Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

This document serves as the City of Denton's 2026 Action Plan for the Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME). In accordance with 24 CFR Part 91.220 of Title I of the Housing and Community Development Act of 1974, as amended, the City of Denton is required to submit a One-Year Action Plan to the U.S. Department of Housing and Urban Development. The plan outlines the specific projects and services that will be funded during the 2026-27 program year (October 1, 2026, through September 30, 2027) to address Denton's strategies stated in the 2023-2027 Consolidated Plan for Housing and Community Development. The 2026 Action Plan covers the fourth year of Denton's current 2023-2027 Consolidated Plan for housing and community development.

The City of Denton is currently an entitlement city for the Community Development Block Grant (CDBG) Program and a participating jurisdiction for the HOME Investment Partnership (HOME) Program. SF-424 applications and certifications for CDBG and HOME are available in the appendix section (ATTACHMENT 1). Also, included in the appendix are the HUD assurances and certifications.

The City of Denton's total federal and program income funding for 2026 is \$1,734,810.33 (including \$103,243.28 in CDBG Reprogrammed Funds and \$4,000 in CDBG estimated program income).

A total of \$1,457,958.33 in CDBG and HOME funds were allocated to eligible projects. The amount requested and eligible for HOME funds was less than the amount available, so \$187,946.05 is available as unprogrammed funds. The unprogrammed funds will be allocated through a substantial amendment process required by HUD.

Most of the 2026 CDBG and HOME activities will meet the HUD national objectives of benefitting low and moderate-income persons, except for administration activities. The table below provides a summary of the categories for benefitting low and moderate-income persons and the percentage of total funding available in the 2026-27 program year. A total of 82% of all CDBG funds and 51% of all HOME funds have been allocated to low and moderate-income activities. This percentage for the HOME grant will increase to 90% when the unprogrammed funds are allocated to eligible HOME projects.

AMENDMENTS:

The City of Denton is amending the following Action Plans:

- a) The 2021 Action Plan to reallocate \$25,057.82 in CDBG funds. The minor amendment would reallocate the balance from the Homebuyer Assistance Program to the Minor Repair Program.
- b) The 2024 Action Plan to reallocate \$78,185.46 in CDBG funds. The minor amendment would reallocate the Balance from the Carl Young Park Trail Project to the Minor Repair Program.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Citizen participation and stakeholder consultation are a key component to our City's Action Plan. Community Services took the following measures to encourage citizen participation throughout the year and additional information and supporting documentation is available in the appendix (Attachment 2):

- **Strategic Partnerships and Collaborations.** The City of Denton has a very strong network of service providers including those providing housing, education, health care and other needed services. The City engages in ongoing active participation in various boards, coalitions, and committees with a commitment to building and maintaining strong collaborative relationships with community partners and interest groups. The City obtains real-time data on community needs from active, participating members of the community including representatives from organizations providing public services, community residents and engaged stakeholders. Over the past five years, the United Way of Denton County, the City of Denton, the Denton Independent School District, and other organizations have joined together to review and discuss the provision of services in the Denton area to maximize the benefits derived from available resources.
- **Online Survey.** Web-based surveys are an effective means to complement paper-based or other traditional methods of data collection. Using web-based surveys allows us to reach a greater proportion of the population because they are easily distributed and reach people who rely exclusively on electronic media for news and information. The City collected surveys from October 1, 2025, through October 31, 2025, which generated 313 responses in total. The survey questions focused on housing and community development needs. Community Development utilized social media and solicited City Council, community partners (nonprofits, boards, coalitions, committees), and various city departments and housing providers to assist in distributing the survey across the community. Paper surveys were also made available upon request.
- **Funding Workshop.** The City hosted a Funding Priority Workshop on October 28, 2025, at 6 p.m. at the North Branch Library (3020 N. Locust St. Denton, TX 76209) to provide an update on current funding initiatives and obtain feedback from the community for the prioritization of funds. The workshop was promoted via email listserv, social media, the City's website, flyers posted in city facilities, and newspaper ad. Spanish translations were available. Staff made a presentation to review funds and annual performance and solicited comments on how federal funds should be utilized in the community. For a summary of public comments, see ATTACHMENT 2.
- **Public Comment Period.** A draft of the 2026 Annual Plan was placed on public display for 30 days beginning from May 25, 2026, to June 23, 2026. Posted an advertisement in the Denton Record Chronicle. Posted draft plan on the City's website. Solicited comments through Constant Contact, social media, the City's website, flyers posted in city facilities, information circulated on the local Denton Television channel, and a newspaper ad.
- **Public Hearing.** Conducted a final public hearing on June 16, 2026, during the City Council Meeting Regular Session to obtain comments on the proposed use of funds for 2026 Action Plan. The public hearing was promoted through Constant Contact email blast, social media, a webform on the City's

website, the City's local television channel, and an ad in the local paper. Spanish translations were available. See ATTACHMENT 2 for Comments.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

A summary of public comments received during the funding workshop, public hearing, results of the public survey, and during the 30-day comment period are available in attachment 2. The appendix also includes supporting documentation on the outreach methods (ATTACHMENT 2).

6. Summary of comments or views not accepted and the reasons for not accepting them

City Council, staff and the Community Services Advisory Committee (CSAC), an advisory council composed of Denton residents appointed by City Council, considered all public comments informing the development of the 2026 Action Plan.

7. Summary

The 2026 Action Plan was developed by requesting public input regarding the use of federal funds. Housing, Public Facility, and Human Services funding applications were released November 24, 2025. Application training was provided by the Community Services Staff on the combined community development funding application December 9, 2025. The CSAC reviewed and scored applications in February and March 2026, and the committee developed a set of funding recommendations May 8, 2026. The 2026 Action Plan was developed based on the CSAC recommendations.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The City of Denton encourages the participation of all citizens in the development of the Consolidated and Action Plans and in the review of progress in implementing planned activities. The City of Denton utilizes a variety of methods to consult with residents, social service providers, and community development organizations, to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The participation process for the Consolidated Plan included public hearings, a 30-day public comment period, a community survey for citizens and non-profit agencies, participating in coalitions and committees including focus groups, consultation with various city departments, and consultation with housing providers.

The City particularly encouraged involvement by low- and moderate-income households residing in areas targeted for program activities as required by the Citizen Participation Plan. Special efforts are made to assure that low- and moderate-income persons, households in areas assisted by program activities, and persons with special needs have opportunities to participate.

The City enhances coordination between public and assisted housing providers and private and governmental health, mental health and service agencies by holding public meetings, utilizing public comment periods; administering community surveys accessible online and in print for citizens and non-profit agencies, through active participation in coalitions and committees, by maintaining ongoing consultation with various city departments; and ongoing consultation with housing providers including nonprofits and the Denton Housing Authority.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Continuum of Care (CoC) sets priorities for housing and supportive services to benefit people experiencing homelessness and people at risk of homelessness. The City actively participates in the Balance of State CoC and the local homeless coalition, the Denton County Homeless Coalition.

This collaboration supports developing the framework for local housing focused on strategies for making homelessness rare, brief, and nonrecurring. The collaboration (consultation) with the CoC has led to full

implementation of Denton's Coordinated Entry System (CE), offering a centralized, community-wide coordinated system of prioritizing and moving people experiencing homelessness to permanent housing. CE data is collected and shared safely between service providers and allows our local system to quickly identify, assess, and refer unhoused folks to housing assistance and supportive services that promote housing stability based on their level of need and special population prioritization status (Veterans, Chronically Homeless, and Victims of Domestic Violence). Deidentified data on the CE is analyzed and disseminated through a dashboard provided to the public:
<https://www.unitedwaydenton.org/homelessness-data-denton-county>.

Working in collaboration and in support of the identified priorities, CoC grants are awarded locally to provide housing and supportive services. In Denton, these funds support permanent supportive housing projects, support for Coordinated Entry/HMIS, and Rapid Re-housing so individuals and families can transition out of homelessness into permanent housing.

Coordination with the Continuum of Care offers entities expanded access to funding, quality collaborative tools, and greater knowledge of resources. Coordination with the CoC offers several benefits to the City of Denton and the CoC. Collaboration includes improved data collection and better management of available resources by improving the Homeless Management Information System (HMIS). The City invests public funds for HMIS, including assistance with licenses and funding for a staff position at the United Way of Denton County for HMIS/Coordinated Entry support in Denton. CoC collaboration improves the relevance of data collected through the annual Point-in-Time (PIT) homeless count and annual Housing Inventory Count (HIC). In consultation with the CoC, the City of Denton staff work with private partners and neighboring entitlement communities to implement the PIT and HIC collaboratively across Denton County.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

ESG consultation is not applicable since Denton does not receive ESG funds from HUD as an annual entitlement. However, Texas Department of Housing and Community Affairs (TDHCA) does manage the local competition for the State Entitlement ESG funds.

1. Summary of citizen participation process/Efforts made to broaden citizen participation. Summarize citizen participation process and how it impacted goal-setting

The City of Denton utilizes a variety of methods to encourage ongoing participation from residents, social service providers and community development organizations. To broaden the citizen participation process during the 2026 Action Plan, residents were able to access a brief survey regarding the use of CDBG, HOME, and other funding targeted to assist low and moderate-income individuals and households. The survey was promoted via email listserv, social media, the City's website, flyers posted in libraries and recreation centers and an ad in the local paper. The survey was available October 2025, and the City received three-hundred thirteen responses (313). A summary of survey results is in the appendix (ATTACHMENT 2). The opportunity for residents to provide comments and ideas without attending a public hearing gave staff additional information on existing programs and what can be done to improve services. In the online survey, the top three needs in each category of housing assistance, infrastructure, and special populations that respondents stated the City should fund are as follows:

- Affordable Housing: Repair homes for low-income homeowners (81%); Provide housing for groups with limited access to resources (66%); and homebuyer assistance (59%)
- Making Homelessness Rare, Brief, and Nonrecurring: Improved mental health services (63%); Rental assistance to prevent evictions (47%); and job training and employment services (45%)
- Public Services: Health and mental health services (80%), affordable childcare (75%), and transportation services (52%)
- Public Improvements and Infrastructure Needs: Improve roads and sidewalks (81%); Improve accessibility (53%); and improve parks and recreation facilities (53%)

This Action Plan includes CDBG and HOME funds for many of the top needs that respondents stated that the City should fund, such as affordable housing, reducing and/or eliminating homelessness, childcare centers and services, health services, and transportation assistance. The city continues to allocate General Funds to also assist with the top needs such as services for neglected/abused children, health services, mental health, and homeless initiatives.

Table 12 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City's approach to prioritization of needs identified in the Consolidated Plan was the result of enhanced coordination between public and private partners and through organized citizen participation activities. (SP-25).

Allocations are based on needs analysis, the purpose and eligibility of Consolidated Plan funds, and the availability of City General Funds to meet a wide variety of needs. As identified in the City's Consolidated Plan, funding allocation is prioritized for projects that address economic stability, education access and quality, health care access and quality, neighborhood and built environment, and social and community context that affect a wide range of health, functioning, and quality-of-life outcomes and risks. The City of Denton's CDBG and HOME allocations have not been sufficient to allow for the funding of extensive housing, economic development or public works projects. For the City's priority goals related to Affordable housing; Making Homelessness Rare, Brief and Nonrecurring; Public Services; Public facility and public improvement projects; each are prioritized by identified need and funding is allocated based on available funding and eligibility of projects.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Denton's CDBG and HOME allocations have not been sufficient to allow for the funding of large or extensive housing, economic development or public works projects. Geographic standards do not apply to city-wide home repair, homebuyer assistance, and public services grant programs.

As required by CDBG guidelines, public facilities and public improvement projects have been completed in residential areas meeting HUD's low to moderate-income standards. All investments in public facilities and/or public improvements are based on requests received from residents of the low to moderate-income block groups and other areas of the city. After a request has been made, an assessment is made to determine the need for improvement and the project cost. With support of staff recommendation on the appropriate use of CDBG funds and available projects eligible under the CDBG allocation, the City's Community Services Advisory Committee evaluates which requests meet the community development needs and make recommendations to City Council.

Discussion

As a requirement to receive federal funding from the U.S. Department of Housing and Urban Development (HUD), the City of Denton Community Services Department prepares and submits a five-year Consolidated Plan (ConPlan) and an annual Action Plan. The annual Action Plan outlines how federal Community Development Block Grant funds, HOME funds and other federal and non-federal program funds will be used by the City in the upcoming fiscal year.

As our community continues to grow, the City of Denton is committed to fostering **diverse housing options** and **opportunities for everyone in Denton**. City Council has prioritized fostering economic opportunity and affordability. As part of this effort, the City has prioritized supporting affordable housing as outlined in the Denton's Housing Plan (Affordable Housing Strategic Toolkit), as well as other strategic planning documents, such as the Consolidated Plan for Housing and Community Development and Denton 2040 Plan.

City Council adopted Denton’s Housing Plan on February 15, 2022. The plan outlines five recommended strategies with targeted activities to deliver housing interventions.

The City has recently implemented the following strategies to address housing affordability:

- Passed a “Missing Middle Housing’ Amendment to the Denton Development Code, making Townhomes and Accessory Dwelling Units easier to build within City limits.
- Implemented and refined a zoning-based affordability incentive program.
- Revised the Housing Tax Credit Request for Resolution policy to prioritize homes that are Affordable for Denton, meaning below our naturally occurring market rate.

Discussion

The Housing Crisis Response System (HCRS) is the City's coordinated approach to addressing homelessness by identifying individuals in need, preventing homelessness, and quickly connecting people with housing and necessary services. While the 2026 Action Plan for HUD focuses on CDBG and HOME funds, the City also invests general fund resources to enhance the HCRS, aiming to make homelessness rare, brief, and nonrecurring. All resource sources are detailed above.

AP-75 Barriers to affordable housing – 91.220(j)

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City of Denton will utilize recapture for homebuyers for the HOME program including any projects funded with HOME Program Income (PI). The policy provides guidelines that will be used for recapture of HOME funds when used for homebuyer activities under the Homebuyer Assistance Program as required in 24 CFR 92.254.

All homebuyers sign a HOME agreement with the City, detailing the affordability period and recapture provisions based on any HOME subsidy provided. If a homebuyer sells the property during the affordability period, a portion of the net sales proceeds must be returned to the City of Denton. The amount subject to recapture decreases over time based on how long the homebuyer has resided in the home. Repayment is capped at the subsidy given for closing costs and is limited to the net proceeds from the sale, which includes the sales price minus the first lien and seller-paid closing costs, and covers brokers' commissions, reasonable attorney fees, and any applicable transfer or recording fees.

In cases of a sale, short sale, or foreclosure, the recaptured amount is limited to the available net sales proceeds. If there aren't sufficient funds, the City may recapture less than the total due. Recapture mechanisms are documented with a promissory note and deed of trust that specify the affordability period.

Repayment is capped at the subsidy given for closing costs and is limited to the net proceeds from the sale, which includes the sales price minus the first lien and seller-paid closing costs, and covers brokers' commissions, reasonable attorney fees, and any applicable transfer or recording fees.

In all cases, the amount to be repaid is the subsidy provided directly to or on behalf of the homebuyer for closing costs and is limited to the net proceeds of the sale, which is defined as the sales price minus the first lien and seller paid closing costs and includes only the following items to the extent actually incurred: brokers commission, reasonable attorney fees, and any transfer tax or recording fee payable by the seller.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Federal assistance will be provided in the form of a 0% interest, forgivable deferred payment loan (DPL) and will be secured by a HOME Written Agreement, fully executed and dated by all applicable parties and a Promissory Note and Deed of Trust. The Deed of Trust is recorded in the Real Property Records of Denton County.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City of Denton does not currently use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds.

5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).

The City of Denton currently does not fund an activity utilizing 2026 HOME funds for TBRA activities.

6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).

The City of Denton currently does not fund an activity utilizing 2026 HOME funds for TBRA activities.

7. If applicable, a description of any preference or limitation for rental housing projects. (See 24 CFR 92.253(d)(3) and CFR 91.220(l)(2)(vii)). 2026-2027 City of Denton Community Development Funding Priority Survey Results

2026-2027 Community Development Funding Priority Survey Overview

Each year, the City of Denton receives federal funds from the U.S. Department of Housing and Urban Development (HUD) for community development, housing, and public services for low and moderate-income persons. The City of Denton conducts an annual survey to gather resident feedback regarding community priorities for housing and community development needs. The Community Services Advisory Committee utilizes this feedback to evaluate and recommend organizations for funding through the City of Denton's Community Development Grant Program.

In October 2025 the Community Services Department conducted a 14- question Funding Priority Survey via Survey Methods for the 2026-2027 Funding Program Year. Community members were notified of the survey via email, social media, the City's website, and the Denton Record Chronicle. There were 313 responses to the survey.

Respondents were asked to rank the needs in program areas identified in the City's 2023-2027 Consolidated Plan for Housing and Community Development: Affordable Housing, Homelessness, Public Services, Public Facilities in order of priority, with 1 being the highest priority or most important. This year the survey also gathered feedback on how residents prefer to receive feedback on community development activities, and common ways to seek or refer neighbors to local resources.

The priorities for each program area were captured using 3 metrics; average ranking, the raw number and the percentage in which the need was selected as a top 3 of priority by respondents. For example, in question one; "Affordable Housing: Please rank the following Affordable Housing needs in the City of Denton in order of priority, with 1 being the highest priority."; "Repair homes for low-income homeowners" received an average ranking of 2.61 and was selected as a top 3 priority by 252 out of 310 respondents or 81.29%, essentially making it the top priority related to affordable housing. This was followed by "Provide housing for groups with limited access to resources" with a 2.61 Ranking Average and top 3 selections by 204 out of 310 respondents or 65.80% and "Help residents buy their first home" with a 2.86 Ranking Average and top 3 selections by 184 out of 310 respondents or 59.35%, representing the second and third priorities related to affordable housing.

This report provides a summary of the survey results. Questions or comments may be submitted to the Community Services department via email (CommunityDevelopment@CityofDenton.com) or phone (940) 349-7726.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) _____ [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.
