AGENDA INFORMATION SHEET

DEPARTMENT: City Manager's Office

ACM: Cassey Ogden

DATE: May 7, 2024

SUBJECT

Consider approval of a resolution of the City of Denton, Texas, supporting legislation relating to the powers and duties of Hunter Ranch Improvement District No. 1 of Denton County, Texas to issue bonds; and providing an effective date.

BACKGROUND

Hunter Ranch is a 3,167-acre master-planned development west of I-35 West and east of Robson Ranch. The development is located within the city limits and is designated as a Master Planned Community District under the Denton Development Code. The development's buildout is expected to occur over 40 years and is anticipated to include:

- 6,500 single family units
- 3,250 multifamily units
- 365 commercial acres

Because projects of this size require construction of significant public infrastructure, the developers pay for the construction of improvement projects and seek reimbursement through a Municipal Management District (MMD). An MMD is considered a governmental agency and a political subdivision of the state. The MMD finances public capital improvements and/or services by imposing property taxes, special assessments, and/or impact fees on property owners within the district who are benefiting from such improvements.

On February 12, 2019, the Denton City Council passed resolutions of support for the creation of the MMD to be considered during the State of Texas' 2019 Legislative session. The district was approved by the Legislature on June 14, 2019. On April 7, 2020, the Denton City Council passed a consent resolution authorizing the creation of the Hunter Ranch MMD which was accompanied by operating and project agreements that dictate improvement projects to be constructed, financing and project reimbursement eligibility, allowable district tax rates, and district operations.

Approval of this amended resolution provides the City's written consent for the legislation. The City specifically reserves the right to consent to the MMD and impose conditions on the district through three documents: the City Consent Ordinance, the MMD Operating Agreement, and the Developer Project Agreement. The amended resolution acknowledges that the City and District have agreed to amended terms and provisions of the Operating Agreement.

OPTIONS

The resolution may be adopted as presented. If the resolution is not adopted, the original resolution of support will remain in effect.
