“Additional Senior Lien Obligations” means bonds, notes, contractual obligations or other Debt which the Issuer reserves the right to issue or enter into, as the case may be, in the future under the terms and conditions provided in Section 17 and which obligations are equally and ratably secured solely by a first lien on and pledge of the Pledged Revenues on a parity with the Bonds and other Senior Lien Obligations.

“Amortization Installment” means, with respect to Senior Lien Obligations issued as Term Bonds, each mandatory sinking fund redemption of such Term Bonds (whether prior to maturity or at maturity), provided that the total Amortization Installments for such Term Bonds shall be sufficient to provide for retirement of the aggregate principal amount of such Term Bonds.

“Annual Debt Service Requirements” means, as of the date of calculation, the principal of and interest on all Senior Lien Obligations coming due at Maturity or Stated Maturity (or that could come due on demand of the owner thereof or other demand conditioned upon default by the Issuer on such Debt, or be payable in respect of any required purchase of such Debt by the Issuer) in such Year, and, for such purposes, any one or more of the following rules shall apply at the election of the Issuer:

(1) Balloon Debt. If the principal (including the accretion of interest resulting from original issue discount or compounding of interest) of any series or issue of Funded Debt, except Term Bonds, due (or payable in respect of any required purchase of such Funded Debt by the Issuer) in any Year either is equal to at least 25% of the total principal (including the accretion of interest resulting from original issue discount or compounding of interest) of such Funded Debt or exceeds by more than 50% the greatest amount of principal of such series or issue of Funded Debt due in any preceding or succeeding Year (such principal due in such Year for such series or issue of Funded Debt being referred to herein and throughout this Ordinance as "*Balloon Debt*"), the amount of principal of such Balloon Debt taken into account during any Year shall be equal to the debt service calculated using the original principal amount of such Balloon Debt amortized over the Term of Issue on a level debt service basis at an assumed interest rate equal to the rate borne by such Balloon Debt on the date of calculation;

(2) Consent Sinking Fund. In the case of Balloon Debt, if a Designated Financial Officer shall deliver to the Issuer a certificate providing for the retirement of (and the instrument creating such Balloon Debt shall permit the retirement of), or for the accumulation of a sinking fund for (and the instrument creating such Balloon Debt shall permit the accumulation of a sinking fund for), such Balloon Debt according to a fixed schedule stated in such certificate ending on or before the Year in which such principal (and premium, if any) is due, then the principal of (and, in the case of retirement, or to the extent provided for by the sinking fund accumulation, the premium, if any, and interest and other debt service charges on) such Balloon Debt shall be computed as if the same were due in accordance with such schedule, provided that this clause (2) shall apply only to Balloon Debt for which the installments previously scheduled have been paid or deposited to the sinking fund established with respect to such Debt on or before the times required by such schedule; and provided further that this clause (2) shall not apply where the Issuer has elected to apply the rule set forth in clause (1) above;

(3) Term Bonds. The principal of Term Bonds shall be considered as maturing in accordance with the Amortization Installments set forth in the ordinance authorizing same;

(4) Prepaid Debt. Principal of and interest on Senior Lien Obligations, or portions thereof, shall not be included in the computation of the Annual Debt Service Requirements for any Year for which such principal or interest are payable from funds on deposit or set aside in trust for the payment thereof at the time of such calculations (including without limitation capitalized interest and accrued interest so deposited or set aside in trust) with a financial institution acting as fiduciary with respect to the payment of such Debt;

(5) Variable Rate. As to any Senior Lien Obligations that bear interest at a variable interest rate which cannot be ascertained at the time of calculation of the Annual Debt Service Requirement then, at the option of the Issuer, either (A) an interest rate equal to the average rate borne by such Senior Lien Obligations (or by comparable debt in the event that such Senior Lien Obligations has not been Outstanding during the preceding 24 months) for any 24 month period ending within 30 days prior to the date of calculation, or (B) an interest rate equal to the 30-year Revenue Bond Index (as most recently published in The Bond Buyer), shall be presumed to apply for all future dates, unless such index is no longer published in The Bond Buyer, in which case an index of revenue bonds with maturities of at least 20 years which is published in a financial newspaper or journal with national circulation may be used for this purpose (if two series of Senior Lien Obligations which bear interest at variable interest rate, or one or more maturities within a series, of equal par amounts, are issued simultaneously with inverse floating interest rates providing a composite fixed interest rate for such Senior Lien Obligations taken as a whole, such composite fixed rate shall be used in determining the Annual Debt Service Requirement with respect to such Senior Lien Obligations);

(6) Committed Take Out. If the Issuer has entered into a Credit Agreement constituting a binding commitment within normal commercial practice to discharge any of its Funded Debt at its Maturity or Stated Maturity (or, if due on demand, at any date on which demand may be made) or to purchase any of its Funded Debt at any date on which such Debt is subject to required purchase, all under arrangements whereby the Issuer's obligation to repay the amounts advanced for such discharge or purchase constitutes Funded Debt, then the portion of the Funded Debt committed to be discharged or purchased shall be excluded from such calculation and the principal of and interest on the Funded Debt incurred for such discharging or purchase that would be due in the Year for which the calculation is being made, if incurred at the Stated Maturity or purchase date of the Funded Debt to be discharged or purchased, shall be added;

(7) Credit Agreement Payments. If the Issuer has entered into a Credit Agreement in connection with an issue of Debt, payments due under the Credit Agreement (other than payments for fees and expenses), for either the Issuer or the Credit Provider, shall be included in such calculation, except to the extent that the payments are already taken into account under (1) through (6) above and any payments otherwise included above under (1) through (6) which are to be replaced by payments under a Credit Agreement, from either the Issuer or the Credit Provider, shall be excluded from such calculation; and

(8) Guarantee. In the case of any guarantee, as described in clause (2) of the definition of Debt, no obligation will be counted if the Issuer does not anticipate in its annual budget that it will make any payments on the guarantee. If, however, the Issuer is making payments on a guarantee or anticipates doing so in its annual budget, such obligation shall be treated as Senior Lien Obligations and calculations of annual debt service requirements with respect to such guarantee shall be made assuming that the Issuer will make all additional payments due under the guaranteed obligation. If the entity whose obligation is guaranteed cures all defaults and the Issuer no longer anticipates making payments under the guarantee, the guaranteed obligations shall not be included in the calculation of Annual Debt Service Requirements.

With respect to any calculation of historic data, only those payments actually made in the subject period shall be taken into account in making such calculation and, with respect to prospective calculations, only those payments reasonably expected to be made in the subject period shall be taken into account in making the calculation.

“Average Annual Debt Service Requirements” means that average amount which, at the time of computation, will be required to pay the Annual Debt Service Requirements when due (either at Stated Maturity or mandatory redemption) and derived by dividing the total of such Annual Debt Service Requirements by the number of Years then remaining before Stated Maturity of such Senior Lien Obligations. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "*Special Record Date*") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(e) Payment to Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal and interest pursuant to this Ordinance.

(f) Paying Agent/Registrar. The Issuer covenants with the registered owners of the Bonds that at all times while the Bonds are Outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Ordinance, and that the Paying Agent/Registrar will be one entity. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(g) Substitute Paying Agent/Registrar. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 60 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar.

(h) Book-Entry Only System. The Bonds issued in exchange for the Bonds initially issued to the purchaser or purchasers specified herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof and the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in subsections (j) and (k) of this Section, all of the Outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(i) Blanket Letter of Representations. The previous execution and delivery of the Blanket Letter of Representations with respect to obligations of the Issuer is hereby ratified and confirmed; and the provisions thereof shall be fully applicable to the Bonds. Notwithstanding anything to the contrary contained herein, while the Bonds are subject to DTC's Book-Entry Only System and to the extent permitted by law, the Letter of Representations is hereby incorporated herein and its provisions shall prevail over any other provisions of this Ordinance in the event of conflict.

(j) Bonds Registered in the Name of Cede & Co. With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the registered owner at the close of business on the Record date, the words "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(k) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having

Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

(l) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Issuer to DTC.

(m) General Characteristics of the Bonds. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the Registered Owners thereof, (ii) may and shall be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bonds shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Issuer shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth in this Ordinance. The Bonds initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Ordinance the Paying Agent/Registrar shall execute the Paying Agent/Registrar's Authentication Bond, in the FORM OF BOND set forth in this Ordinance.

(n) Cancellation of Initial Bonds. On the closing date, one Initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the TWDB or its designee, executed by manual or facsimile signature of the Mayor and Secretary of the Issuer, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee. Upon payment for such Initial Bond, the Paying Agent/Registrar shall cancel such Initial Bond and deliver to DTC on behalf of such purchaser one registered definitive Bond for each year of maturity of such Bonds, in the aggregate principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

SECTION 5. FORM OF BONDS. The form of the Bonds ("FORM OF BOND"), including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Bonds initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance.

In addition, interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Registered Owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Bond appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the Registered Owner upon presentation and surrender of this Bond for payment or redemption at the principal corporate trust office of the Paying Agent/Registrar. The Issuer covenants with the Registered Owner of this Bond that on or before each principal payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the “Interest and

IF THE DATE for any payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated November 1, 2025, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$11,235,000 for the public purpose of providing funds to acquire, construct and equip additions, extensions, renovations and improvements to the Issuer's waterworks system, including the renovation and expansion of the Lake Ray Roberts Water Treatment Plant, and to pay the costs associated with the issuance of the Bonds.

ON DECEMBER 1, 2035, or on any date thereafter, the Bonds of this series may be redeemed prior to their scheduled maturities, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be redeemed in inverse order of maturity and the Issuer shall direct the Paying Agent/Registrar to call by lot or other customary method, portions thereof within such maturities and in such principal amounts, for redemption (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

AT LEAST 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, at least 30 days prior to the date fixed for any such redemption, to the Registered Owner of each Bond to be redeemed at its address as it appeared on the 45th day prior to such redemption date; provided, however, that the failure of the Registered Owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof that are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bonds or portions thereof that are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being Outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Bond Ordinance.

IF AT THE TIME OF MAILING of notice of optional redemption there shall not have either been deposited with the Paying Agent/Registrar or legally authorized escrow agent immediately available funds sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, and is subject to the deposit of the redemption moneys with the Paying Agent/Registrar or legally authorized escrow agent at or prior to the redemption date, and such notice shall be of no effect unless such moneys are so deposited on or prior to the redemption date. If such redemption is not effectuated, the Paying

Agent/Registrar shall, within five days thereafter, give notice in the manner in which the notice of redemption was given that such moneys were not so received and shall rescind the redemption.

ALL BONDS OF THIS SERIES are issuable solely as fully registered bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Ordinance, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having the same denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Ordinance. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

THE BONDS are special obligations of the Issuer payable solely from and equally secured by a lien on and pledge of the Pledged Revenues of the Issuer's System (as defined in the Ordinance). Reference is hereby made to the Bond Ordinance for a more complete statement of the covenants and provisions securing the payment of this Bond and the series of which it is one.

THE ISSUER EXPRESSLY RESERVES the right to issue further and additional special revenue obligations equally secured by a lien on and pledge of the Pledged Revenues of the Issuer's Utility System on a parity with the Bonds of this issue; provided, however, that any and all such additional Senior Lien Obligations may be issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Bond Ordinance, to which reference is hereby made for more complete and full particulars. The Issuer has further reserved the right in the Bond Ordinance to issue Subordinate Lien Obligations and to finance Special Projects that are not part of the System and not payable from Pledged Revenues and for which all maintenance and operation expenses are payable from sources other than Pledged Revenues.

B. the first paragraph shall be deleted and the following will be inserted:

"THE CITY OF DENTON, TEXAS (the "Issuer"), being a political subdivision and municipal corporation of the State of Texas, hereby promises to pay to the Registered Owner specified above, or registered assigns (hereinafter called the "Registered Owner"), on December 1 in each of the years, in the principal installments and bearing interest at the per annum rates set forth in the following schedule:

<u>Years</u>	<u>Principal Installments (\$)</u>	<u>Interest Rates (%)</u>
--------------	------------------------------------	---------------------------

(Information for the Bonds from Section 3 to be inserted)

The Issuer promises to pay interest on the unpaid principal amount hereof (calculated on the basis of a 360-day year of twelve 30-day months) from the Delivery Date specified above at the respective Interest Rate per annum specified above. Interest is payable on June 1, 2026 and semiannually on each December 1 and June 1 thereafter to the date of payment of the principal installment specified above, or the date of redemption prior to maturity; except, that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such Principal Amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full."

C. The Initial Bond shall be numbered "T-1."

SECTION 6. PLEDGE OF PLEDGED REVENUES.

(a) The Bonds are "Additional Senior Lien Obligations" as permitted by Section 17 of the Series 2017 Bond Ordinance; and it is hereby determined, declared and resolved that Sections 1, 6 through 17, 19, 20, 21, 28 and 30 of this Ordinance are supplemental to and cumulative of such sections in the Series 2017 Bond Ordinance.

(b) The Issuer hereby covenants and agrees that the Pledged Revenues are hereby irrevocably pledged to the payment and security of the Senior Lien Obligations, including the establishment and maintenance of the special funds confirmed, created, established and maintained for the payment and security thereof, all as hereinafter provided; and it is hereby ordered that the Senior Lien Obligations, and the interest thereon, shall constitute a lien on and pledge of the Pledged Revenues and be valid and binding without any physical delivery thereof or further act by the Issuer, and the lien created hereby on the Pledged Revenues for the payment and security of the Senior Lien Obligations, including the establishment and maintenance of the special funds created, confirmed, established and maintained for the payment and security thereof, shall be superior to the lien on and pledge of the Pledged Revenues securing payment of any Subordinate Lien Obligations heretofore or hereafter issued by the Issuer. The Senior Lien Obligations, and any interest payable thereon, are and shall be secured by and payable from a first lien on and pledge of the Pledged Revenues. The Senior Lien Obligations are not and will not be secured by or payable from a mortgage or deed of trust on any real, personal, or mixed properties constituting the System.

(c) Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are Outstanding and unpaid, the result of such amendment being that the pledge of the Pledged Revenues granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the Registered Owners of the Bonds a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

(e) There heretofore has been created and is hereby confirmed and ordered to be maintained on the books of the Issuer, a separate fund entitled “City of Denton, Texas Utility System Revenue Bond 2024 Reserve Fund” (the “*2024 Reserve Fund*”).

(f) The Issuer may at any time combine any two or more of the Electric System Fund, Wastewater System Fund or Water System Fund into a single Fund. Any references in this Ordinance to any of the Funds so combined shall be deemed to refer to the newly combined Fund.

(g) Each such Fund shall be accounted for separate and apart from all other funds of the Issuer, and shall be maintained in a Depository of the Issuer.

SECTION 8. SYSTEM FUNDS. The Issuer hereby covenants, agrees and establishes that the Gross Revenues shall be deposited and credited to the System Funds immediately as collected and received except as otherwise provided in this Ordinance. All Operating Expenses are and shall be paid from such Gross Revenues as a first charge against same.

SECTION 9. FLOW OF FUNDS.

(a) All Gross Revenues deposited and credited to the System Funds shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

First: to the payment of all necessary and reasonable Operating Expenses as defined herein, and the payment of such Operating Expenses shall be a first charge on and claim against the Gross Revenues.

Second: to the payment of the amounts required to be deposited and credited to the Interest and Sinking Fund, created and established for the payment of the Bonds and any other Senior Lien Obligations as the same become due and payable.

Third: pro rata to the payment of the amounts required to be deposited and credited (i) to the 2024 Reserve Fund created and established in accordance with the provisions of this Ordinance to fund and maintain the 2024 Required Reserve Amount therein (including any payments under any 2024 Reserve Credit Facility), and (ii) to each other debt service reserve fund (including any payments

under any Reserve Credit Facility) as may be created and established to maintain a reserve with respect to Additional Senior Lien Obligations, if any, and in accordance with the provisions of the ordinances relating to the issuance of any Additional Senior Lien Obligations hereafter issued by the Issuer.

Fourth: to make payment, including payment of amounts required for reserve fund requirements, of Subordinate Lien Obligations.

(b) Any Pledged Revenues remaining in the System Funds after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other Issuer purpose now or hereafter permitted by law.

SECTION 10. INTEREST AND SINKING FUND.

(a) For purposes of providing funds to pay the principal of, premium, if any, and interest on the Senior Lien Obligations as the same become due and payable, including any Amortization Installment payments, the Issuer agrees that it shall maintain the Interest and Sinking Fund. The Issuer covenants to deposit and credit to the Interest and Sinking Fund prior to each principal, interest payment or redemption date from the available Pledged Revenues an amount equal to one hundred percent (100%) of the amount required to fully pay the interest on and the principal of the Senior Lien Obligations then coming due and payable. The Issuer shall deposit to the Interest and Sinking Fund the amounts required to be deposited therein with respect to Senior Lien Obligations in accordance with the ordinance authorizing such Senior Lien Obligations. The Issuer shall cause to be deposited to the credit of the Interest and Sinking Fund accrued interest received from the sale of the Bonds, and on or before the last business day of each month, the Issuer shall cause to be deposited to the credit of the Interest and Sinking Fund, in approximately equal monthly payments, amounts sufficient, together with any other funds on hand therein, to pay all of the interest or principal and interest coming due, including Amortization Installments, on the Bonds on the next succeeding interest or principal payment date.

(b) The required deposits and credits to the Interest and Sinking Fund shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in and credited to the Interest and Sinking Fund and the 2024 Reserve Fund (and in any debt service reserve fund created pursuant to Section 11), taking into account any Reserve Credit Facility held in or for the benefit of any such debt service reserve fund, is equal to the amount required to fully pay and discharge all Outstanding Senior Lien Obligations (principal, premium, if any, and interest) or (ii) the Senior Lien Obligations are no longer Outstanding.

(c) Accrued interest, if any, received from the purchaser of any Senior Lien Obligation and capitalized interest, if any, shall be taken into consideration and reduce the amount of the deposits and credits hereinabove required into the Interest and Sinking Fund.

(d) In allocating moneys on deposit in the Interest and Sinking Fund to pay the principal of, premium, if any, and interest on the Senior Lien Obligations as the same become due and payable among Senior Lien Obligations that are secured by the 2024 Reserve Fund or another debt service reserve fund created pursuant to Section 11 and Senior Lien Obligations that are not secured by the 2024 Reserve Fund or such other debt service reserve fund, the Issuer shall not take amounts on deposit (including moneys or Reserve Credit Facilities) in the 2024 Reserve Fund or such other debt service reserve funds into account when making such allocations.

SECTION 11. DEBT SERVICE RESERVE FUNDS.

(a) The 2024 Reserve Fund is hereby ordered to be held at a Depository of the Issuer, for the benefit of the Bonds and other 2024 Reserve Fund Participants, if any. All cash, investments and 2024 Reserve Credit Facilities on deposit and credited to the 2024 Reserve Fund shall be used solely for (i) the payment of the principal of and interest on the Bonds and any other 2024 Reserve Fund Participants, when there is not sufficient money available in the Interest and Sinking Fund for such purpose, (ii) to make 2024 Reserve Credit Facility Payments, and (iii) to retire the last Stated Maturity or Stated Maturities of or interest on the Bonds and any other 2024 Reserve Fund Participants. The Issuer initially shall fund the 2024 Reserve Fund within sixty (60) months from the date of delivery of the Bonds by making 2024 Required Reserve Fund Deposits to such fund from the Pledged Revenues in accordance with Section 9 by monthly deposits in amounts equal to not less than 1/60th of the 2024 Required Reserve Amount, with any such deposits being made on or before the last day of each month, commencing with the first month following the date of delivery of the Bonds, until the 2024 Required Reserve Amount has been fully funded. After the delivery of any future 2024 Reserve Fund Participants, the Issuer shall cause the 2024 Reserve Fund to be increased, if and to the extent necessary, so that the 2024 Reserve Fund will contain an amount of money, investments and/or 2024 Reserve Credit Facilities equal to the 2024 Required Reserve Amount. Any increase in the 2024 Required Reserve Amount may be funded from Pledged Revenues, or from proceeds from the sale of any 2024 Reserve Fund Participants, or any other available source or combination of sources. All or any part of the 2024 Required Reserve Amount not funded initially and immediately after the delivery of any issue or series of 2024 Reserve Fund Participants shall be funded by making 2024 Required Reserve Fund Deposits to such fund from the Pledged Revenues in accordance with Section 9 by monthly deposits in amounts equal to not less than 1/60th of the deficiency in the 2024 Required Reserve Amount as of the date of issuance of the additional 2024 Reserve Fund Participants, with any such deposits being made on or before the last day of each month, commencing with the first month following the date of delivery of the 2024 Reserve Fund Participants, until the 2024 Required Reserve Amount has been fully funded. The 2024 Required Reserve Amount shall be maintained in the 2024 Reserve Fund at all times after the delivery of the Bonds and any other 2024 Reserve Fund Participants. There shall be deposited into the 2024 Reserve Fund any 2024 Reserve Credit Facilities so designated by the Issuer.

(b) When and for so long as the cash, investments and 2024 Reserve Credit Facilities in the 2024 Reserve Fund equal the 2024 Required Reserve Amount or the portion then required to be on deposit therein, no deposits need be made to the credit of the 2024 Reserve Fund; but, if and when the 2024 Reserve Fund at any time contains less than the amount of the 2024 Required Reserve Amount then required to be on deposit therein pursuant to clause (a) of this Section, the Issuer covenants and agrees that the Issuer shall cure the deficiency in the 2024 Reserve Fund by making 2024 Required Reserve Fund Deposits to such fund from the Pledged Revenues in accordance with Section 9 by monthly deposits in amounts equal to not less than 1/24th of such deficiency, with any such deficiency payments being made on or before the last day of each month until the 2024 Required Reserve Amount has been fully funded or restored. In addition, in the event that a portion of the 2024 Required Reserve Amount is represented by a 2024 Reserve Credit Facility, the 2024 Required Reserve Amount shall be restored as soon as possible from monthly deposits of Pledged Revenues on deposit in the System Fund in accordance with Section 9, but subject to making the full deposits and credits to the Interest and Sinking Fund required to be made by Section 10. The Issuer further covenants and agrees that, subject only to the prior deposits to be made to the Interest and Sinking Fund, the Pledged Revenues shall be applied and appropriated and used to establish and maintain the 2024 Required Reserve Amount, including by paying 2024 Reserve Credit Facility Payments when due, and any reserve established for the benefit of any issue or series of Additional Senior Lien Obligations and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of Additional Senior Lien Obligations. Reimbursements to the provider, if any, of a 2024 Reserve Credit Facility shall constitute the making up of a deficiency in the 2024 Reserve Fund to the extent that such

reimbursements result in the reinstatement, in whole or in part, as the case may be, of the amount of the 2024 Reserve Credit Facility.

(c) Earnings and income derived from the investment of amounts held for the credit of the 2024 Reserve Fund shall be retained in the 2024 Reserve Fund until the 2024 Reserve Fund contains the 2024 Required Reserve Amount. During such time as the 2024 Reserve Fund contains the 2024 Required Reserve Amount or any cash or Permitted Investment is replaced with a 2024 Reserve Credit Facility pursuant to subsection (d) below, the Issuer may, at its option, withdraw all surplus funds in the 2024 Reserve Fund and deposit such surplus in the System Fund; provided that the face amount of any 2024 Reserve Credit Facility may be reduced at the option of the Issuer in lieu of such transfer. Notwithstanding the foregoing, any surplus funds in the 2024 Reserve Fund that consist of proceeds of the Bonds or interest thereon shall be used for purposes for which the Bonds were issued or deposited to the Interest and Sinking Fund.

(d) The Issuer may at any time deposit, supplement, replace or substitute a 2024 Reserve Credit Facility for cash or Permitted Investments on deposit in the 2024 Reserve Fund or in substitution for or replacement of any existing 2024 Reserve Credit Facility, provided, that the deposit, supplement, replacement or substitution of the 2024 Reserve Credit Facility will not, in and of itself, cause any ratings then assigned to the Bonds by any Rating Agency to be lowered as of the date of such deposit, supplement, replacement or substitution and the ordinance authorizing the substitution of the 2024 Reserve Credit Facility for all or part of the 2024 Required Reserve Amount contains a finding that such substitution is cost effective. Notwithstanding any other provision of this Ordinance, if a 2024 Reserve Credit Facility is utilized in connection with the Bonds after the issuance date of the Bonds, the Issuer must specifically approve any such 2024 Reserve Credit Facility.

(e) If the Issuer is required to make a withdrawal from the 2024 Reserve Fund for any of the purposes described in this Section, the Issuer shall promptly notify the issuer of such 2024 Reserve Credit Facility of the necessity for a withdrawal from the 2024 Reserve Fund for any such purposes, and shall make such withdrawal FIRST from available moneys or Permitted Investments then on deposit in the 2024 Reserve Fund, and NEXT from a drawing under any 2024 Reserve Credit Facility to the extent of such deficiency.

(f) In the event there is a draw upon a 2024 Reserve Credit Facility in the 2024 Reserve Fund, the Issuer shall reimburse the issuer of such 2024 Reserve Credit Facility for such draw, in accordance with the terms of any agreement pursuant to which the 2024 Reserve Credit Facility is used, from Pledged Revenues, however, such reimbursement from Pledged Revenues shall be in accordance with the provisions of Section 11(b) hereof and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the then Outstanding Senior Lien Obligations.

(g) The Issuer may create and establish a debt service reserve fund pursuant to the provisions of any ordinance or other instrument authorizing the issuance of Senior Lien Obligations for the purpose of securing that particular issue or series of Senior Lien Obligations or any specific group of issues or series of Senior Lien Obligations (including the combining of debt service reserve funds for Senior Lien Obligations so long as the requirements of each ordinance authorizing such Senior Lien Obligations are satisfied). A debt service reserve fund may be funded from Pledged Revenues, proceeds from the sale of Additional Senior Lien Obligations, Reserve Credit Facilities, or any other available source or combination of sources. The amounts once deposited or credited to said debt service reserve funds shall no longer constitute Pledged Revenues and shall be held solely for the benefit of the owners of the particular Senior Lien Obligations for which such debt service reserve fund was established. Each debt service reserve fund shall receive a pro rata amount of the Pledged Revenues after the requirements of the Interest and Sinking Fund, which secures all Senior Lien Obligations, have first been met. Each such debt service reserve fund shall be designated in such manner as is necessary to identify the Senior Lien Obligations it secures and to distinguish such debt service reserve fund from the debt service reserve funds created for the benefit of other Senior Lien Obligations. Each ordinance

authorizing the issuance of Senior Lien Obligations that are to be secured by a debt service reserve fund shall specify the amount or a manner of calculating the amount to be held and maintained on deposit therein.

(h) The Issuer may issue Additional Senior Lien Obligations not secured by the 2024 Reserve Fund or any other debt service reserve fund.

SECTION 12. RATE STABILIZATION RESERVES. The Issuer may from time to time establish and maintain a Rate Stabilization Reserve in any one or more of the Electric System Fund, the Wastewater System Fund and the Water System Fund for so long as any Senior Lien Obligations remain outstanding and unpaid. The Issuer may at any time deposit to the credit of any Rate Stabilization Reserve any excess Net Revenues, after making required deposits hereinabove described to the Interest and Sinking Fund and any debt service reserve fund created in accordance with Section 11, and any other money received by the Issuer and available to be used therefor. Funds on deposit in a Rate Stabilization Reserve may be used, at the discretion of the Issuer, for capital additions and improvements to the System or any other lawful purpose, or to enable the Issuer to satisfy its covenant set forth in Section 16(m). All interest or other earnings derived from the investment of money in a Rate Stabilization Reserve shall be credited to that Rate Stabilization Reserve. Money on deposit to the credit of a Rate Stabilization Reserve shall not be included as a revenue for purposes of satisfying the covenant set forth in Section 16(m), unless the Issuer transfers money from the Rate Stabilization Reserve to the System Funds for the sole purpose of enabling the Issuer to be in compliance with its covenant set forth in Section 16(m).

SECTION 13. DEFICIENCIES; EXCESS PLEDGED REVENUES.

(a) Deficiencies. If on any occasion there shall not be sufficient Pledged Revenues (after making all payments pertaining to all Senior Lien Obligations) to make the required deposits and credits to the Interest and Sinking Fund and any debt service reserve fund for Senior Lien Obligations, then such deficiency shall be cured as soon as possible from the next available unallocated Pledged Revenues, and such deposits and credits shall be in addition to the amounts otherwise required to be deposited and credited to such funds.

(b) Excess Pledged Revenues. Subject to making the deposits and credits required by this Ordinance or any ordinances authorizing the issuance of Additional Senior Lien Obligations, or the payments and credits required by the provisions of the ordinances authorizing the issuance of Subordinate Lien Obligations heretofore or hereafter issued by the Issuer, the excess Pledged Revenues may be used for any lawful purpose.

SECTION 14. INVESTMENT OF FUNDS; VALUATION; FUNDS SECURED; TRANSFER OF INVESTMENT INCOME.

(a) Moneys in any fund established or maintained pursuant to this Ordinance may, at the option of the Issuer, be invested in Permitted Investments, provided that all such deposits and investments shall be made in such manner that the money required to be expended from any Fund will be available at the proper time or times. Moneys in a debt service reserve fund for Senior Lien Obligations shall not be invested in securities maturing later than the final maturity of the Senior Lien Obligations secured by such debt service reserve fund. Such investments shall be valued in terms of current market value as of the last day of each Year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at their par or face principal amount. Such investments shall be sold promptly when necessary to prevent any default in connection with the Bonds or any Additional Senior Lien Obligations issued. To the extent not invested, moneys in any fund established pursuant to this Ordinance shall be secured in the manner prescribed by law for securing funds of the Issuer.

(b) All interest and income derived from such investments (other than interest and income derived from amounts credited to the Rate Stabilization Reserves, the Construction Fund or the 2024 Reserve Fund or

any other debt service reserve fund created in accordance with Section 11, if the 2024 Reserve Fund or such other debt service reserve fund does not contain the 2024 Required Reserve Amount or the Senior Lien Obligation Reserve Requirement, as the case may be) shall be credited to the System Funds semi-annually and shall constitute Gross Revenues.

SECTION 15. PAYMENT OF SENIOR LIEN OBLIGATIONS. While any of the Senior Lien Obligations are Outstanding, the Issuer shall transfer to the respective paying agent/registrar therefor, from funds on deposit in and credited to the Interest and Sinking Fund, and, if necessary, in the 2024 Reserve Fund with respect to the 2024 Reserve Fund Participants, amounts sufficient to fully pay and discharge promptly the interest on and principal of the Senior Lien Obligations as shall become due on each interest or principal payment date, or date of redemption of the Senior Lien Obligations; such transfer of funds must be made in such manner as will cause immediately available funds to be deposited with each respective paying agent/registrar for the Senior Lien Obligations by not later than 11:00 a.m. Central Time on the applicable payment date for the Senior Lien Obligations. The paying agent/registrar shall destroy all paid Senior Lien Obligations and furnish the Issuer with an appropriate certificate of cancellation or destruction.

SECTION 16. ISSUER COVENANTS. The Issuer further covenants and agrees that in accordance with and to the extent required or permitted by law:

(a) Performance. It will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in any ordinance authorizing the issuance of Senior Lien Obligations, including this Ordinance, and in each and every Senior Lien Obligation; it will promptly pay or cause to be paid the principal of and interest on every Senior Lien Obligation on the dates and in the places and manner prescribed in such ordinances and obligations; and it will, at the times and in the manner prescribed, deposit and credit or cause to be deposited and credited the amounts required to be deposited and credited to the Interest and Sinking Fund.

(b) Issuer's Legal Authority. It is a duly created and existing home rule city of the State of Texas, and is duly authorized under the laws of the State of Texas to issue the Bonds; that all action on its part for the issuance of the Bonds has been duly and effectively taken, and that the Bonds in the hands of the Registered Owners thereof are and will be valid and enforceable special obligations of the Issuer in accordance with their terms.

(c) Title. It has or will obtain lawful title to the lands, buildings, structures and facilities constituting the System, that it warrants that it will defend the title to all the aforesaid lands, buildings, structures and facilities, and every part thereof, for the benefit of the Registered Owners of the Senior Lien Obligations, against the claims and demands of all persons whomsoever, that it is lawfully qualified to pledge the Pledged Revenues to the payment of the Senior Lien Obligations in the manner prescribed herein, and has lawfully exercised such rights.

(d) Liens. It will from time to time and before the same become delinquent pay and discharge all taxes, assessments and governmental charges, if any, which shall be lawfully imposed upon it, or the System; it will pay all lawful claims for rents, royalties, labor, materials and supplies which if unpaid might by law become a lien or charge thereon, the lien of which would be prior to or interfere with the liens hereof, so that the priority of the liens granted hereunder shall be fully preserved in the manner provided herein, and it will not create or suffer to be created any mechanic's, laborer's, materialman's or other lien or charge which might or could be prior to the liens hereof, or do or suffer any matter or thing whereby the liens hereof might or could be impaired; provided, however, that no such tax, assessment or charge, and that no such claims which might be used as the basis of a mechanic's, laborer's, materialman's or other lien or charge, shall be required to be paid so long as the validity of the same shall be contested in good faith by the Issuer.

(e) Operation of System; No Free Service. It will, while any Senior Lien Obligations are Outstanding, continuously and efficiently operate the System, and shall maintain the System in good condition, repair and working order, all at reasonable cost. No free service of the System shall be allowed, and should the Issuer or any of its agencies, instrumentalities, lessors, or concessionaires make use of the services and facilities of the System, payment monthly of the standard retail price of the services provided shall be made by the Issuer or any of its agencies, instrumentalities, lessors, or concessionaires out of funds from sources other than the revenues of the System, unless made from surplus Pledged Revenues as permitted by Section 13(b).

(f) Further Encumbrance. While any Senior Lien Obligations are Outstanding, it will not additionally encumber the Pledged Revenues in any manner, except as permitted in this Ordinance in connection with Additional Senior Lien Obligations, unless said encumbrance is made junior and subordinate in all respects to the liens, pledges, covenants and agreements of this Ordinance; but the right of the Issuer to issue or incur obligations, including Subordinate Lien Obligations, payable from a subordinate lien on the Pledged Revenues is specifically recognized and retained.

(g) Sale or Disposal of Property. While any Senior Lien Obligations are Outstanding, it will not sell, convey, mortgage, encumber, lease or in any manner transfer title to, or otherwise dispose of, the System, or any significant or substantial part thereof, except as follows:

(1) To the extent permitted by law, the Issuer may sell, exchange or otherwise dispose of at any time and from time to time any property or facilities constituting part of the System only if (i) it shall determine such property or facilities are not useful in the operation of the System, (ii) the proceeds of such sale are \$500,000 or less, or it shall have received a certificate of a Designated Financial Officer stating in the opinion of the signer, that the fair market value of the property or facilities exchanged is \$500,000 or less, or (iii) if such proceeds or fair market value exceeds \$500,000 it shall have received a certificate of a Designated Financial Officer stating, in the opinion of the signer, that the sale or exchange of such property or facilities will not impair the ability of the Issuer to comply during the current or any future year with the provisions of clause (m) of this Section. The proceeds of any such sale or exchange not used to acquire other property necessary or desirable for the safe or efficient operation of the System shall forthwith, at the option of the Issuer (i) be used to redeem or purchase Senior Lien Obligations, (ii) otherwise be used to provide for the payment of Senior Lien Obligations, or (iii) be used for any other lawful purpose; and

(2) To the extent permitted by law, the Issuer may lease or make contracts or grant licenses for the operation of or make arrangements for the use of or grant easements or other rights with respect to, any part of the System, provided that any such lease, contract, license, arrangement, easement or right (i) does not impede the operation by the Issuer of the System and (ii) does not in any manner impair or adversely affect the rights or security of the owners of the Senior Lien Obligations under this Ordinance; and provided, further, that if the depreciated cost of the property to be covered by any such lease, contract, license, arrangement, easement or other right is in excess of \$1,000,000, the Issuer shall have received a certificate of a Designated Financial Officer that the action of the Issuer with respect thereto does not result in a breach of the conditions under this clause (2). Any payments received by the Issuer under or in connection with any such lease, contract, license, arrangement, easement or right in respect of the System or any part thereof shall constitute Gross Revenues.

(h) Insurance. (1) The Issuer shall insure such parts of the System as would usually be insured by corporations operating like properties, with responsible insurance companies, or through self-insurance with adequate stop-loss reinsurance, against loss to the extent insurance is usually carried by corporations operating like properties, including, to the extent reasonably obtainable, insurance against the perils of fire,

extended coverage and flooding and use and occupancy insurance. Public liability and property damage insurance shall also be carried unless the Issuer's attorney gives a written opinion to the effect that the Issuer is not liable for claims which would be protected by such insurance. At any time while any contractor engaged in construction work shall be fully responsible therefor, the Issuer shall not be required to carry insurance on the work being constructed if the contractor is required to carry appropriate insurance. All such policies shall be open to the inspection of the Registered Owners and their agents and representatives at all reasonable times. Upon the happening of any loss or damage covered by insurance from one or more of said causes, the Issuer shall make due proof of loss and shall do all things necessary or desirable to cause the insuring companies to make payment in full directly to the Issuer. The proceeds of insurance covering such property, together with any other funds necessary and available for such purpose, shall be used forthwith by the Issuer for repairing the property damaged or replacing the property destroyed; provided, however, that if said insurance proceeds and other funds are insufficient for such purpose, then said insurance proceeds pertaining to the System shall be deposited in a special and separate trust fund, at a Depository, to be designated the Insurance Account. The Insurance Account shall be held until such time as other funds become available which, together with the Insurance Account, will be sufficient to make the repairs or replacements originally required, whichever of said events occurs first; provided that the Issuer may, in its discretion, use funds in the Insurance Account for the redemption or purchase of Senior Lien Obligations.

(2) The foregoing provisions of clause (1) above notwithstanding, the Issuer shall have authority to enter into coinsurance or similar plans where risk of loss is shared in whole or in part by the Issuer.

(3) The annual audit hereinafter required may contain a section commenting on whether or not the Issuer has complied with the requirements of this Section with respect to the maintenance of insurance, and listing all policies carried, and whether or not all insurance premiums upon the insurance policies to which reference is hereinbefore made have been paid.

(i) Governmental Agencies. It will comply with all of the terms and conditions of any and all franchises, permits and authorizations applicable to or necessary with respect to the System, and which have been obtained from any governmental agency; and the Issuer has or will obtain and keep in full force and effect all franchises, permits, authorization and other requirements applicable to or necessary with respect to the acquisition, construction, equipment, operation and maintenance of the System.

(j) No Competition. That so far as it legally may, it will not grant any franchise or permit for the acquisition, construction or operation of any competing facilities which might be used as a substitute for the System's facilities and, to the extent that it legally may, the Issuer will prohibit any such competing facilities.

(k) Records. It will keep proper books of record and account in which full, true and correct entries will be made of all dealings, activities and transactions relating to the System, the Pledged Revenues, and the funds created pursuant to this Ordinance, and all books, documents and vouchers relating thereto shall at all reasonable times be made available for inspection upon request of a Registered Owner of Senior Lien Obligations; provided, that all books, documents, and vouchers relating to the City's electric system shall be made available for inspection only to the extent required by law, including, without limitation, the provisions of Section 552.133 of the Texas Government Code.

(l) Audits. After the close of each Year while any Senior Lien Obligation is Outstanding, it will cause an audit to be made of the books and accounts relating to the Issuer, including the System and the Pledged Revenues by an Accountant. Such annual audit reports shall be open to the inspection of the Registered Owners of Senior Lien Obligations and their agents and representatives at all reasonable times.

(m) Rate Covenant. It will fix, establish, maintain and collect such rates, charges and fees for the use and availability of the System at all times as are necessary to produce Gross Revenues, together with any

other Pledged Revenues, sufficient (1) to pay all current Operating Expenses, and (2) to produce Pledged Revenues for each Year at least equal to 1.00 times the Annual Debt Service Requirements of all then Outstanding Senior Lien Obligations for that Year, and (3) to produce amounts required to pay all other obligations of the System reasonably anticipated to be paid from Pledged Revenues during the current Year.

SECTION 17. ISSUANCE OF ADDITIONAL SENIOR LIEN OBLIGATIONS.

(a) The Issuer shall have the right and power at any time and from time to time and in one or more series or issues, to authorize, issue and deliver Additional Senior Lien Obligations for any purpose authorized by law, including for purposes of extending, improving or repairing the System and for the purpose of refunding of any Senior Lien Obligations, Subordinate Lien Obligations or other obligations of the Issuer incurred in connection with the ownership or operation of the System. Such Additional Senior Lien Obligations, if and when authorized, issued and delivered in accordance with this Ordinance and any ordinance hereafter adopted authorizing the issuance or incurrence of Additional Senior Lien Obligation, shall be secured by and made payable equally and ratably on a parity with all other Senior Lien Obligations at the time Outstanding and unpaid, from a first lien on and pledge of the Pledged Revenues herein granted.

(b) The Interest and Sinking Fund shall secure and be used to pay all Senior Lien Obligations. Each ordinance under which Additional Senior Lien Obligations are issued shall provide and require that, in addition to the amounts required by the provisions of this Ordinance and the provisions of any other ordinance or ordinances authorizing Additional Senior Lien Obligations to be deposited to the credit of the Interest and Sinking Fund, the Issuer shall deposit to the credit of the Interest and Sinking Fund at least such amounts as are required for the payment of all principal of and interest on said Additional Senior Lien Obligations then being issued, as the same come due.

(c) Additional Senior Lien Obligations shall be issued only in accordance with this Ordinance, but notwithstanding any provisions of this Ordinance to the contrary, no installment, series or issue of Additional Senior Lien Obligations shall be issued or delivered unless:

(1) A Designated Financial Officer shall have executed a certificate stating (A) that, to the best of such person's knowledge and belief, the Issuer is not then in default as to any covenant or requirement contained in any ordinance authorizing the issuance of Outstanding Senior Lien Obligations, and (B)(i) payments into all special funds or accounts created and established for the payment and security of all Outstanding Senior Lien Obligations have been made and that the amounts on deposit in such special funds or accounts are the amounts then required to be on deposit therein or (ii) the application of the proceeds of sale of such obligations then being issued will cure any such deficiency; and

(2) A Designated Financial Officer shall have executed a certificate stating that based on the books and records of the Issuer, during either the preceding Year, or any twelve (12) consecutive months out of the fifteen (15) months immediately preceding the month in which the then proposed Additional Senior Lien Obligations are to be issued, the Net Revenues are equal to the lesser of (A) at least 1.25 times the Average Annual Debt Service Requirements, or (B) at least 1.10 times the Maximum Annual Debt Service Requirements, of, in either case, the Senior Lien Obligations to be Outstanding after the issuance of the then proposed Additional Senior Lien Obligations.

(d) If the proceeds of the Additional Senior Lien Obligations are to be used to construct or acquire a Capital Addition, the certificate required by clause (c)(2) above shall not be required, and the following two certificates shall be required:

(1) A Designated Financial Officer shall have executed a certificate stating that based on the books and records of the Issuer, during either the preceding Year, or any twelve (12) consecutive months out of the fifteen (15) months immediately preceding the month in which the then proposed Additional Senior Lien Obligations are to be issued, the Net Revenues are equal to the lesser of (A) at least 1.25 times the Average Annual Debt Service Requirements, or (B) at least 1.10 times the Maximum Annual Debt Service Requirements, of, in either case, the Senior Lien Obligations to be Outstanding at the time of the issuance of the then proposed Additional Senior Lien Obligations (but excluding the Additional Senior Lien Obligations then being issued); and

(2) An Accountant or a Consulting Engineer shall have executed a certificate to the effect that the projected Net Revenues will be, in the person's or its opinion, for each of the five (5) Years subsequent to the date the Capital Addition becomes commercially operative (as estimated in the engineering report pertaining thereto) equal to the lesser of (A) at least 1.25 times the Average Annual Debt Service Requirements, or (B) at least 1.10 the Maximum Annual Debt Service Requirements, of, in either case, Senior Lien Obligations then Outstanding and all Additional Senior Lien Obligations then estimated to be issued, if any, for all improvements to the System and for all Capital Additions then in progress or then being initiated during the period from the date the first series of obligations for the Capital Addition is to be delivered through the fifth Year subsequent to the date the Capital Addition is estimated to become commercially operative.

(e) Payments to be made under a Credit Agreement may be treated as a payment in respect of a Senior Lien Obligation and secured by Pledged Revenues if the City Council makes a finding in the ordinance authorizing the execution and delivery of a Credit Agreement as a Senior Lien Obligation that, based upon the findings contained in a certificate executed and delivered by a Designated Financial Officer, the Issuer will have sufficient funds to meet the financial obligations of the System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the System and the financial obligations of the Issuer relating to the System after giving effect to the treatment of the Credit Agreement as a Senior Lien Obligation. The payment obligations incurred by the Issuer under a Credit Agreement shall not be treated as a Senior Lien Obligation unless the form of such Credit Agreement is approved by ordinance or resolution adopted by the City Council.

(f) In making a determination of Net Revenues for any of the purposes described in this Section, the Designated Financial Officer, Accountant or Consulting Engineer may take into consideration a change in the rates and charges for services and facilities afforded by the System that has been adopted by the Issuer or became effective at least sixty (60) days prior to the issuance date of the Additional Senior Lien Obligations and, for purposes of satisfying the Net Revenues tests described above, make a pro forma determination of the Net Revenues of the System for the period of time covered by said Designated Financial Officer's, Accountant's or Consulting Engineer's certification or opinion based on such change in rates and charges being in effect for the entire period covered by said Designated Financial Officer's, Accountant's or Consulting Engineer's certificate or opinion.

(g) Senior Lien Obligations may be refunded (pursuant to any law then available) upon such terms and conditions as the Issuer may deem to be in the best interest of the Issuer and its inhabitants, and if less than all such Outstanding Senior Lien Obligations are refunded, the proposed refunding bonds shall be considered as "Additional Senior Lien Obligations" under the provisions of this Section and the certificate required in clause (c)(2) shall give effect to the issuance of the proposed refunding bonds (and shall not give effect to the bonds being refunded following their cancellation or provision being made for their payment).

(h) All calculations of Average Annual Debt Service Requirements and Maximum Annual Debt Service Requirements made pursuant to this Section shall be made as of and from the date of the Additional Senior Lien Obligations then proposed to be issued.

SECTION 18. [RESERVED].

SECTION 19. NO ISSUANCE OF OBLIGATIONS SENIOR TO THE SENIOR LIEN OBLIGATIONS. The Issuer covenants and agrees that it will not issue any obligations payable from and secured, in whole or in part, by a lien on and pledge of the Pledged Revenues, senior in rank and dignity to the lien on and pledge of such Pledged Revenues securing the payment of the Senior Lien Obligations, it being the intent of the Issuer that upon the issuance of the Bonds, the Issuer will finance improvements and extensions of the System and refinance revenue obligations issued for the purpose of improving and extending the System with Senior Lien Obligations, Subordinate Lien Obligations or other obligations not issued on a parity with Senior Lien Obligations.

SECTION 20. ISSUANCE OF SUBORDINATE OBLIGATIONS. The Issuer hereby reserves the right to issue, at any time, obligations including, but not limited to, Subordinate Lien Obligations, payable from and equally and ratably secured, in whole or in part, by a lien on and pledge of the Pledged Revenues, subordinate and inferior in rank and dignity to the lien on and pledge of such Pledged Revenues securing the payment of the Senior Lien Obligations, as may be authorized by the laws of the State of Texas.

SECTION 21. ISSUANCE OF SPECIAL PROJECT BONDS. Nothing in this Ordinance shall be construed to deny the Issuer the right and it shall retain, and hereby reserves unto itself, the right to issue Special Project Bonds secured by liens on and pledges of revenues and proceeds derived from Special Projects.

SECTION 22. DEFEASANCE OF BONDS.

(a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Ordinance, except to the extent provided in subsection (c) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the funds created and the revenues herein pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the escrow agent under a Future Escrow Agreement may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying

Agent/Registrar that is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(d) In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

SECTION 23. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any Outstanding Bond is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new Bond of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Bond, the registered owner applying for a replacement Bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Bond, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred that is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement Bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued under this Ordinance.

(e) Authority for Issuing Replacement Bonds. In accordance with Section 1206.022, Texas Government Code, this Section 23 shall constitute authority for the issuance of any such replacement Bond

without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 4(a) for Bonds issued in conversion and exchange for other Bonds.

SECTION 24. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; CUSIP NUMBERS.

(a) The Mayor of the Issuer and each Designated Financial Officer are hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Bond. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the insurer.

(b) The obligation of the initial purchaser to accept delivery of the Bonds is subject to the initial purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Bonds to the initial purchaser.

SECTION 25. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.

(a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed or refinanced therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" that is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Bonds being treated as “private activity bonds” within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being “federally guaranteed” within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Bonds, other than investment property acquired with:

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the rules and regulations of the United States Department of the Treasury (“*Treasury Regulations*”), and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the “Excess Earnings,” within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (a)(9), a “Rebate Fund” is hereby established by the Issuer for the sole benefit of the United States of America, and such Rebate Fund shall not be subject to the claim of any other person, including without limitation the Bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Use of Proceeds. For purposes of the foregoing covenants (a)(1) and (a)(2), the Issuer understands that the term “proceeds” includes “disposition proceeds” as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the United States Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal

income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Mayor or Designated Financial Officer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, that may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Allocation of, and Limitation on, Expenditures for the Projects. The Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the construction and acquisition of the Project on its books and records by allocating proceeds to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed. The foregoing notwithstanding, the Issuer shall not expend proceeds of the sale of the Bonds or investment earnings thereon more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired, unless the Issuer obtains an opinion of nationally-recognized bond counsel that such expenditure will not adversely affect the status, for federal income tax purposes, of the Bonds or the interest thereon. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The Issuer covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless the Issuer obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains a legal opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

SECTION 26. TEXAS WATER DEVELOPMENT BOARD. The provisions of this Section shall apply so long as the Bonds, or any of them, are owned by the TWDB, unless waived by the TWDB or otherwise amended with the written consent of the TWDB.

(a) Covenant to Abide with Rules and Regulations. The Issuer will abide with all applicable federal laws, rules and regulations, laws of the State of Texas and rules and regulations of the TWDB relating to the loan of funds evidenced by the Bonds and the Project.

(b) Annual Audit Reporting. The Issuer shall have an annual audit prepared in accordance with generally accepted accounting practices and shall provide to the Executive Administrator of the TWDB, without the necessity of a written request therefor and without charge, a copy of the annual audit report within 180 days of the close of each Year. In addition, monthly operating statements for the System shall be maintained by the Issuer and made available, on request, to the TWDB as long as the State of Texas owns any of the Bonds, and the monthly operating statement shall be in such detail as requested by the Development Fund Manager of the TWDB until this requirement is waived thereby. The Issuer covenants that proceeds of the Bonds shall remain separate and distinct from other sources of funding from the date of the TWDB commitment through costing and final disbursement.

(c) Final Accounting. Upon completion of the Project, the Issuer shall render a final accounting of the cost of the Project to the TWDB, together with a copy of "as built" plans of such improvements and extensions upon completion. If the total cost of the Project, as finally completed, is less than originally

estimated, so that the proper share of the participation by the TWDB in the Project is reduced, any surplus proceeds from the Bonds remaining after completion of the Project shall be used for the following purposes as approved by the Executive Administrator: (1) deposit into the Interest and Sinking Fund or other debt service account for the payment of interest or principal on the Bonds owned by the TWDB; or (2) eligible project costs as authorized by the Executive Administrator.

(d) Defeasance. Should the Issuer exercise its right hereunder to effect the defeasance of the Bonds, the Issuer agrees that it will provide the TWDB with written notice of any such defeasance.

(e) Prohibition on Use of Proceeds. The Issuer covenants and agrees that none of the proceeds of the Bonds will be expended on costs incurred or to be incurred relating to the sampling, testing, removing or disposing of potentially contaminated soils and/or media at the project site.

(f) Indemnification. The Issuer further agrees, to the extent permitted by law, to indemnify, hold harmless and protect the TWDB from any and all claims or causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment, recycling and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the Issuer, its contractors, consultants, agents, officials and employees as a result of activities relating to the Project.

(g) Environmental Determination. In connection with the Project, the Issuer agrees to implement any environmental determination issued by the Executive Administrator of the TWDB to satisfy the environmental review requirements set forth in 31 Texas Administrative Code 371.

(h) Insurance. The Issuer agrees to maintain casualty and other insurance on the Issuer's waterworks system of a kind and in an amount customarily carried by municipal corporations owning and operating similar properties and in an amount sufficient to protect the interests of the TWDB in the Project.

(i) Water Conservation Program. The Issuer has adopted and implemented or will adopt and implement an approved water conservation program in accordance with 31 TAC 363.42.

(j) No Purchase of TWDB Bonds. The Issuer agrees that it, nor any related party to the Issuer, will not purchase, as an investment or otherwise, bonds issued by the TWDB including, without limitation, bonds issued by the TWDB, the proceeds of which were used by the TWDB to purchase the Bonds.

(k) Compliance with Federal Contracting Law. The Issuer acknowledges that it has a legal obligation to comply with any applicable requirements of federal law relating to contracting with disadvantaged business enterprises.

(l) Compliance with State Contracting Law. The Issuer acknowledges that it has a legal obligation to comply with any applicable requirements of State law relating to contracting with historically underutilized businesses, and will report to TWDB the amount of Project Funds, if any, used to compensate historically underutilized businesses, in accordance with 31 TAC Sec. 363.1312.

(m) Assumption of Bonds. The Issuer agrees that, prior to any action by the Issuer to convey its obligations with respect to Bonds owned by the TWDB to another entity, the conveyance and assumption of such Bonds must be approved by the TWDB.

(n) Compliance with Requirements Regarding Use of Iron and Steel Products. The Issuer will abide by all applicable construction contract requirements related to the use of iron and steel products produced in the United States, as required by Texas Government Code, Chapter 2252, Subchapter G and Texas Water Code, Section 17.183.

SECTION 27. SALE OF BONDS; USE OF PROCEEDS; FURTHER PROCEDURES.

(a) Sale of Bonds. The Bonds are sold to the TWDB for the price of par. The Bonds have been purchased by the TWDB pursuant to TWDB's Resolution No. 24-048, adopted on July 23, 2024. The Private Placement Memorandum prepared in connection with the sale of the Bonds to the TWDB in substantially the form presented at this meeting is approved (the "*Private Placement Memorandum*"). The Issuer has determined, based upon the advice provided by its financial advisors, that the terms of this sale are the most advantageous reasonably obtainable. The Bonds shall initially be registered in the name of the TWDB or its designee.

(b) Notice from TWDB of Sale of Bonds. It is the intent of the parties to the sale of the Bonds that if TWDB ever determines to sell all or a part of the Bonds, it shall notify the Issuer at least 60 days prior to the sale of the Bonds of the decision to so sell the Bonds.

(c) Proceeds. The proceeds from the sale of the Bonds shall be disbursed in the manner described in the letter of instructions executed by the Issuer, or on behalf of the Issuer by its financial advisor.

(d) Payment by Wire Transfer. Payment of amounts due and owing on the Bonds to the TWDB shall be made by wire transfer, at no expense to the TWDB, as provided in the FORM OF BOND.

(d) Further Procedures. The Mayor and Mayor Pro Tem, the City Manager, the Chief Financial Officer and City Secretary and all other officers, employees and agents of the Issuer, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the Issuer a Paying Agent/Registrar Agreement with the Paying Agent/Registrar and all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Bonds, the sale of the Bonds, and the Private Placement Memorandum. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 28. DEFAULT AND REMEDIES.

(a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the registered owners of the Bonds, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the Issuer.

(b) Remedies for Default.

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Registered Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the

specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Bonds then Outstanding.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Bond authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or council members of the Issuer.

(iv) None of the members of the City Council, nor any other official or officer, agent, or employee of the Issuer, shall be charged personally by the registered owners with any liability, or be held personally liable to the registered owners under any term or provision of this Ordinance, or because of any Event of Default or alleged Event of Default under this Ordinance.

SECTION 29. COMPLIANCE WITH RULE 15c2-12.

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

“*Financial Obligation*” means a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation, or (iii) a guarantee of (i) or (ii); provided however, that a “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

“*MSRB*” means the Municipal Securities Rulemaking Board.

“*Rule*” means SEC Rule 15c2-12, as amended from time to time.

(b) Annual Reports.

(i) The Issuer shall provide annually to the MSRB, in the electronic format prescribed by the MSRB, financial information and operating data (the “*Annual Operating Report*”) with respect to the Issuer of the general type included in its annual financial statements. The Issuer will additionally provide financial statements of the Issuer (the “*Financial Statements*”), that will be (i) prepared in accordance with the accounting principles described in the notes to the Issuer’s fiscal year 2024 audited financial statements or such other accounting principles as the Issuer may be required to

employ from time to time pursuant to State law or regulation and (ii) audited, if the Issuer commissions an audit of such Financial Statements and the audit is completed within the period during which they must be provided. The Issuer will update and provide the Annual Operating Report within six months after the end of each Year and the Financial Statements within 12 months of the end of each Year, in each case beginning with the Year ending in and after 2025. The Issuer may provide the Financial Statements earlier, including at the time it provides its Annual Operating Report, but if the audit of such Financial Statements is not complete within 12 months after any such Year end, then the Issuer shall file unaudited Financial Statements within such 12-month period and audited Financial Statements for the applicable Year, when and if the audit report on such Financial Statements becomes available.

(ii) If the Issuer changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Issuer otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document that is available to the public on the MSRB's internet website or filed with the SEC. All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(c) Event Notices.

(i) The Issuer shall notify the MSRB in an electronic format as prescribed by the MSRB, in a timely manner (but not in excess of ten business days after the occurrence of the event) of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

1. Non-payment related defaults;
2. Modifications to rights of Registered Owners;
3. Bond calls;
4. Release, substitution, or sale of property securing repayment of the Bonds;
5. The consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms;
6. Appointment of a successor or additional trustee or the change of name of a trustee; and
7. Incurrence of a Financial Obligation of the Issuer or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders.

(ii) The Issuer shall notify the MSRB in an electronic format as prescribed by the MSRB, in a timely manner (but not in excess of ten business days after the occurrence of the event) of any of the following events with respect to the Bonds, without regard to whether such event is considered material within the meaning of the federal securities laws:

1. Principal and interest payment delinquencies;
2. Unscheduled draws on debt service reserves reflecting financial difficulties;
3. Unscheduled draws on credit enhancements reflecting financial difficulties;
4. Substitution of credit or liquidity providers, or their failure to perform;
5. Adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the Bonds, or other material events affecting the tax-exempt status of the Bonds;
6. Tender offers;
7. Defeasances;
8. Rating changes;
9. Bankruptcy, insolvency, receivership or similar event of an obligated person; and
10. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

(iii) The Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such subsection.

(d) Limitations, Disclaimers, and Amendments.

(i) The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the Issuer in any event will give notice of any deposit made in accordance with this Ordinance or applicable law that causes Bonds no longer to be Outstanding.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND

REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) Should the Rule be amended to obligate the Issuer to make filings with or provide notices to entities other than the MSRB, the Issuer hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended. The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the Issuer so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 30. METHOD OF AMENDMENT.

(a) The Registered Owners of Senior Lien Obligations of a majority of the aggregate principal amount of then Outstanding Senior Lien Obligations thereby affected (for purposes of this sentence only, 100% of the aggregate principal amount of Senior Lien Obligations which are insured by a bond insurance provider at the time that the Issuer seeks approval of an amendment shall be deemed to be owned by such bond insurance provider) shall have the right from time to time to approve any amendment to this Ordinance which may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of the Registered Owners of all of the Senior Lien Obligations at the time Outstanding thereby affected, nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions in this Ordinance or in the Senior Lien Obligations so as to:

- (1) Make any change in the maturity of any of the Outstanding Senior Lien Obligations;
- (2) Reduce the rate of interest borne by any of the Outstanding Senior Lien Obligations;
- (3) Reduce the amount of the principal payable on the Outstanding Senior Lien Obligations;

(4) Modify the terms of payment of principal of or interest on the Outstanding Senior Lien Obligations or impose any conditions with respect to such payment;

(5) Affect the rights of the Registered Owners of less than all of the Senior Lien Obligations then Outstanding;

(6) Change the minimum percentage of the principal amount of Senior Lien Obligations necessary for consent to such amendment; or

(7) Amend this subsection (a) of this Section.

(b) If at any time the Issuer shall desire to amend the Ordinance under this Section, the Issuer shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, once during each calendar week for at least two (2) successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Paying Agent/Registrar for inspection by all Registered Owners of Senior Lien Obligations. Such publication is not required, however, if notice in writing is given to each Registered Owner of Senior Lien Obligations.

(c) Whenever at any time the Issuer shall receive an instrument or instruments executed by the Registered Owners of at least a majority in the aggregate principal amount of all Senior Lien Obligations then Outstanding thereby affected, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file with the Paying Agent/Registrar, the City Council may pass the amendatory ordinance in substantially the same form.

(d) Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be amended in accordance with such amendatory ordinance, and the respective rights, duties and obligations under this Ordinance of the Issuer and all the Registered Owners of then Outstanding Senior Lien Obligations and all future Senior Lien Obligations shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

(e) Any consent given by the Registered Owner of a Senior Lien Obligation pursuant to the provisions of this Section shall be irrevocable for a period of twelve (12) months from the date of the first publication of the notice or other service of written notice provided for in this Section, and shall be conclusive and binding upon all future Registered Owners of the same Senior Lien Obligation during such period. Such consent may be revoked at any time after twelve (12) months from the date of the first publication of such notice or other service of written notice by the Registered Owner who gave such consent, or by a successor in title, by filing notice thereof with the Paying Agent/Registrar and the Issuer, but such revocation shall not be effective if the Registered Owners of a majority in aggregate principal amount of the then Outstanding Senior Lien Obligations as in this Section defined have, prior to the attempted revocation, consented to and approve the amendment.

(f) The fact of the owning of Senior Lien Obligations issued in registered form without coupons and the amounts and numbers of such Senior Lien Obligations and the date of their holding same shall be proved by the Registration Books of the Paying Agent/Registrar. The Issuer may conclusively assume that such ownership continues until such ownership is changed on the Registration Books. For purposes of this Section, the notional amount attributable to a Credit Agreement that is treated as a Senior Lien Obligation shall be deemed to be the principal amount of such Senior Lien Obligation.

(g) The foregoing provisions of this Section notwithstanding, the Issuer by action of the City Council may amend this Ordinance without the consent or approval of any Registered Owners of Senior Lien Obligations for any one or more of the following purposes:

(1) To add to the covenants and agreements of the Issuer in this Ordinance contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to Registered Owners or to surrender, restrict or limit any right or power herein reserved to or conferred upon the Issuer;

(2) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in this Ordinance, or in regard to clarifying matters or questions arising under this Ordinance, including, without limitation, those matters described in Section 29(d)(v), or those matters necessary to obtain a rating on the Bonds or to obtain the approving opinion of the Attorney General of Texas as required by law, as are necessary or desirable and not contrary to or inconsistent with this Ordinance and which shall not adversely affect the interests of the Registered Owners of the Senior Lien Obligations;

(3) To make such changes, modifications and amendments as may be necessary or desirable, which shall not adversely affect the interests of the Registered Owners of Outstanding Senior Lien Obligations, in order to obtain or maintain a Credit Agreement or a Credit Facility;

(4) To modify any of the provisions of this Ordinance in any other respect whatever, provided that (i) such modification shall be, and be expressed to be, effective only after all Senior Lien Obligations Outstanding at the date of the adoption of such modification shall cease to be Outstanding, and (ii) such modification shall be specifically referred to in the text of all Senior Lien Obligations issued after the date of the adoption of such modification.

(h) The foregoing provisions of this Section notwithstanding, so long as the TWDB is the Registered Owner or beneficial owner of any of the Bonds, the provisions of Section 30 may be waived by, or amended with the consent of, the TWDB without the approval or consent of any other Registered Owner or beneficial owner of the Bonds.

(c) Disbursements from Escrow Fund. Funds shall not be released from the Escrow Fund without written approval by the Executive Administrator of the TWDB. Except as provided in Section 27(c) and Section 26(c), moneys disbursed from the Escrow Fund shall be credit to the Construction Fund created by Section 31 and shall be applied only for the payment of costs of the Project.

(d) Investment and Security for Escrow Fund. The security for, and the investment of, funds on deposit in the Escrow Fund shall be governed by the provisions of the Escrow Agreement.
