Name	Address	Agenda Item	Position	Method	Comments
Adam Adams	10046 FM 2153, Aubrey, 76227	CA25-0001	Opposed	In Person	Please see video for comment.
Amanda Conway	Denton	CA25-0001	Opposed	In Person	Please see video for comment.
Ann Woodbridge	76208	CA25-0001	Opposed	eComment	All three of the Craver Ranch proposals are not in the best interests of current and future Denton residents. There are numerous issues, but the traffic issue is considerable and not addressed in any meaningful way by the developer. The requested amendments to the Comprehensive Plan are without merit and subvert the intent of a Plan which is supported by the residents. The proposals are a prime example of leapfrog zoning where developers try to go for piecemeal zoning changes. Please deny them all
Bryan Denny	8684 FM 2153, Aubrey, 76227	CA25-0001	Opposed	In Person	Please see video for comment.
Lauren Gulrich Bonenberger	76208	CA25-0001	Opposed	eComment	The type of density proposed violates the 2040 Comprehensive Plan for this rural area. Rezoning to a PD (Planned Development) from RR (Rural Residential) would violate the Future Land Use Map's Agriculture designation. The traffic this will create will surely increase the already noticeable increase of vehicle related accidents that Denton has seen in the last few years. Do not approve this!
Liam Gaumo-Cakefield	411 Ponder Ave, Denton, 76201	CA25-0001	Opposed	In Person	Please see video for comment.
Lisa Mossi	4902 Burger Rd, Aubrey, Texas 76227	CA25-0001	Opposed	eComment	I believe these changes are not in the best interest of our community and could have lasting negative impacts on our environment, infrastructure, and overall quality of life. I respectfully urge you to deny the requests submitted by the Craver Ranch developers and instead uphold the principles and priorities outlined in the 2040 Comprehensive Plan. This plan offers a thoughtful and sustainable framework for managing the inevitable growth facing our community.
Mike Mossi	4902 Burger Rd, Aubrey, TX 76227	CA25-0001	Opposed	eComment	I respectfully request that you reject the proposals put forth by the Craver Ranch developers and instead honor the values and objectives established in the 2040 Comprehensive Plan. This plan provides a well-considered and forward-thinking approach to guiding our community's growth, and it should be implemented with both integrity and long-term vision.
Olivia Lilley	1630 Shepard Rd, Aubrey, 76227	CA25-0001	Opposed	In Person	Please see video for comment.
Patricia Adams	10046 FM 2153, Aubrey, 76227	CA25-0001	Opposed	In Person	Please see video for comment.
Stephanie Crowe	4722 PEBBLE CREEK DR, AUBREY, TX 76227	CA25-0001	Opposed	eComment	In no way does this proposal comply with the community-supported Comprehensive Plan nor do they merit the proposed amendments. The roads and traffic issues have not been satisfactorily thought out for access and public safety. Please deny all three proposals.
Suzanne Fulton	4499 Old Thmas Road Denton	CA25-0001	Opposed	eComment	I oppose this amendment to the 2040 plan. Our rural community needs protection from sprawling projects like these. There are currently several large projects in and around the area with no infrastructure to support them. We need to step back and stick to the current plans in place and not always change them with the promise of tax revenue. This project will increase current home owners taxes and hurt the current rural community. It is time to take a step back and plan or stick to the plan.

Tania Steinbruegge	76266	CA25-0001	Opposed	eComment	As a homeowner whose back yard borders the proposed development, I was never notified about the public meetings the law firm mentioned. We moved from the Dallas suburbs last year to escape this kind of growth and chose this area because plans showed it would stay rural. Our view is cows, trees, and open fields, and we want to keep this peaceful landscape. I'm asking the city to protect the natural character that drew us here and ensure long-range plans don't shift every few years.

Tania Steinbruegge	76266	PD25-0003	Opposed	eComment	I oppose rezoning this area from rural residential to planned development. I moved here from the Dallas suburbs last year and bought an existing home because the 2040 plan showed this land staying rural. This setting supports wildlife, cleaner air, quiet roads, and a strong sense of community. Rezoning would erode those benefits and shift the area toward dense growth we came here to avoid. Please keep this land rural.
Tania Steinbruegge	4902 Burger Rd, Aubrey, Texas 76227	PD25-0003	Opposed	eComment	This area's rapid growth already overloads 2164 and 2153, with delays rising daily. A simple left turn from Milan onto 2164 during rush hour shows how strained these roads are. Approving Craver Ranch will worsen unsafe congestion. I urge the city to deny the amendment and reject all three Craver Ranch developer requests to protect residents and uphold the current mobility and comprehensive plans.
