

## **No Parking Proposed for McCormick Street**

**October 21, 2016**

The current level of on-street parking on McCormick Street between Underwood Street and Margie Street has become a concern of public safety. On-street parking on the east and west side of McCormick Street has impaired the mobility of public safety vehicles needing to access McCormick.

As a property owner or resident on or adjacent to McCormick Street, City of Denton officials want to ensure you have the opportunity to participate in the discussion regarding on-street parking on McCormick. The Denton Traffic Safety Commission encourages your participation in the consideration of this issue as part of their November meeting.
