AGENDA INFORMATION SHEET

DEPARTMENT: City Manager's Office

CM/DCM/ACM: Sara Hensley, City Manager

DATE: Jan. 9, 2024

SUBJECT

Consider approval of an ordinance of the City of Denton dissolving the Traffic and Safety Commission; repealing all ordinances and resolutions in conflict; and providing an effective date.

BACKGROUND

At the Nov. 7, 2023, Work Session, the City Council discussed modifications to a number of boards and commissions. During that discussion, staff recommended the dissolution of the Traffic Safety Commission. Reasons for this recommendation included the elimination of confusion over jurisdiction, and/or duplication of items heard by both the Commission and the Mobility Committee. Additionally, the dissolution of the commission would result in reduced staff time spent managing two bodies that consider very similar issues.

During the work session, the City Council provided direction to dissolve the Traffic Safety Commission.

The Mobility Committee gave staff direction to add two community members to the Mobility Committee to allow for more citizen involvement, in the event of a dissolved Traffic Safety Commission. The ordinance is scheduled for Council consideration on the same agenda.
