Body” under Senate Bill 7, the Council has discussed, deliberated, and considered the Transaction, the subject of this ordinance, in a Closed Meeting of the City Council on September 13, 2016, after receiving a legal opinion of counsel that the Transaction is a proper item for consideration in its Closed Meeting, which item involves competitive electric matters, including business and commercial information, which if disclosed, would give advantage to its competitors or prospective competitors; and

WHEREAS, the City Council has further determined and finds that specific information contained in the “Engineering, Procurement and Construction Agreement” to be entered into by and between Denton and Burns and McDonnell Engineering Company, Inc., and similar type information contained in all other documents which are related thereto as from time to time may be executed by the City of Denton, Texas and/or Burns and McDonnell Engineering Company, Inc., in connection therewith should be excepted from public disclosure, as permitted by the provisions of §552.133 of the Texas Government Code, as information that is reasonably related to a competitive electric matter (“Competitive Information”), the disclosure of which would provide an advantage to the competitors or prospective competitors of Denton Municipal Electric (“DME”); and

WHEREAS, the City Council has further determined that it is in the public interest that it should exercise its right under the Texas Government Code to lawfully safeguard and keep the Competitive Information contained in the documents in the preceding paragraph sealed, as it is competitive electric and financial information; and

WHEREAS, the City Council finds that said Transaction involves the construction of an electric power generating facility by Burns and McDonnell Engineering Company, Inc.; and that such Transaction is related to Denton’s Renewable Denton Plan approved by the City Council by resolution dated June 21, 2016 (Resolution No. R2016-014) and will provide Denton the ability to generate electricity during peak loading times while maintaining a consistent and reliable supply of electricity thereby benefiting the ratepayers of DME; and

WHEREAS, the Council, having further convened an open public meeting on this item on the September 13, 2016, and having discussed the same, has considered all proposals provided by other firms in response to Denton’s Request For Proposals and finds and concludes that Burns and McDonnell Engineering Company, Inc. should be selected by Denton to construct the electric power generation facility; and the Council hereby takes final action and approves this Transaction by a vote of _____ (___) for and _____ (___) against.

WHEREAS, Denton desires to enter into such other arrangements in support of the Engineering, Procurement and Construction Agreement (hereafter “Agreement”) with Burns and McDonnell Engineering Company, Inc., which are incident and related to the said Agreement, and to take such additional actions as the City Manager, or his designee, shall determine to be necessary and advisable to consummate and effectuate the matters set forth herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:
