\* Warranty covers repair, replacement, or repurchase of individual defective component assemblies contained within the product. Returns of complete finished goods are not allowed under warranty without prior approval from the Hunter Product Manager.

\*\* While the use of copper does not completely remove the chance of root intrusion, it has been shown to assist in its prevention when coupled with proper irrigation scheduling.

If used for agricultural applications, Hunter limits the warranty for its valves, spray, MP Rotator, and rotor products to a period of one (1) year from the original date of manufacture. This agriculture limitation supersedes all other warranties expressed or implied.

If a defect in a Hunter product is discovered during the applicable warranty period, Hunter will repair or replace, at its option, the product or the defective part. This warranty does not extend to repairs, adjustments, or replacement of a Hunter product or part that results from misuse, negligence, alteration, modification, tampering, or improper installation and/or maintenance of the product. This warranty extends only to the original installer of the Hunter product. If a defect arises in a Hunter product during the warranty period, contact your local Hunter Authorized Distributor.

Hunter's warranty applies only to products installed as specified and used as intended for irrigation purposes. Hunter's warranty shall be limited to defects in materials and workmanship during the warranty period, and shall not extend to situations in which the product was subjected to improper design, installation, operation, maintenance, application, abuse, improper electrical current, grounding, service other than by Hunter authorized agents, operating conditions other than that for which it was designed, or in systems using water containing corrosive chemicals, electrolytes, sand, dirt, silt, rust, or agents that otherwise attack and degrade plastics. Hunter's warranty does not cover component failures caused by lightning strikes, electrical power surges, or unconditioned power supplies. If products are repurchased, the price to Distributor for such products in effect at the time of return will apply.

Hunter's obligation to repair, replace, or repurchase its products or product components as set forth above is the sole and exclusive warranty extended by Hunter. There are no other warranties, expressed or implied, including warranties of merchantability and warranties of fitness for a particular purpose. Hunter will not be liable to a distributor or to any other party in strict liability, tort, contract, or any other manner for any damages caused or claimed to be caused as a result of any design of or defect in Hunter's products, or for any special, incidental, or consequential damages of any nature.

Where applicable, Hunter's statement of warranty complies with local directives.

If you have any questions concerning the warranty or its application, please email [support@hunterindustries.com](mailto:support@hunterindustries.com).

Asae Certification Statement

Hunter Industries Incorporated certifies that pressure, flow rate, and radius data for these products were determined and listed in accordance with ASAE Standard S398.1, Procedure for Sprinkler Testing and Performance Reporting, and are representative of performance of production sprinklers at the time of publication. Actual product performance may differ from the published specifications due to normal manufacturing variations and sample selection. ### IV. Pump Stations

Rain Bird guarantees that its pump station will be free of manufacturer defects for three years from the date of start-up but not beyond forty months from the date of purchase by the original customer with a copy of the seller's invoice required for coverage under this Policy. Start-up or service by anyone other than a Rain Bird authorized representative, when required, will void these terms and conditions.

Provided that all installation, start-up, operation responsibilities, and recommended maintenance procedures have been properly executed and performed by authorized Rain Bird representatives, when required, Rain Bird will replace or repair, at Rain Bird's option, any Rain Bird part found to be defective under normal recommended use during the effective period of this Policy, such evaluation to be solely determined by Rain Bird. Rain Bird's only obligation and customer's exclusive remedy under this Policy is limited to repair or replacement, at Rain Bird's option, of the parts or the products the defects of which are reported to Rain Bird within the applicable Policy period, which prove to be defective and such evaluation will be solely determined by Rain Bird.

In no case will Rain Bird cover labor costs associated with repair or replacement of parts beyond one year from date of start-up. Repairs performed and parts used at Rain Bird's expense must be authorized by Rain Bird, in writing, prior to repairs being performed. Product repairs or replacement under this Policy will not extend this Policy. Coverage for repaired or replaced product shall end when this Policy terminates. Rain Bird's sole obligation and customer's exclusive remedy under this Policy shall be limited to such repair or replacement.

Upon request, Rain Bird may provide advice on trouble-shooting a defect during the effective period of this Customer Satisfaction Policy. Repair service must be performed by a Rain Bird authorized representative regardless of whether the labor is covered by Rain Bird or is at the owner's expense during the effective period of this Policy. However, no service, replacement or repair under this Customer Satisfaction Policy will be rendered while the customer is in default of any payments due to Rain Bird.

Rain Bird will not accept responsibility for costs associated with the removal, replacement or repair of equipment in difficult-to-access locations and such evaluation will be solely determined by Rain Bird. Difficult-to-access locations include (but are not limited to) locations where any of the following are required:

- 1) Cranes larger than 15 tons
- 2) Divers
- 3) Barges
- 4) Helicopters
- 5) Dredging
- 6) Roof removal or other such construction/reconstruction requirements
- 7) Any other unusual means or requirements

Such extraordinary cost associated with difficult-to-access locations shall be the sole responsibility of the customer, regardless of the reason requiring removal, repair or replacement of the equipment.

The terms and conditions of this Customer Satisfaction Policy do not cover damage, loss or injury caused by or resulting from the following:

- 1) Misapplication, abuse, or failure to conduct routine maintenance (to include winterization / winter lay-up procedures).
- 2) Pumping of liquids other than fresh water as defined by the U.S. Environmental Protection Agency, unless the pump station quoted by Rain Bird specifically lists these other liquids and their concentrations.
- 3) Use of pesticides (to include insecticides, fungicides and herbicides), free chlorine or other strong biocides.
- 4) Exposure to electrolysis, erosion or abrasion.
- 5) Use or presence of destructive gases or chemicals unless these materials and their concentrations are specified in the Rain Bird quotation.
- 6) Electrical supply voltages above or below those specified for correct pump station operation.
- 7) Electrical phase loss or reversal.
- 8) Use of a power source other than that specified in the original quotation.
- 9) Non-WYE configured power supplies such as open delta, phase converters or other forms of unbalanced three phase power supplies
- 10) Improper electrical grounding or exposure to incoming power lacking circuit breaker or fused protection.
- 11) Using the control panel as a service disconnect.
- 12) Lightning, earthquake, flood, windstorm or other Acts of Nature.
- 13) Failure of pump packing seal (unless the failure occurs on initial start-up).
- 14) Any damage or loss to plants, equipment or groundwater or injury to people caused by the failure of or improper use of an injection system or improper concentration of chemicals or plant nutrients introduced into the pump station by an injection system.
- 15) Any failure of nutrient or chemical storage or spill containment equipment or facilities associated with the pump station location.

The foregoing terms and conditions constitute Rain Bird's Entire Pump Station Customer Satisfaction Policy. This policy is exclusive and in lieu of any other warranties whatsoever, whether express, implied, or statutory including the implied warranties of merchantability and fitness for a particular purpose, which are all hereby expressly disclaimed. The sole remedy under this policy shall be limited to the repair or replacement of the pump station or its components pursuant to the terms and conditions contained herein. In the case of any components or injection systems manufactured by others (as noted on the pump station quotation), there is no warranty provided by Rain Bird and these items are covered solely by and to the extent of the warranty if any, offered by those other manufacturers.

Rain Bird shall not be liable to the customer or any other person or entity for any liability, loss, delay or damage caused or alleged to be caused, directly or indirectly, by any use, defect, failure or malfunction of the pump station or by any injection system whether a claim for such liability, loss, delay or damages is based upon warranty, contract, tort or otherwise. Rain Bird shall not be liable for incidental, consequential, collateral or indirect damages or delay or loss of profit or loss of use or any damages related to the customer's business operations, nor for those caused by acts of nature. In no case and under no circumstances shall Rain Bird's liability exceed the Rain Bird Corporation's net sale price of the pump station.

Laws concerning customer warranties and disclaimers vary from state to state, jurisdiction to jurisdiction, province to province or country to country and therefore some of the foregoing limitations may not apply to you. The exclusions and limitations set out above are not intended to, and should not be construed so as to contravene mandatory provisions of applicable law. If any part or term of this Policy is held to be illegal, unenforceable or in conflict with applicable law by a court of competent jurisdiction, the validity of the remaining portions of this Policy shall not be affected, and all rights and obligations shall be construed and enforced as if this Policy did not contain the particular part or term held to be invalid.

# Irritrol Policies and Procedures

## Orders

Orders must be placed in bag/carton quantities as indicated. Orders that do not meet this criteria will be rounded up to full carton quantities prior to shipment and noted on your order confirmation.

## Minimum Order:

\$100.00 Net. This minimum applies to whole goods orders only and not to orders for parts, repair or literature.

## Late Charge

All invoices not paid by the net due date will be subject to a service charge of the lesser of 1½% per month (18% annual percentage rate), or the highest rate then permitted by applicable law.

## Credit Terms

Dating terms, as well as all open account credit terms, are made available to those customers which the company's credit department determines to be credit-worthy. Customers may participate in buying programs or enjoy open account dating terms only as long as such credit-worthiness, as determined by the company, is maintained. If such credit-worthiness is not maintained, dating terms on future purchases may be revoked, or all outstanding customer obligations under open account shall become immediately due. Either action may be taken at the company's option and upon written notice to the customer. If an unresolved credit issue extends beyond 30 days, open orders may be subject to shipment hold or cancellation.

## Freight Terms

Irritrol will ship Freight Prepaid any orders valued at a minimum of USD \$1,200.00 net (in the contiguous U.S.) or USD \$3,500.00 net (Canada) and can include any products in this price list. Orders that are less than \$1,200.00 net (or \$3,500 net in Canada) will be charged a 9% shipping charge for ground shipments.

- Freight charges for emergency order shipments are paid by the distributor. This includes next-day delivery, second-day delivery, and any premium service or special delivery request.

## Special Order Items

Special Order items may not be returned for any reason.

## Claims for Shortage

All claims for shortage should be made in writing, by fax or phone to our Order Services Department within 30 days of receipt of goods. **If not reported within 30 days, claim may be refused.**

## Defective Goods Return Policy

To return defective products, please obtain an RGA by sending an email to [orderservices@irritrol.com](mailto:orderservices@irritrol.com). Upon receipt of RGA confirmation, return the product and a copy of the RGA confirmation to the address indicated.

# Irritrol Trade Warranty

**Excluding software and products formerly produced under the Rain Master® brand name, Irritrol® offers the following coverage to its trade customers:**

For the first year from the date of original sale to the trade customer, "hassle-free" over-the-counter exchange of products found to have original manufacturing defects; and for years two through five from the date of original sale to the trade customer, repair or replacement—at our option and without charge—of all parts which are found to have original manufacturing defects, provided the product is returned to the original place of purchase or sent to the Irritrol repair facility at 5825 Jasmine St., Riverside, CA 92504, at the customer's expense.

All Rain Master "R M E" Series Controllers have a 5-year (5-yr) warranty; all other Rain Master products, including; Pro-Max™ remotes, Flow Sensors, Sentar II™ and TWICE™ Controllers have a 2-year (2-yr) warranty.

All PC-related software, which includes but is not limited to, Evolution™, AIM, Advanced ET, OASIS™, Weather Station, etc, have a 90-day warranty. All computer hardware purchased from Irritrol in conjunction with its PC-related software is **NOT** covered by any Irritrol warranty. Computer hardware and its installed operating system(s) is specifically covered by the hardware manufacturer's warranty as provided by the hardware manufacturer.

This warranty does not apply to loss or damage to the product due to improper installation, abuse, alteration, mishandling, accident, or if the product has been serviced by other than Irritrol or its authorized service centers. This warranty is not a consumer warranty and does not extend to anyone other than those trade customers who purchase Irritrol products.

**NOTE: Irritrol is not liable for (i) failure of products not manufactured by Irritrol even though such products may be sold or used in conjunction with Irritrol products; (ii) indirect, incidental or consequential damages, including but not limited to vegetation loss during periods of malfunction or resulting non-use; (iii) any loss or damage (e.g., property damage) resulting from an installer's negligence; or (iv) implied warranties of merchantability or fitness for a particular purpose. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you.**

In no event shall Irritrol be liable or in any way responsible for any damages or defects in the product which were caused by repairs or attempted repairs performed by anyone other than an authorized Irritrol/Service dealer or center.

This warranty supersedes all previous warranties and shall be the sole and exclusive warranty granted by Irritrol and shall be the sole and exclusive remedy available to the trade customer. Correction of defects, in the manner and period of time described herein, shall constitute complete fulfillment of all liabilities and responsibilities of Irritrol to the trade customer with respect to the product, and shall constitute full satisfaction of all claims, whether based on contract, negligence, strict liability or otherwise.

NOTE: The user is cautioned that changes and modifications made to the equipment without the express written consent of the manufacturer will void this warranty.

# TERMS AND CONDITIONS OF SALE

These Terms and Conditions ("Terms") shall apply to the sale of all products supplied ("Products") by Netafim Irrigation Inc. ("Netafim USA") to a purchaser (the "Buyer"). These Terms shall govern such sale of Products and together with the Freight Terms, the product warranty, and Netafim USA's written order confirmation and/or Netafim USA's invoice (together, the "Commercial Documents") shall constitute the entire Agreement ("Agreement") between the Parties for the purpose of such sale. Any additional, different, or conflicting terms are hereby rejected, unless otherwise agreed in a signed contract by Netafim USA.

## PRICING

All prices shown are recommended retail prices. Wholesale prices are net prices discounted from list prices. All prices are subject to change without notice. No prices are firm until Netafim USA sends Buyer an order confirmation or invoice. Notwithstanding the preceding sentence, Netafim reserves the right to re-price Products to the then-current price when Products ship if: (1) Buyer schedules delivery of the Products more than 90 days from the date of order confirmation, (2) Buyer does not take delivery of the Products within 15 days of the originally requested shipping date and the Products are available for delivery, (3) Buyer does not take delivery within 15 days of the date the Buyer is notified that the Products are available for delivery, or (4) a Force Majeure Event substantially increases the cost or decreases the availability of a Product or a material input for that Product. Prices do not include taxes, freight or handling, or other surcharges. If appropriate, such charges will be billed separately on the invoice.

## PRODUCT CLASSIFICATION

Netafim USA's Landscape & Turf Price List represents our most commonly ordered Products as well as some reference to options, which may be available. If you have a product requirement for something you do not see listed, please call Customer Service for availability, price, and delivery times.

## PAYMENT TERMS

All invoices are payable in United States Dollars at net thirty (30) days from the date of invoice, unless otherwise agreed in writing. All past due balances will be assessed a monthly finance charge of eight-tenths of one percent (0.8%), or the highest amount allowed by law, whichever is less. All Payments made by the Buyer under these Terms shall be made in full without any deduction, set-off or counterclaim whatsoever. Any check or remittance received from or for the account of Buyer may be accepted and applied by Netafim USA against any debt owed by Buyer to Netafim USA without prejudice to or the discharge of the remainder of such indebtedness of any condition, provision, statement, legend, or notation appearing on or referring to or accompanying such check or remittance. Netafim USA will not accept any payment less than the entire debt as accord and satisfaction of such indebtedness except upon Netafim USA's signed, written agreement.

## ACCOUNT STATUS

All orders are subject to credit review. Order processing and/or shipments may be held until Buyer's account is current.

## MINIMUM ORDER

The minimum order amount for standard (stocked) products is one hundred dollars (\$100). A twenty-dollar (\$20) per order charge will be assessed on all Product orders less than the one-hundred-dollar (\$100) minimum. Non-standard items such as extruded products with special flows or pricing, or Products with unusual features, may have different minimum order requirements. See the price list for order minimums.

## SPECIAL ORDERS

We will work with you on any Special Order, Make-to-Order, or Custom requests. In the case of Special Orders or Custom requests, prices and delivery will be quoted, and the order may not be eligible for cancellation or return. Also, Special Orders or Custom requested products, manufactured or ordered to "non-standard" specifications, at Netafim USA's discretion, may be shipped immediately upon availability. If accepted by Netafim USA, an order for Make-to-Order Products will not be produced until Buyer has provided a delivery date and shipping location to Netafim USA. Once the Product is manufactured, Buyer must authorize shipment of the Product within 15 days from the date originally requested for shipment. Returns of Make-to-Order Products are handled as listed below.

# TERMS AND CONDITIONS OF SALE

## ORDER CANCELLATIONS

Buyer may not cancel an order unless such cancellation is expressly agreed to in writing by Netafim USA. Netafim has no obligation to cancel an order for Non-Standard, Make-to-Order, Custom or Special-Order Products after the Products have been manufactured, or received from a vendor, or a non-cancellable purchase commitment has been entered into with a vendor. If Netafim, at its sole discretion, agrees to cancel such an order, upon cancellation the Buyer may be charged 50% or more of the order value based on how saleable the Products are.

## PRODUCT CHANGES

Netafim USA reserves the right to redesign, alter, or modify its Products at any time, without notice. Any catalog, design manual, price sheets, and/or other written material are subject to withdrawal or change at any time without prior notice. Possession of the current catalog or price sheets does not constitute an offer to sell.

## PRODUCT INSTALLATION

Unless otherwise agreed by Netafim USA, Netafim USA does not provide advice or assistance in the installation of the Products by the Buyer or any third party.

## BAGGED PRODUCTS

Netafim USA has a number of Products that are packaged and sold in bagged or case quantities. Bagged parts are designated by placing a “-B” at the end of the product number. The quantities have been developed to provide the best value for the most standard quantities ordered and are intended for sale in the quantities listed. Order quantities will be rounded up to the nearest bag or case quantity at Netafim’s discretion. Buyer can verify part numbers and quantities being ordered by using the Netafim Dealer Portal or the Netafim price list. Netafim USA shall not be held liable for the impact of Buyer mistakes in order quantities due to incorrect part numbers or quantities not matching bagged or case quantities.

## ACCEPTANCE

The Buyer acknowledges its responsibility for inspecting all Products shipped by Netafim USA to determine whether said Products are in conformity with Buyer’s order, including whether all Products listed on the packing list have been shipped and whether the shipment contains any damaged Products. The Buyer agrees that fourteen (14) days from receipt of each shipment is a reasonable time in which to perform the inspection and notify Netafim USA of any nonconformity. If Netafim USA has not received a written notice of nonconformity within fourteen (14) days of the Buyer’s receipt of the shipment, the Buyer hereby agrees that the Products shall be deemed to be accepted by the Buyer, as that term is defined by the California Commercial Code. To avoid any doubt, the Buyer’s right to reject the shipment will be terminated. Also, if a written notice of nonconformity is not received within fourteen (14) days of the Buyer’s receipt of the shipment, Netafim USA will be relieved of any obligation concerning the shipment, other than warranty obligations, and the Buyer will pay for the shipment in full. The Buyer shall bear the complete cost of the inspection in all circumstances. The Buyer agrees that Netafim USA will have an opportunity to cure any nonconforming shipment. The Buyer further agrees that, in the event that a notice of nonconformity is received by Netafim USA, the time for Netafim USA’s performance under the Agreement will be extended for a reasonable time to allow Netafim USA to tender conforming Products or make reasonable repairs.

## RETURNS – STANDARD PRODUCTS

No Products may be returned without Netafim USA’s written consent and authorization. Requests to return Products must be made within 120 days of receipt of shipment from Netafim USA and reference the Netafim USA invoice number. Any approved return must be accompanied by a return goods authorization (RGA) issued by Netafim USA, clearly marked on the exterior of the parcel, and shipped freight prepaid within 30 days of the RGA issue date. All Products must be new, in original packaging, and in salable condition. All approved returns may be subject to a restocking fee. Buyer will bear the costs of return freight. Any shipment not meeting these criteria will not be accepted. The intent to return Products does not relieve the Buyer of the obligation to pay for the Products per the terms of the original invoice. Credit will be given only after the authorized return is received and accepted at Netafim.

## RETURNS – NON-STANDARD PRODUCTS

Non-Standard, Make-to-Order, Custom or Special-Order Products may not be eligible for return. Netafim USA may, at its sole discretion, deny the return of such non-standard products. If Netafim USA agrees to the return of such Products, the Products must be new, in original packaging, and in a saleable condition. The repurchase price offered for the return may be discounted 50% or more, based on how saleable the Products are. The intent to return Products does not relieve the Buyer of the obligation to pay for the Products per the terms of the original invoice. Credit will be given after the authorized return is received and accepted by Netafim USA.

# TERMS AND CONDITIONS OF SALE

## RETURN OF DEFECTIVE PRODUCTS

Netafim USA will be responsible for the return shipping of Products that are defective upon arrival, other than Products damaged in transport by the carrier. A Notice of Defect must be received by Netafim USA within fourteen (14) days of Buyer's receipt of said Products. The Buyer agrees that failure to give a Notice of Defect within such time is a waiver of any defect. Prior approval from the Buyer's District Sales Manager and an RGA must accompany all returns. Credit will not be given until the Product has been received by Netafim USA and approved for warranty.

## PARTIAL SHIPMENTS/COMPLETE SHIPMENTS

Netafim USA's goal is to ship Buyer orders complete and within the requested delivery time. Netafim USA may ship orders from any available warehouse, to meet requested delivery dates, unless otherwise specified by the Buyer. Partial shipments may be made at the request of the Buyer, at the sole discretion of Netafim USA. On orders where partial shipments are requested by the Buyer, Netafim USA at its discretion may ship and backorder open items on the order. Netafim may charge additional shipping and handling costs to Buyer incurred by partial shipments of an order.

## DELIVERY PERFORMANCE

Netafim USA will use commercially reasonable efforts to meet the delivery dates, specifications, and quantities set forth in an order confirmation. Netafim USA will not be liable for nonconformity, losses, damages, or delays suffered by the Buyer or any third party for any failure to meet the delivery dates, specifications, and quantities. If Netafim USA cannot meet the delivery date, it will notify the Buyer and use reasonable endeavors to make delivery within a reasonable time. Buyer must accept delivery and pay the Price thereof irrespective of such delay. In the absence of a delivery time set forth in the order confirmation, or subsequently provided by Netafim USA, the delivery date will be within ninety (90) days of the order confirmation.

## STANDARD FREIGHT TERMS

FOB Origin, per the Uniform Commercial Code (UCC) definition. Standard shipping method is Netafim USA's choice of carrier, shipped prepaid and added to the Buyer invoice. Shipments will be made within a one hundred fifty (150) mile radius of an authorized Buyer's store.

## FREIGHT POLICY

In consideration for the Buyer placing orders that meet minimum thresholds, as defined in the Freight Policy Statements (see FREIGHT CHARGES below), Netafim will provide freight allowances that may completely or partially reimburse the cost of freight. Unless otherwise agreed, the allowances will be applied against the cost of Transportation. For the purposes of this policy, "Transportation" is defined as the cost of basic freight plus fuel surcharges, using preferred carriers, with standard trucks (closed box trailer without lift gate), standard loading methods, and no accessorial charges, i.e., Best Method Transportation. Buyer requests for non-standard Transportation that results in additional costs, may be invoiced to the Buyer. Accessorial Services (non-standard services such as Lift Gates, Pallet Jacks, Driver Assist, etc.) may be charged separately on the invoice. If non-standard Transportation or Accessorial Services are billed to the Buyer, "Freight Free" shall mean that Transportation costs only will be fully reimbursed.

## FREIGHT CHARGES

Netafim USA's method for charging freight, including freight allowances and order thresholds, will be communicated separately to Buyers in separate Freight Policy Statements.

## FREIGHT DAMAGES

The Buyer acknowledges that risk of loss during transport is on the Buyer. Netafim USA is not liable for damage or loss occurring during shipment. Claims for such damages must be filed with the freight carrier directly. Freight damage and obvious box or pallet count shortages must be noted on the bill of lading at the time of goods receipt. Failure to do so will forfeit any remedy for such claims.

## EXPORT COMPLIANCE

The "Products" sold or distributed by Netafim (i.e., commodities, technology, or software) when exported from the United States are subject to the Export Administration Regulations ("EAR") administered by the U.S. Department of Commerce. Buyer hereby certifies that it understands its obligations to comply with U.S. export controls and trade sanctions. These include the EAR and the laws and regulations implemented by the U.S. Department of the Treasury, Office of Foreign Assets Control ("OFAC"). Buyer agrees to obtain any necessary authorization to transfer the Products outside the U.S. (and to non-U.S. persons within the U.S.) including to any (i) country/territory, (ii) end-user (i.e., individual or entity), or (iii) end-use subject to U.S. trade/economic sanctions under the EAR or by OFAC. Diversion of the Products by foreign persons contrary to U.S. law is prohibited.

# TERMS AND CONDITIONS OF SALE

## FORCE MAJEURE

Except for any obligation of the Buyer to pay any money due to Netafim USA, neither party will be liable for any delay or failure to perform any obligation hereunder caused by a Force Majeure Event. The Party claiming the Force Majeure Event will (A) promptly notify the other Party in writing of the Force Majeure Event and its likely duration, and (B) will take reasonable steps to overcome the delay or stoppage. "Force Majeure Event" means an event, condition, or circumstance beyond a party's reasonable control including, without limitation: industrial disputes, strikes, lockouts, accident, breakdown, import or export restrictions, acts of God, fire, inclement weather, earthquake, epidemic, or pandemic (including COVID-19 or similar), acts or threats of terrorism, war, criminal acts (including but not limited to cybercrimes), failure of public infrastructure, or other similar circumstances.

## INTELLECTUAL PROPERTY

The Buyer acknowledges that any and all Intellectual Property associated with the Products is exclusively owned by Netafim USA or its affiliates. The Buyer shall not take any action that will impair the ownership and rights of Netafim USA in and to the Intellectual Property. Buyer undertakes that it will not obliterate, remove, conceal, or modify any Intellectual Property appearing on or in any Products, nor will it append any additional marks thereto. The Buyer shall not copy, modify, publish, transmit, transfer, sell, reproduce, create derivative works from, distribute, perform, display, or in any way exploit any of the Intellectual Property. The Buyer may not use Seller's name, logos or trademarks or any other Intellectual Property on any website. "Intellectual Property" shall mean for the purposes herein any patent, copyright, industrial design, trademark, tradename or other industrial or intellectual property right in respect of the Products and applications for any of the foregoing.

## CHANGE OF CONTROL OR OWNERSHIP

Prior to the occurrence of a Change of Control event, the Buyer shall notify Netafim USA in writing at least 14 days prior to the occurrence of such Change of Control. In the event of a Change of Control in Buyer, Netafim USA may, at its sole discretion, terminate the engagement with the Buyer under the Agreement. "Change of Control" means, with respect to the Buyer (i) any merger or consolidation with or into any other entity or any other similar transaction, whether in a single transaction or a series of related transactions, (ii) a transaction or series of related transactions in which 50% or more of Buyer's voting power is transferred to any person or entity, or (iii) the sale or transfer of all or substantial amount of the Buyer's assets.

## COMPLIANCE WITH LAWS, ANTI-CORRUPTION AND BRIBERY

Buyer further represents and warrants to Netafim USA that:

- a. It will conduct itself in accordance with all applicable laws and regulations in carrying out his duties under these Terms.
- b. It and its applicable stakeholders, including, inter alia, any owner, shareholder (direct or beneficial), officer, director, employee, agent, third party representative, subcontractor, contractor, or other individual with any direct or indirect beneficial interest, shall comply with Anti-Corruption Laws (defined below) and shall not cause Netafim USA, its subsidiaries or affiliates to be in violation of any Anti-Corruption Law. "Anti-Corruption Laws" mean collectively all applicable foreign and domestic anti-bribery and anti-corruption laws, regulations, orders, judicial decisions, conventions and international financial institution rules regarding domestic or international corruption, bribery, ethical business conduct, money laundering, political contributions, gifts and gratuities, or lawful expenses to public officials and private persons, agency relationships, commissions, lobbying, books and records, and financial controls.
- c. Neither it nor any of its affiliates or representatives have, directly or indirectly, taken any action that would cause them to be in violation of any Anti-Corruption Laws.
- d. It, its owners, directors, employees and its agents, have not and will not pay, offer, or promise to pay any money, financial benefit or thing of value to any government, or party official, candidate or employee at any level, including employees of state owned or controlled enterprises ("Government Officials") (i) for the purpose of influencing any act or decision of such person or party in order to obtain or retain business, or to direct business to any person; or (ii) with regards to Government Officials and/or private individuals, induce that person to or reward that person not to perform its functions in connection with that person's employment or engagement.

## TERMS AND CONDITIONS OF SALE

e. The Buyer represents and warrants that no owner, shareholder (direct or beneficial), officer, director, employee, agent, third party representative, subcontractor, contractor, or other individual with any direct or indirect beneficial interest in Buyer (collectively, "Interested Persons"), is a Public Official or Entity. A "Public Official or Entity" means (i) an officer, employee, agent, contractor or representative of any government or military, including, but not limited to, a customs official; (ii) any department, agency, corporate entity, instrumentality or political subdivision of any government or military; (iii) any person or commercial entity acting in an official capacity for or on behalf of any government or military; (iv) any candidate for political office, any political party or any official of a political party. Buyer shall notify Netafim USA immediately if it learns at any time that (i) an Interested Person becomes a Public Official or Entity, or (ii) a Public Official or Entity acquires an ownership, voting, or economic interest in Buyer.

f. It is neither a governmental entity, agency, or instrumentality, nor is it owned by a governmental entity, agency, or instrumentality; and no owner, shareholder (direct or beneficial), officer, director, employee, agent, third party representative, subcontractor, contractor, or other individual with any direct or indirect beneficial interest in Buyer is a foreign Public Official or Entity.

g. In the event of a breach of the obligations contained in this clause, the sale under these Terms is void.

h. The Buyer (a) is not a Sanctioned Person, (b) has not, in the past five (5) years engaged in, has any plan or commitment to engage in, direct or indirect dealings with any Sanctioned Person or in any Sanctioned Country, or (c) has in the past five (5) years violated, or engaged in any conduct sanctionable under, any Sanctions Law, nor been the subject of an investigation or allegation of such a violation or sanctionable conduct. The Buyer shall conduct itself in accordance with Sanction Laws for the performance of its obligations under these Terms.

### i. Definitions

i. "Sanctioned Person" means, at any time, (a) any person listed in any sanctions-related list of designated persons maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the U.S. Department of State, or by the United Nations Security Council, the European Union or any European Union member state, (b) any person operating, organized or resident in a Sanctioned Country or (c) any person owned or controlled by any such person or persons described in the foregoing clauses (a) or (b).

## ORDERING GUIDELINES

The Netafim Dealer Portal is the most convenient way to place orders and obtain order status information. The Checkout page of the Netafim Dealer Portal will guide you to enter all required fields. Using the portal provides a greater chance of order accuracy. An accurate order is generally easier and quicker to process.

Use the following guidelines when placing an order by Fax or E-Mail with Netafim USA to ensure all the necessary information is provided.

1. Company Name and Netafim Account Number
2. Name of Person Placing Order and Phone Number
3. Shipping Information  
Name of Company or Individual Job Name or Reference (optional)  
Address (no PO Boxes)      Contact Name and Phone Number (optional for parcels) City, State, Zip Code
4. Purchase Order Number
5. Requested Ship Date  
If the required ship date is not known, provide an approximate date. In the absence of a delivery time set forth in the order confirmation, or subsequently provided by Netafim USA, the delivery date will be within ninety (90) days of the order confirmation. If you have requested a ship date, we will make every effort to target that date and time. If a specific date is given, the order will ship automatically, and you will not receive a call prior to pulling/packing/loading. For truck loads, the driver will call for an appointment. Please let us know if we are required to hold the order until we are notified to ship. Any changes to the original ship date must be communicated to Netafim Customer Service 48 hours prior to shipping. NOTE: Held orders are subject to restrictions and/ or may incur extra fees.
6. Ship Method  
If no preferences are specified, the order will ship best method at Netafim's discretion.
7. Netafim Item or Model Number for Products Needed  
Use the correct item or model number and do not use a number with a different description. Consult the Netafim Dealer Portal or your price list for the appropriate number or call Customer Service for assistance.
8. Specials or Price Quotes  
If any specials or price quotes apply to the order, include this information on the purchase order, or in the appropriate field of the shopping cart of the Netafim Dealer Portal. Special requests can also be added to the order comments section of the Netafim Dealer Portal.
9. Ship Order Complete  
Indicate if the order is to ship complete. If not indicated on the order, ship-complete will be the preferred order fulfillment method, but at Netafim's discretion, partial shipments are allowed.
10. Combining Orders  
If order is to be combined with other orders for shipping, indicate the other order numbers.

## ADDITIONAL GUIDELINES FOR TRUCKLOAD ORDERS

1. Ship to Address or Nearest City  
Is a delivery map required? If yes, map is required 24 hours prior to loading.
2. Provide Requested Delivery Date and Time of Arrival for Delivery Site
3. Provide Contact Name and Phone Number

AC Models include installed Backflush Controller for 110VAC power supply. Solenoids are 24VAC - other voltages available by special order.

Backflush controllers are either 4 or 8 station depending on number of filters.

Maximum operating pressure - 90 psi.

High Pressure Model available for pressures between 91-140 psi.

## Toro Irrigation Division Policies and Procedures

### Orders

Orders must be placed in bag/carton quantities as indicated. Orders that do not meet these criteria will be rounded up to full carton quantities prior to shipment and noted on your order confirmation.

### Minimum Order

\$100.00 Net. This minimum applies to whole goods orders only and not to orders for parts or literature (\$25.00 minimum for parts only).

### Late Charge

All invoices not paid by the net due date will be subject to a service charge of the lesser of 1.5% per month (18% annual percentage rate), or the highest rate then permitted by applicable law.

### Credit Terms

Dating terms, as well as all open account credit terms, are made available to those customers which the company's credit department determines to be credit-worthy. Customers may participate in buying programs or enjoy open account dating terms only as long as such credit-worthiness, as determined by the company, is maintained.

If such credit-worthiness is not maintained, dating terms on future purchases may be revoked, or all outstanding customer obligations under open account shall become immediately due. Either action may be taken at the company's option and upon written notice to the customer. If an unresolved credit issue extends beyond 30 days, open orders may be subject to shipment hold or cancellation.

### Freight Terms

#### **US Standard Orders:**

Surface freight charges for all orders of \$1,200 USD net or higher are pre-paid by The Toro Company. Distributors may combine Toro and Irritrol brand products to meet the minimum pre-paid threshold. A 9% shipping and handling charge will be added to shipments of less than \$1,200 USD net. **Please note:** Authorized Unique Lighting Systems distributors may combine deliveries of irrigation and/or lighting products to meet per-paid freight thresholds.

#### **Canadian Standard Orders:**

Orders for the Canadian marketplace will be pre-assigned a standard weekly ship day, with an ordering cut-off time of 12:00 noon Central Standard Time two days prior. Orders received after this time can either be held until the following week or requested "RUSH" (see next section).

There is a \$3,500 USD net minimum per shipment value in order to receive free freight. A member of the Customer Service Team will notify you on the "cut-off day" if your total outstanding shipment value does not qualify for the free freight minimum. If your order is under the \$3,500 minimum, you will be presented with three options:

1. Ship "as-is", though you will be responsible for freight cost;
2. increase your order size to \$3,500 USD to have it shipped prepaid;
3. postpone shipment until the following week to provide ample time to increase the total order value to \$3,500 USD.

Customer Service must receive an immediate response as to the above-noted options. If no response is received, we will postpone shipment until the following week as the default.

Freight charges for emergency order shipments are to be paid by the Distributor. This includes Next-Day delivery, Second-Day delivery, and any other premium service(s) or other special delivery needs.

### Special Order items

Special Order items may not be returned for any reason.

### Claims for Shortage

All claims for shortage should be made in writing, by fax or phone to our Order Services Department within 30 days of receipt of goods. ***If not reported within 30 days, your claim may be refused.***

### Product Return Policy

Products returned (other than for defects) must be pre-approved by Toro Management. For details, contact your local Toro Regional Sales Manager. A 15% minimum stocking charge will be applied.

### Defective Goods Return Policy

To return defective products, please obtain an RGA by faxing a request to (800) 451-1390, ATTN: RGA. Upon receipt of RGA confirmation, return the product and a copy of the RGA confirmation to the address indicated.

### **Toro Limited Warranty for Irrigation Division Products** *(revised 11/19)*

The Toro Company and its affiliate, Toro Warranty Company, pursuant to an agreement between them, jointly warrants to the owner each new piece of irrigation product (featured in the current catalog at date of installation) against defects in material and workmanship for a period described herein, provided they are used for irrigation purposes under manufacturer's recommended specifications.

During the warranty period, we will repair or replace, at our option, any part found to be defective. Your remedy is limited solely to the replacement or repair of defective parts. This warranty does not apply (i) to Acts of God (e.g., lightning, flooding, etc.) unless specifically listed under the Extended Lightning Protection Warranty provided herein; or (ii) to products not manufactured by Toro when used in conjunction with Toro products; or (iii) where equipment is used or installation is performed in any manner contrary to Toro's specifications and instructions, or where equipment is altered or modified.

Return the defective part to your irrigation contractor or installer, or your local distributor who may be listed in your telephone/web directory under "Irrigation Supplies" or "Sprinkler Systems", or contact The Toro Warranty Company, 5825 Jasmine Street, Riverside, California, 92504, phone (877) 345-8676, for the location of your nearest Toro distributor, or outside the U.S., call (951) 688-9221.

Neither Toro nor Toro Warranty Company is liable for indirect, incidental or consequential damages in connection with the use of equipment, including but not limited to vegetation loss, the cost of substitute equipment or services required during periods of malfunction or resulting non-use, property damage or personal injury resulting from installer's actions, whether negligent or otherwise. Some states do not allow the exclusion of incidental or consequential damages, so this exclusion may not apply to you.

All implied warranties, including those of merchantability and fitness for use, are limited to the duration of this express warranty.

Some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you.

This warranty gives you specific legal rights and you may have other rights, which vary from state to state.

#### **Standard Warranty**

Toro Irrigation Division products are covered by this warranty for a period of two years from the date of installation, except as otherwise noted.

#### **Extended Three-Year Warranty**

The following products are covered by this warranty for three years from date of installation: DDC™WP Series Controllers

#### **Extended Five-Year Warranty**

The following products are covered by this warranty for five years from date of installation: **Fixed Sprays:** 570Z, 570Z LP, 570Z PR and 570Z PRX Series; **Rotors:** T5, T5 RapidSet®, T7, 640, TS90, TS120, TS170, and P2 Series; **Valves:** EZ-Flo Plus, TPV, P-220 and 220 Brass Series; **Controllers:** Evolution®, TMC-424E, Custom Command and TDC Series, AC and DC Decoders; **Sensors & Accessories:** TWRS Wireless RainSensor™ Series (receiver and transmitter), Smart Connect®, EVO-WS, EVO-AR, EVO-HH, and SMRT-T

#### **Landscape Drip Warranty**

Warranty period from date of delivery:

DL2000™ Series Dripline – Emitters (2 years), Hose (5 years, pro-rated), ROOTGUARD (7 years)

Drip In® Series Dripline – Emitters (2 years), Hose (5 years, pro-rated)

Blue Stripe® Hose – 7 years, pro-rated

Fittings (all) – 1 year

Emission Devices – N.G.E. Emitters (2 years), All other emitters (1 year)

Filters and related Components – 1 year

Other Accessories – 1 year

#### **Grounding**

The Toro Warranty for Irrigation Controllers is void if controller is not properly grounded per instruction manual. A good ground source is a mandatory component of overall surge protection for Toro Irrigation Control Systems. Grounding electrode(s) should be placed at each automatic controller or controller group locations. The resistance to the grounding electrode should not exceed 10 Ohms when measured with a Megger Earth Resistance Testing instrument or equivalent. It is the responsibility of the installer to connect all electronic irrigation equipment for which he is responsible to earth ground in accordance with Article 250 of the National Electrical Code (NEC). Even with optimum grounding, neither Toro nor Toro Warranty Company are liable for product failures due to acts of God (i.e., lightning, flooding, etc.), and these failures are not covered by warranty.

**CONDITIONS OF SALE**

Whole Goods and Repair Parts Price List

*Effective November 1, 2022*

---

**Conditions of Sale to Authorized Distributors**

**Price** - All prices are in effect as of the published date hereon, but are subject to change without notice. Company shall provide advance notice of price changes whenever possible, otherwise accepted orders will be invoiced at prices in effect on date of receipt of order. Company assumes no liability for the reduction of prices insofar as the customer’s inventory of affected parts or products is concerned.

**Terms** - Buyer shall pay seller interest on all past due invoice amounts at a rate equal to the lesser of 18% per annum or highest rate allowed by law. Minimum invoice amount will be \$100.00. Does not include parts or service. Terms applying to Export Sales will be quoted on request.

**Carton-Quantity Orders** - Orders must be placed in multiples of “shipping unit” quantities. Standard carton and bag quantities have been established as minimum order amounts on a number of items. See “shipping unit” column in this price list.

**Shortages** - Any claims for shortages must be made immediately upon receipt of merchandise. Shortage claims will be invalid unless entered in writing within 10 days of invoice date.

**Freight** - All shipments will be F.O.B. Company’s plant at Garland, Texas, or F.O.B. other shipping points if supplied by other manufacturers. Customer will handle all claims for shortages or damages in transit with the carrier. If a claim for freight allowance is in order, said claim must be supported by a paid freight bill. The cost applying to export shipments will be quoted on request.

**Transportation Claims** - Upon receipt by the consignee, shipments must be inspected for shortages or damage before acceptance from carrier. In event of loss and/or damage, notation should be made on carrier receipt. Immediate claim should be entered against the carrier. In no case will Company be liable in any manner for shortages and/or damage caused to a shipment by the common carrier.

**Defective Goods Returns** - Defective goods may be returned only after receiving an authorization number from the Customer Care department. Defective returned goods will be repaired or replaced at Weathermatic’s option.

**Inventory Return Requests** - Goods may be returned only after receiving an authorization number from the Customer Care department. To be considered for return, goods must have been purchased within one (1) year of request for return and be of current vintage, in case quantity and in new, resellable condition. A 20% restocking fee will apply to all inventory returns.

**Cancellations** - When placing special equipment orders or large quantity orders for future release, customer agrees to the following terms in case of cancellation of all or any portion of the order:

1. Customer will accept delivery of all goods when ready for shipment or for which Weathermatic is committed to accept raw materials.
2. In the event of special price quotations, customer agrees to accept a unit price adjustment on the uncanceled balance of the order if applicable.
3. When cancellation results in excess inventories of regular production items, customer will pay a cancellation charge or will accept that portion of the order required to alleviate the over- inventory situation as determined by Weathermatic.

**Limited Warranty** - For complete information on Weathermatic’s warranty policy see the current Product Line Catalog.

Conditions of sale and instructions for return of goods for replacement or credit apply to authorized Weathermatic Distributors.  
All returned goods must be given to an authorized distributor for return to the factory.

**The Irrigation Professional’s Protection Package from Weathermatic:**

No hassles. No questions. Over-the-counter exchange.

- 10 Years**            Black Max and Bronze Bullet Series valves and S24B solenoids
- 5 Years**            Golf Rotors, Internal Assemblies, Spray equipment, nozzles, Quick Coupling Valves, Silver Bullet HP Series Valves and S20P solenoids
- 2 Years**            SoloRain, Nitro Series Valves; SmartLine® and SmartLink products and all other catalogued products not specifically listed, or under the 5 or 10 year extended warranties. ProLine and SmartLine controllers, SLW weather stations and SmartLink products are covered under warranty for lightning damage.

All trade warranties are effective from the date code. The trade warranties extend only to the original professional installer of the Weathermatic products and do not extend to repairs, replacements or adjustments of Weathermatic products due to misuse, negligence, alteration, modification, tampering or improper installation and maintenance of the product and/or system. Contact your local Weathermatic authorized distributor for all warranty claims. Weathermatic's sole obligation is to repair or replace its products found to have defects in material or workmanship.

***There are no other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. Weathermatic will not be liable to any party in strict liability, tort, contract or any other manner for damages caused or claimed to be caused as a result of any design or defect in Weathermatic’s products, or any special incidental or consequential damages of any nature.***

**PRODUCT CHANGES**

Weathermatic reserves the right to alter, modify or redesign its products, pricing and warranty at all times without creating any liability for the obsolescence of customer inventory of such parts or products.

**ASAE CERTIFICATION STATEMENT**

Weathermatic certifies that pressure, flow rate and radius data for these products were determined and listed in accordance with ASAE Standard S398.1, Procedure for Testing and Performance Reporting, and are representative of performance of production sprinklers at the time of publication. Actual product performance may differ from the published specifications due to normal manufacturing variations and sample selection.

**GOVERNING LAW**

The rights and obligations of the parties hereto, and any claims or disputes thereto, shall be governed by and construed in accordance with the laws of the State of Texas without reference to conflict of law principles.
