AGENDA INFORMATION SHEET

DEPARTMENT: City Manager's Office

ICM: Cassey Ogden

DATE: July 21, 2026

SUBJECT

Consider approval of a resolution of the City of Denton appointing three members to the Committee on the Environment; and providing an effective date.

BACKGROUND

The appointment of City Council Members to internal Council Committees and to other internal and external committees and boards occurs during the summer following each municipal election cycle. Internal Council Committees consist only of Denton City Council Members. City Council Members also serve on other internal committees and boards that include resident participation, and on external boards operating at the regional or county level.

To account for changes in City Council membership resulting from elections, these assignments are reviewed annually to determine any needed adjustments to existing member assignments as well as afford members the opportunity to identify any new or additional committees they may be interested in serving on.

Through Internal Staff Report No. 2026-040, Council Members were asked to identify and submit committees of interest to the City Secretary's Office by Friday, July 10, 2026.

Committee on the Environment

The Committee on the Environment is composed of three Council Members. The duties of the Committee shall be to review, discuss, deliberate, and consider environmental issues and resources and make recommendations to the Council. The Committee will also deliberate and make recommendations regarding any other matter delegated to the Committee by the Council.

The July 14 Work Session resulted in three nominations by Mayor Watts for three open seats.

MEMBERS TO BE APPOINTED (3):

Mayor Pro Tem Nick Stevens
Council Member Joe Holland
Council Member George Ferrie
