DISCUSSION

On April 12, 2024, the Community Services Advisory Committee (CSAC) finalized their recommendations to City Council for the 2024 Action Plan. All projects and programs to be approved by The Department of Housing and Urban Development (HUD) under the 2024 Action Plan are funded through Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), and program income from the use of these funds. In addition to federal funds, the City Council allocates General Fund dollars to provide grants for social service agencies. The following narrative describes the recommendations from the CSAC for estimated federal and general fund dollars available for the 2024/25 program year.

CSAC Recommendations

A total of twenty-eight (28) funding requests were submitted to the CSAC totaling \$2,707,024.00. A breakdown of applications received by application type is included below.

- Human Services – 22 applications totaling \$1,523,560
- Housing Projects – 4 applications totaling \$898,464
- Public Facility Projects – 2 applications totaling \$285,000

Request details are included in **Exhibit 2**. City Council approved the CSAC's recommendation for the use of CDBG, HOME and General Fund dollars in the amount of \$1,438,393 for the 2024/25 Program Year.

CDBG Project Funding

Funding for CDBG projects is included in the 2024 Action Plan for Housing and Community Development for program year October 1, 2024, through September 30, 2025. City Council approved the 2024 Action Plan for Housing and Community Development with Ordinance No. 24-177, on July 23, 2024. The U.S. Department of Housing and Urban Development (HUD) approved the Action Plan in September 2024, and funds will become available in October 2024. The CDBG funding for public (human) services is capped

by federal guidelines at 15% of the total CDBG allocation, and the amount of CDBG funding for public services for the 2024/25 program year is \$144,679.

General Fund Project Funding

Funding for public (human) services is also included in the FY2024/25 Annual Program of Services (Budget) and the Capital Improvement Program of the City of Denton, Texas approved by City Council on September 17, 2024. The CSAC's 2024/25 recommendation included \$377,955 of General Fund dollars.
