## **POLICY PURPOSE STATEMENT**

The Procurement Department (“Procurement”) is the centralized authority for acquiring goods, services, and public works for the City of Denton (“City”). Procurement is committed to delivering efficient, ethical, and transparent services that support all City departments. By ensuring legal compliance, promotion of fair competition, and acting as responsible stewards of public funds. Procurement fosters trust and integrity in all purchasing activities. Collaboration between Procurement and City Departments is essential to ensure effective planning, timely execution, and high standards of service.

## **POLICY**

### **I. Facilitate, Communicate, Educate**

- A. Procurement’s mission of “Facilitate, Communicate, Educate” is focused on providing responsive, efficient procurement services to customers through the use of industry best practices, education, and by leveraging technology. Procurement adheres to the public procurement values of accountability, ethics, impartiality, professionalism, service, and transparency by:
  1. Ensuring compliance with local, state, and federal laws applicable to procurement and contracting;
  2. Providing quality customer service to City departments, suppliers engaging with the City, and the community;
  3. Obtaining needed goods, services, professional services, and public works at the best possible price, of the highest quality, and at the right time;
  4. Serving as stewards of the public trust by spending tax dollars wisely, efficiently, and with integrity;
  5. Providing all suppliers, including Historically Underutilized Businesses, equal access to the City’s competitive processes for the acquisition of goods, services, professional services, and public works; and
  6. Protecting the interests of City taxpayers by avoiding any undue influence, political pressures, and protecting the integrity of the procurement process.
- B. Procurement and its customers must partner together to ensure the appropriate planning of needs, timely submission of information, proper execution of responsibilities, compliance

with rules and regulations, and commitment to the highest standards of customer service. Procurement, as well as officials, directors, and employees of the City will strive to provide equitable and competitive access to the City's procurement process for all responsible suppliers. Further, procurement will be conducted in a manner that promotes and fosters public confidence in the integrity of the City's procurement process.

## **II. Guiding Principles**

### **A. Legal Compliance:**

1. Procurement activities are governed by:
  - a. All Federal and State laws: The City's procurement practices must comply with relevant provisions of the Texas Local Government Code (LGC) and the Texas Government Code (GC). These laws take precedence unless specifically displaced by City ordinance, resolution, or this Policy.
  - b. City Charter
  - c. City Ordinances
  - d. City Council Resolutions
  - e. Policies, Directives, and Procedures

### **B. Supplemental Legal Framework:**

1. Procurement is further guided by principles of law and equity, including:
  - a. The Uniform Commercial Code (UCC) as adopted in Texas,
  - b. The common law of contracts,
  - c. Legal doctrines related to agency, fraud, misrepresentation, duress, coercion, and mistake.

### **C. Federal Regulation Compliance:**

1. When federal funds are used, the City must comply with all applicable federal procurement regulations. This includes ensuring that suppliers are not listed on any excluded parties lists when competitive solicitations are required.
2. Procurement is responsible for verifying supplier eligibility when competitive solicitation is involved.
3. Departments are responsible for this verification in all other federally funded purchases.

### **D. Ethical Standards:**

1. The City incorporates industry best practices to ensure transparency, fairness, and efficiency in all procurement activities.

## **ROLES AND RESPONSIBILITIES**

## DEFINITIONS

- **Historically Underutilized Businesses (HUBs)**- a business entity where at least 51% of the ownership is held by women, minorities, or service-disabled veterans. HUBs are recognized for their role in promoting diversity and inclusion in business, and they often receive certifications from state governments to enhance their opportunities in procurement processes.
- **The Uniform Commercial Code (UCC)**- a comprehensive set of laws governing all commercial transactions in the United States. It standardizes business and financial transactions across all 50 states, aiming to harmonize the laws of sales and other commercial activities. The UCC is not a federal law but a uniformly adopted state law that facilitates commerce by providing consistent legal standards.
