AGENDA INFORMATION SHEET

DEPARTMENT: Procurement
ACM: Christine Taylor
DATE: July 15, 2025

SUBJECT

Consider adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, rejecting any and all competitive proposals under RFP 8504 for Enterprise Land Management software for the Technology Services Department; and providing an effective date (RFP 8504).

INFORMATION/BACKGROUND

The City of Denton conducted an RFP to request proposals from multiple vendors to replace the City's Enterprise Land Management (ELM) software. As outlined in the June 17, 2025 budget work session, the City of Denton is projecting a General Fund budget deficit in the current and upcoming fiscal year. Due to this projection, a change in organizational priorities and a reduction in discretionary spending are necessary. This project is being paused temporarily and will be re-evaluated at a later date. The current system is stable for the next few years and will be re-evaluated as part of the budget process moving forward.

In accordance with the Local Government Code 252.043, the City Council may reject any and all proposals.

RECOMMENDATION

Staff recommends the rejection of all proposals for the ELM replacement (RFP 8504).
