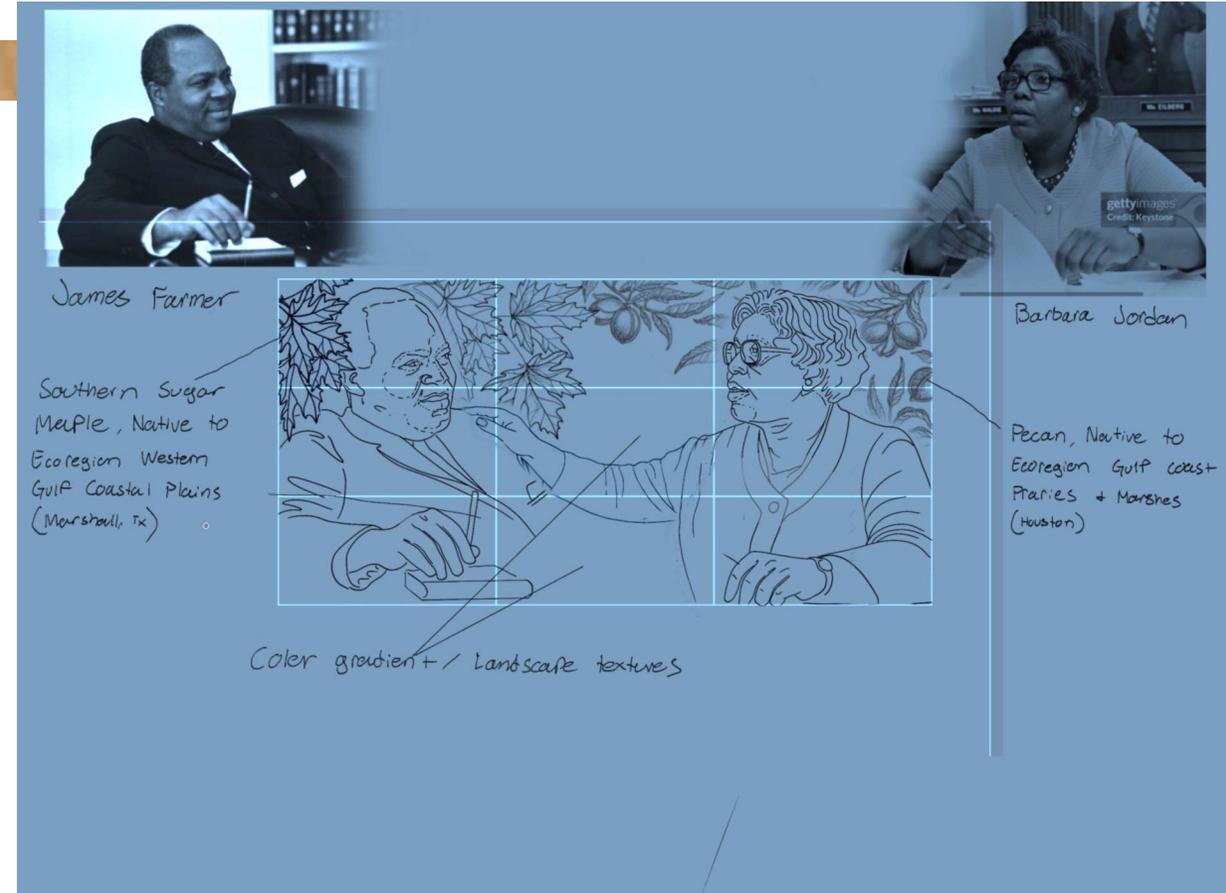

Denton Maker Center,  
Fire Station #5

DiBari & Associates,  
Fire Station #6

# MLK JR. RECREATION CENTER MURAL

- Committee of PAC/Parks Staff considered and ranked received artist portfolios
- KAB \$20,000 grant
- Staff have contacted the highest-ranked artist
- The mural will be painted on aluminum panels
- Estimated installation: End of March

# Linda McNatt Animal Shelter Expansion

- Animal Shelter staff wanted an interior piece in the facility lobby
- PAC in April asked for an external component for the public art visible from the street
- Staff are working to write a project scope involving both elements

Ray King, Golden Wave
