## AGENDA INFORMATION SHEET

**DEPARTMENT:** Department of Development Services

**DCM:** Cassey Ogden

**DATE:** February 11, 2026

### **SUBJECT**

Hold a public hearing and consider making a recommendation to City Council regarding a request for a Specific Use Permit (SUP) to allow for an Outdoor Storage use on approximately 4.95 acres of land, approximately located on the west side of Interstate Highway 35 West, 287 feet north of Metro Street in the City of Denton, Denton County, Texas. (S25-0014, Bryce Van Arsdale)

### **BACKGROUND**

The applicant, Gregg Madsen of Wier & Associates, on behalf of the property owner, Lattimore Materials Corporation, has submitted a request for a Specific Use Permit (SUP) to allow for Outdoor Storage use on approximately 4.95 acres of land within the Light Industrial zoning district.

Outdoor Storage as a principal use is defined in the Denton Development Code (DDC) as follows: “As a principal use, a property or area used for the long term (more than 24 hours) storage of materials, merchandise, products, stock, supplies, machines, operable motor vehicles, equipment, manufacturing materials, or other items not kept within a structure having at least four walls and a roof. New or used motor vehicles sales and leasing display and parking, and outdoor sales and display and parking areas shall not be defined as outdoor storage. Automotive wrecking service, impound lot, junkyard, or salvage yard shall not be defined as outdoor storage.”

The proposed development, Lot 4 Lattimore Industrial Park Outdoor Storage, will be utilized as a parking lot for fleet vehicles and equipment. No development meeting the tier 1 or tier 2 thresholds has been proposed at this time.

The subject property is currently operating as a parking lot for the adjacent Concrete Batch Plant. The purpose of this SUP request is to separate the subject property from the Concrete Batch Plant to operate as independent Outdoor Storage. The surrounding area is made up of Light Industrial uses to the north, west, and south, while the property to the east is undeveloped.

A full analysis of this request is provided as Exhibit 2.

All other changes shall require a Specific Use Permit amendment in accordance with the Denton Development Code.
2. The City reserves the right to require approval by ordinance of any amendments or alterations to the SUP, the attached site plan, and the attached landscape plan. The attached site plan and landscape plan are incorporated as requirements of the SUP.
