THE STATE OF TEXAS COUNTY OF DENTON

JOINT ELECTION AGREEMENT AND CONTRACT FOR ELECTION SERVICES

This CONTRACT for election services is made by and between the Denton County Elections Administrator and the following political subdivisions, herein referred to as “participating authority or participating authorities” located entirely or partially inside the boundaries of Denton County:

Participating Authorities:

This contract is made pursuant to Texas Election Code Sections 31.092 and 271.002 and Texas Education Code Section 11.0581 for a joint May 2, 2026 election to be administered by Frank Phillips, Denton County Elections Administrator, hereinafter referred to as “Elections Administrator.”

RECITALS

Each participating authority listed above plans to hold a General or Special Election on May 2, 2026.

The County owns the Hart InterCivic Verity Voting System, which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The contracting political subdivisions (participating authorities) desire to use the County’s voting system and to compensate the County for such use and to share in certain other expenses connected with joint elections, in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended.

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to all parties, IT IS AGREED as follows:

I. ADMINISTRATION

The participating authorities agree to hold a “Joint Election” with Denton County and each other in accordance with Chapter 271 of the Texas Election Code and this agreement. The Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this agreement. Each participating authority agrees to pay the Elections Administrator for equipment, supplies, services, and administrative costs as provided in this agreement. The Elections Administrator shall serve as the administrator for the Joint Election; however, each participating authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each participating authority as necessary.

It is understood that other political subdivisions may wish to participate in the use of the County's Verity voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes, on terms and conditions generally similar to those set forth in this contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this contract.

II. LEGAL DOCUMENTS

Each participating authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the participating authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting equipment testing notices that are required by the Texas Election Code. Election orders should include language that would not necessitate amending the order if any of the Early Voting and/or Election Day polling places change.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each participating authority, including translation to languages other than English. Each participating authority shall provide a copy of their respective election orders and notices to the Elections Administrator.

III. VOTING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Early Voting and Election Day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by each participating authority and shall be compliant with the accessibility requirements established by Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed voting locations are listed in Exhibit A of this agreement. In the event a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location. The Elections Administrator shall notify the participating authorities of any changes from the locations listed in Exhibit A.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

Denton County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location. The Elections Administrator shall make emergency appointments of election officials if necessary.

Upon request by the Elections Administrator, each participating authority agrees to assist in recruiting bilingual polling place officials (fluent in both English and Spanish). In compliance with the Federal Voting Rights Act of 1965, as amended, each polling place containing more than 5% Hispanic population as determined by the 2020 Census shall have one or more election officials who are fluent in both the English and Spanish languages. If a presiding judge is not bilingual, and is unable to appoint a bilingual clerk, the Elections Administrator may recommend a bilingual worker for the polling place. If the Elections Administrator is unable to recommend or recruit a bilingual worker, the participating authority or authorities served by that polling

place shall be responsible for recruiting a bilingual worker for translation services at that polling place.

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code and will take the necessary steps to ensure that all election judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Election judges and clerks who attend in-person voting equipment training and/or procedures training shall be compensated at a flat rate of \$78. Election judges and clerks that elect to complete online training shall be compensated at a rate of a flat \$50. In the event that an Election judge or clerk completes both in-person and online training, they shall be compensated for the training resulting in the highest pay and will not be compensated for both trainings.

The Elections Administrator shall arrange for the date, time, and place for presiding election judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Administrator notifying them of their appointment, the dates/times and locations of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Denton County pursuant to Texas Election Code Section 32.091 and overtime after 40 hours worked per week, if applicable. The election judge, or their designee, will receive an additional sum of \$25.00 for picking up the election supplies and equipment prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close. Likewise, the Presiding Judge in Early Voting, or their designee, will receive an additional sum of \$25.00 for picking up the election supplies prior to the first day of Early Voting and for returning the supplies and equipment to the Elections Department after Early Voting has ended.

The compensation rates established by Denton County are:

Early Voting – Presiding Judge (\$20.73/hour), Alternate Judge (\$19.35/ hour), Clerk (\$17.97/hour)

Election Day – Presiding Judge (\$20.73/hour), Alternate Judge (\$19.35/ hour), Clerk (\$17.97/hour)

The Elections Administrator may employ other personnel necessary for the proper administration of the election, as well as, pre and post-election administration. In such cases, costs shall be pro-rated among participants of this contract. If elections staff are required outside of the hours of the office's normal scope of business, the entity(ies) responsible for the hours will be billed for those hours. The Elections Administrator will determine when those hours are necessary, the number of staff and who are necessary, along with to whom the hours are to be billed. Cost for these hours will be billed at a rate of 1.5 times the staff's hourly rate (See Section XV #9). The Elections Administrator has the right to waive these costs as they see fit.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for delivery of all election supplies and voting equipment including, but not limited to, the County's Verity voting system and equipment, official ballot paper, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. The Elections Administrator shall ensure availability of tables and chairs at each polling place and shall procure rented tables and chairs for those polling places that do not have tables and/or chairs. Any additional required materials (required by the Texas Election Code) must be provided by the participating authority, and delivered to the Elections Office thirty-three (33) calendar days (March 30, 2026) prior to Election Day. If this deadline is not met, the material must be delivered by the participating authority, to all Early Voting and Election Day locations affected, prior to voting commencing. The Elections Administrator shall be responsible for conducting all required testing of the voting equipment, as required by Chapters 127 and 129 of the Texas Election Code.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating authorities shall share a mutual ballot in those precincts where jurisdictions overlap. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each participating authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). **Said list must be provided to the Elections Office within three (3) business days following the last day to file for a place on the ballot** or after the election is ordered, whichever is later. The list of candidates and/or propositions must be completed on the ballot language form provided by the Elections Administrator, the information will preferably be in sentence case format, and must contain candidate contact information for the purposes of verifying the pronunciation of each candidate's name. Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. Each participating authority shall be responsible for proofing and approving the audio recording of the ballot insofar as it pertains to that authority's candidates and/or propositions. **The approval must be finalized with the Elections Office within five (5) calendar days of the receipt of the proofs, or the provided proofs shall be considered approved.**
