In return for the benefits received by the City pursuant to this Agreement, the City shall pay to the District an amount equal to fifty percent (50%) of the Sales and Use Tax Revenues paid to the City as reflected in sales tax reports provided by the Comptroller to the City to be used for any lawful purpose of the District. All amounts payable to the District are hereafter referred to as the "District Share." 5.2 Assumption of District Duties. Prior to the full purpose annexation conversion date, the District remains authorized to exercise all powers and functions of a municipal utility district provided by existing law or any amendments or additions thereto.
