#### AGENDA INFORMATION SHEET

**DEPARTMENT:** Economic Development

**ACM:** Christine Taylor

**DATE:** November 18, 2025

#### **SUBJECT**

Consider adoption of an ordinance of the City of Denton adopting an updated Downtown Reinvestment Grant Program Policy for the Downtown Reinvestment Grant Program; providing a repealer; and providing an effective date. The Downtown Tax Increment Reinvestment Zone 1 Board recommends approval (6 – 0).

# **BACKGROUND**

In 2024, the City Council adopted Ordinance No. 24-2390, approving an Amended Project and Financing Plan for the TIRZ 1 to expand the TIRZ 1 boundary as recommended by the Downtown Master Plan. The expanded boundaries include parcels to the north, west, and south of the existing boundaries, focused on parcels that are primarily used for commercial purposes or vacant, Public Rights-of-Way and areas zoned as Mixed-Use Neighborhood or Mixed-Use Downtown Core. The expanded boundaries include these parcels and will give TIRZ 1 additional opportunities to capture tax increment that could be used to fund TIRZ 1 projects in the future.

The new boundary has a 2024 base value (TIRZ 1A). Only the future increment accrues to the TIRZ, and any base value revenue goes toward the general fund.

TIRZ 1A projected costs include increased economic development grants, administrative costs, parks and recreation facilities and improvements, street and intersection improvements, transit/parking improvement and infrastructure improvements for a total of \$50,233,426.

The City is the only participating taxing entity in the TIRZ 1.

The existing Downtown Reinvestment Grant Policy included the original boundaries for the TIRZ. The proposed amended policy includes TIRZ 1A boundaries.
