DATE: November 18, 2025

SUBJECT

Consider approval of a resolution of the City of Denton establishing the 2026 City Council meeting schedule; and providing an effective date.

BACKGROUND

Article II, Section 2.05 (a) of the Charter, in part, states "...the council shall meet regularly at city hall at such times as may be prescribed by its rules but not less frequently than once each calendar month. Special called meetings may be held from time to time at city hall or other locations accessible to the public." Article II, Section 2-29(d) of Subpart A of the Code of Ordinances defines when and where regular meetings must be held, and when regular meetings are not permitted to be held. Section 2-29(d) further defines additional types of meetings permitted including special meetings, workshop meetings, luncheon meeting, and emergency meetings, as well as the parameters of how and when each of those meetings may be held. After due consideration, the proposed schedule is in compliance with both the Charter and the Code requirements and is in the best interest of the conduct of City business and the best interest the public.
