Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

This document serves as the City of Denton's 2025 Action Plan for the Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME). In accordance with 24 CFR Part 91.220 of Title I of the Housing and Community Development Act of 1974, as amended, the City of Denton is required to submit a One-Year Action Plan to the U.S. Department of Housing and Urban Development. The plan outlines the specific projects and services that will be funded during the 2025-26 program year (October 1, 2025, through September 30, 2026) to address Denton's strategies stated in the 2023-2027 Consolidated Plan for Housing and Community Development. The 2025 Action Plan covers the third year of Denton's current 2023-2027 Consolidated Plan for housing and community development.

The City of Denton is currently an entitlement city for the Community Development Block Grant (CDBG) Program and a participating jurisdiction for the HOME Investment Partnership (HOME) Program. SF-424 applications and certifications for CDBG and HOME are available in the appendix section (ATTACHMENT 1). Also, included in the appendix are the HUD assurances and certifications.

The City of Denton's total federal and program income funding for 2025 is \$2,322,832.05 (including \$545,619.45 in CDBG and HOME Reprogrammed Funds and CDBG program income). In the previous year, the City of Denton also allocated an estimated HOME program income during the annual Action Plan. The City of Denton will allocate the actual HOME program income received during the 2024-25 program year during the following program year in the 2025 Action Plan. The table provides a breakdown of available funding by grant.

CDBG/HOME Funding

FUNDING SOURCE	FUNDING AMOUNT
Community Development Block Grant – Estimate	1,049,336
Community Development Block Grant – Program Income ¹	4,000.00
Community Development Block Grant – Reallocated Funds	103,578.26
CDBG ⁴ TOTAL	1,156,914.26
HOME Investment Partnership Grant	462,239.32
HOME Investment Partnership Grant – Actual Program Income ¹	265,637.28
HOME Reallocated Funds ²	438,041.19
HOME TOTAL	1,165,917.79
TOTAL	2,322,832.05
Funds Programmed to Activities in Action Plan	1,674,727.06
Unprogrammed Funds (HOME)	648,104.79

Table 1 – CDBG/HOME Funding

¹Based on HUD's recommendation the actual 2023-24 Program Income will be allocated in the 2025 Action Plan. Also, 2022-23 Program Income was not programmed in the 2023-25 AP, so will be allocated in the 2025-26 AP.

²Reallocated funds are from completed 2022-2024 projects with residual funds and cancellation of a program.

A total of \$1,674,727.26 in CDBG and HOME funds were allocated to eligible projects. The amount requested and eligible for HOME funds was less than the amount available, so \$648,104.79 is available as unprogrammed funds. The unprogrammed funds will be allocated through a substantial amendment process required by HUD by the end of the year.

Most of the 2025 CDBG and HOME activities will meet the HUD national objectives of benefitting low and moderate-income persons, except for administration activities. The table below provides a summary of the categories for benefitting low and moderate-income persons and the percentage of total funding available in the 2025-26 program year. A total of 82% of all CDBG funds and 40% of all HOME funds have been allocated to low and moderate-income activities. This percentage for the HOME grant will increase to 96% when the unprogrammed funds are allocated to eligible HOME projects.

National Objectives

National Objectives	CDBG Grant	% of Grant	HOME Grant	% of Grant
L/M Income Area Benefit	\$268,000	23%		
L/M Income Limited-Clientele	\$157,400	14%		
L/M Income Housing	\$521,647.26	45%	\$471,590	40%

Total Funds Available	\$1,156,914.26		\$1,165,917.79	

Table 2 - National Objectives

Amendments:

The City of Denton is amending the following Action Plans:

- a) The 2022 Action Plan to reallocate \$100,000 in CDBG funds. The substantial amendment would reallocate the balance from the Rental Repair Program to the Minor Repair Program. The Rental Repair Program has not received enough applications to allocate the CDBG funds.
- b) The 2024 Action Plan to reallocate \$424,793.36 in HOME funds that were unprogrammed in the 2024 Action Plan. The substantial amendment would reallocate the unprogrammed funds to the Denton Affordable Housing Corporation 2025 project.

2. Evaluation of past performance

Below is a summary of the number of households or persons served through the CDBG and HOME grants from the 2023 Consolidated Annual Performance and Evaluation Report which is the most recently completed year. The 2023 Action Plan was the first year of Denton's 2023-2027

4. Summary of Citizen Participation Process and consultation process

Citizen participation and stakeholder consultation are a key component to our City's Action Plan. Community Services took the following measures to encourage citizen participation throughout the year and additional information and supporting documentation is available in the appendix (Attachment 2):

- Strategic Partnerships and Collaborations.** The City of Denton has a very strong network of service providers including those providing housing, education, health care and other needed services. The City engages in ongoing active participation in various boards, coalitions, and committees with a commitment to building and maintaining strong collaborative relationships with community partners and interest groups. The City obtains real-time data on community needs from active, participating members of the community including representatives from organizations providing public services, community residents and engaged stakeholders. Over the past five years, the United Way of Denton County, the City of Denton, the Denton Independent School District and other organizations have joined together to review and discuss the provision of services in the Denton area to maximize the benefits derived from available resources.

- **Online Survey.** Web-based surveys are an effective means to complement paper-based or other traditional methods of data collection. Using web-based surveys allows us to reach a greater proportion of the population because they are easily distributed and reach people who rely exclusively on electronic media for news and information. The City collected surveys from October 24, 2024, through November 29, 2024, which generated 39 responses in total. The survey questions focused on housing and community development needs. Community Development utilized social media and solicited City Council, community partners (nonprofits, boards, coalitions, committees), and various city departments and housing providers to assist in distributing the survey across the community. Paper surveys were also made available upon request.
- **Funding Workshop.** The City hosted a Funding Priority Workshop November 13, 2024, at 6 p.m. at the Development Service Center (401 N. Elm St. Denton, TX 76201) to provide an update on current funding initiatives and obtain feedback from the community for the prioritization of funds. The workshop was promoted via email listserv, social media, the City's website, flyers posted in city facilities and a newspaper ad. Spanish translations were available. Staff presentation include a review funds, annual performance and solicited comments on how federal funds should be utilized in the community. No
- **Public Comment Period.** A draft of the 2025 Annual Plan was placed on public display for 30 days beginning from May 19, 2025, to June 20, 2025. Posted an advertisement in the Denton Record Chronicle. Posted draft plan on the City's website. Solicited comments through Constant Contact, social media, the City's website, flyers posted in city facilities, information circulated on the local Denton Television channel, and a newspaper ad.
- **Public Hearing.** Conducted a final public hearing on June 17, 2025, during the City Council Meeting Regular Session to obtain comments on the proposed use of funds for 2025 Action Plan. The public hearing was promoted through Constant Contact email blast, social media, a webform on the City's website, the City's local television channel and an ad in the local paper. Spanish translations were available. See ATTACHMENT 2 FOR COMMENTS.

5. Summary of public comments

A summary of public comments received during the funding workshop, public hearing, results of the public survey, during the 30-day comment period are available in the section above. The appendix also includes supporting documentation on the outreach methods (ATTACHMENT 2).

6. Summary of comments or views not accepted and the reasons for not accepting them

City Council, staff and the Community Services Advisory Committee (CSAC), an advisory council composed of Denton residents appointed by City Council, considered all public comments informing the development of the 2025 Action Plan.

7. Summary

The 2025 Action Plan was developed by requesting public input regarding the use of federal funds. Housing and public facility funding applications were released December 2, 2024, and Human Services funding applications were released December 13, 2024. Application training was provided by the Community Services Staff on the combined community development funding application December 19, 2024. The CSAC reviewed and scored applications in March and April 2025, and the committee developed a set of funding recommendations May 2, 2025. The 2025 Action Plan was developed based on the CSAC recommendations.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Denton encourages the participation of all citizens in the development of the Consolidated and Action Plans and in the review of progress in implementing planned activities. The City of Denton utilizes a variety of methods to consult with residents, social service providers and community development organizations, and to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The participation process for the Consolidated Plan included public hearings, a 30-day public comment period, a community survey for citizens and non-profit agencies, participating in coalitions and committees including focus groups, consultation with various city departments, and consultation with housing providers.

The City particularly encouraged involvement by low- and moderate-income households residing in areas targeted for program activities for minorities and non-English speaking persons, as well as persons with disabilities. Special effort is made to assure that low- and moderate-income persons, households in areas assisted by program activities, and persons with special needs have opportunities to participate.

The City enhances coordination between public and assisted housing providers and private and governmental health, mental health and service agencies by holding public meetings, utilizing public comment periods; administering community surveys accessible online and in print for citizens and non-profit agencies, through active participating in coalitions and committees, by maintaining ongoing consultation with various city departments; and ongoing consultation with housing providers including nonprofits and the Denton Housing Authority.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Continuum of Care (CoC) sets priorities for housing and supportive services to benefit persons experiencing homelessness. The City actively participates in the Balance of State CoC, and participates in the local homeless coalition, the Denton County Homeless Coalition.

This collaboration supports the development of the framework for local housing focused on strategies for making homelessness rare, brief, and nonrecurring. The collaboration (consultation) with the CoC has led to full implementation of Denton’s Coordinated Entry System (CE) offering a centralized, community-wide coordinated system of prioritizing and moving people experiencing homelessness to permanent housing. CE data is collected and shared safely between service providers and allows our local system to quickly identify, assess, and refer unhoused folks to housing assistance and supportive services that promote housing stability based on their level of need and special population prioritization status (Veterans, Chronically Homeless and Victims of Domestic Violence). This data is collected and disseminated through a dashboard provided to the public: <https://www.unitedwaydenton.org/homelessness-data-denton-county>.

Working in collaboration and in support of the priorities, CoC grants are awarded locally to provide housing and supportive services. In Denton, these fund permanent supportive housing projects, support for Coordinated Entry/HMIS, and Rapid Re-housing so individuals and families can transition out of homelessness into permanent housing.

Coordination with the Continuum of Care offers both entities expanded access to funding, quality collaborative tools, and greater knowledge of resources. Coordination with the CoC offers several benefits to the City of Denton and the CoC. Collaboration includes improved data collection and better management of available resources by improving the Homeless Management Information System (HMIS). The City invests public funds for HMIS including assistance with licenses and funding for a staff position at the United Way of Denton County for HMIS/Coordinated Entry support in Denton. CoC collaboration improves the relevance of data collected through the annual Point-in-Time (PIT) homeless count and annual Housing Inventory Count (HIC). In consultation with the CoC, the City of Denton staff work with private partners and neighboring entitlement communities to implement the PIT and HIC collaboratively across Denton County.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS.

ESG consultation is not applicable since Denton does not receive ESG funds from HUD as an annual entitlement. However, Texas Department of Housing and Community Affairs (TDHCA) does manage the local competition for the State Entitlement ESG funds.

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal setting

The City of Denton utilizes a variety of methods to encourage ongoing participation from residents, social service providers and community development organizations. In order to broaden the citizen participation process during the 2025 Action Plan, residents were able to access a brief survey regarding the use of CDBG, HOME, and other funding targeted to assist low and moderate-income individuals and households. The survey was promoted via email listserv, social media, the City's website, flyers posted in libraries and recreation centers and an ad in the local paper. The survey was available October 2024 through November 2024, and the City received thirty-nine responses (39). A summary of survey results is located in the appendix (Attachment 2). The opportunity for residents to provide comments and ideas without attending a public hearing gave staff additional information on existing programs and what can be done to improve services. In the online survey, the top three needs in community services, housing assistance, infrastructure and special population that respondents stated the City should fund are as follows:

- **Affordable Housing: Provide housing for vulnerable populations (80%); New affordable rental units (62%); and homebuyer and homeowner repair assistance (62%)**
- **Making Homelessness Rare, Brief, and Nonrecurring: Increase transitional housing (54%); Increase permanent supportive housing (54%); and increase and improvement to mental health services (54%)**
- **Public Services: Health and mental health services (82%), affordable childcare (62%); and transportation services (49%)**
- **Public Improvements and Infrastructure Needs: Improve roads and sidewalks (77%); assist non-profits with improving their facilities (64%); and new or improved community centers (44%)**

This Action Plan includes CDBG and HOME funds for many of the top needs that respondents stated that the City should fund such as affordable housing, reducing and/or eliminating homelessness, childcare centers and services, health services, and transportation assistance. The city continues to allocate General Funds to also assist with the top needs such as services for neglected/abused children, health services, mental health, and homeless initiatives.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The CDBG and HOME activities leverage other funding sources to carry out various activities. For the 2025-26 program year, CDBG and HOME projects will leverage an additional \$27,220,564 in federal, state, local, and private fund and include the following:

Proposed General Funds for human services activities	\$377,955
Federal Funds for human services activities	\$3,784,058
State Funds for human services activities	\$5,553,985
Local Funds for human services activities	\$2,724,985
Private Funds for human services activities	\$13,675,852
Private Funds for affordable housing activities	\$1,103,729
<u>Total Federal, State, Local, and Private Funding</u>	<u>\$27,220,564</u>

The above list includes proposed General Fund allocations from the City of Denton. General fund recommendations will be considered during the normal budgeting cycle and considered for approval in September 2025.

The HOME program requires a participating jurisdiction to provide a 25% match of the federal HOME funds. The City of Denton's local match for the HOME program is \$106,219.75 for the 2025-26 program year. The 25% match of federal HOME grant excludes administrative allowances of 10%, program income, and CHDO operating funds. The City of Denton will provide the match from a variety of sources including the following:

- Residual balance of match from prior years.
- Local and state funding provided to Denton Affordable Housing Corporation and Habitat for Humanity of Denton County on eligible HOME projects, such as funds from the Federal Home Loan Bank, Denton County Housing Finance Corporation, and Texas Department of Housing and Community Affairs.
- General Funds provided on eligible HOME projects through the Affordable Housing Fee Grant Program.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan Not applicable.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City's approach to prioritization of needs identified in the Consolidated Plan were the result of enhanced coordination between public and private partners and through organized citizen participation activities. (SP-25).

Allocations are based on needs analysis, the purpose and eligibility of Consolidated Plan funds, and the availability of City General Funds to meet a wide variety of needs. As identified in the City's Consolidated Plan, funding allocation is prioritized for projects that address social determinants of health, or the conditions in the environments where people are born, live, learn, work, play, work, and age that affect a wide range of health, functioning, and quality-of-life outcomes and risks. The City of Denton's CDBG and HOME allocations have not been sufficient to allow for the funding of extensive housing, economic development or public works projects. For the City's priority goals related to Affordable housing; Making Homelessness Rare, Brief and Nonrecurring; Public Services; Public facility and public improvement projects; each are prioritized by identified need and funding is allocated based on available funding and eligibility of projects.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Denton's CDBG and HOME allocations have not been sufficient to allow for the funding of large or extensive housing, economic development or public works projects. Geographic standards do not apply to city-wide home repair, homebuyer assistance, and public services grant programs.

As required by CDBG guidelines, public facility and public improvement projects have been completed in residential areas meeting HUD's low to moderate-income standards. All investments in public facilities and/or public improvements are based on requests received from residents of the low to moderate-income block groups and other areas of the city. After a request has been made, an assessment is made to determine the need for the improvement and the project cost. With support of staff recommendation on the appropriate use of CDBG funds and available projects eligible under the CDBG allocation, the City's Community Services Advisory Committee evaluates which requests meet the community development needs and make recommendation to City Council.

Discussion

In addition to CDBG/HOME activities, the City also fund \$135,000 for a Development Fee Grant program through the general fund to assist nonprofit housing developers. The grant reduces development costs by covering development fees to support new construction of Affordable Housing Units. The city expects to receive applications for 7-9 projects in the 2025-26 fiscal year.

As a requirement to receive federal funding from the U.S. Department of Housing and Urban Development (HUD), the City of Denton Community Services Department prepares and submits a five-year Consolidated Plan (ConPlan) and an annual Action Plan. The annual Action Plan outlines how federal Community Development Block Grant funds, HOME funds and other federal and non-federal program funds will be used by the City in the upcoming fiscal year.

When the City helps homeowners for HOME-assisted housing units, the purchase price and appraisal value may not exceed 95% of the median purchase price for the city. The HUD-derived formula for determining home values used data from July 2016 through June 2021 and was

implemented beginning in June 2022. These data lagged the market and have limited what activities the city can fund based on these lower values. The city, per HUD guidelines, performed its own market study to determine more accurate values using more recent data. The proposal was submitted in the 2023 Action Plan, and we intend to also include the higher values for the 2025 Action Plan.

The City is updating the median home values for use in HOME programs. The HUD derived data for use with HOME grant funding and homebuyer assistance programs used home sales data from July 2016 through June 2021 with implementation beginning in June 2022. Historically, home sale data from such a recent study would provide data accurate enough to effectively operate the programs. However, given that home values and purchase prices are increasing rapidly, the HUD data is low compared to the current market. As per HUD guidelines, the city performed its own market study to determine home values for the city of Denton for use in determining HOME value limits. HOME-assisted housing units may not exceed 95% of median purchase price for the city. The newer data from the city's market study increases that threshold providing a wider variety of housing for which the city may provide assistance.

City of Denton Proposed New Value Limits

City of Denton, Texas Compilation of Single Family Existing Real Estate Sales for a 12-Month Period March 2022 – February 2023

Unit Type	Data Range	Sales Volume	Median Value	95% Median
Single Family – Existing & New	3/1/2022-2/28/2023	1712	\$395,000	\$375,250

Insufficient data available for new construction; new construction and existing single-family home value are combined.

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Denton does not utilize other forms of investment beyond those identified in 92.205(b). The City will not permit other forms of investment without the prior approval of HUD.

2. **A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:**

The City of Denton will utilize recapture for homebuyers for the HOME program including any projects funded with HOME Program Income (PI). The policy provides guidelines that will be used for recapture of HOME funds when used for homebuyer activities under the Homebuyer Assistance Program as required in 24 CFR 92.254.

All homebuyers sign a HOME written agreement with the City outlining the affordability period and recapture provisions. For HOME-assisted homebuyer units the period of affordability is based upon the direct HOME subsidy provided to the homebuyer that enabled the homebuyer to purchase the unit. Any HOME program income used to provide direct assistance to the homebuyer is included when determining the period of affordability.

Recapture provisions will be used when the homebuyer transfers the property either voluntarily or involuntarily during the period of affordability. If the home is transferred during the affordability period, a portion of the net sales proceeds, if any, are returned to the City of Denton. The amount subject to recapture is reduced based on a pro rata reduction during the affordability period. The funds returned are equal to the amount of HOME funds invested less the amount for each full month that the homebuyer has occupied the house as principal residence. Any funds remaining after the distribution of the net sales proceeds to all lien holders, including the City of Denton, will be returned to the homeowner.

In the event of a sale, short sale or foreclosure, the amount recaptured will be limited to the amount of net sales proceeds' available at the time of such occurrence. If there are insufficient funds remaining from the sale of the property, the City will recapture less than or none of the recapture amount due and maintain data in each individual file that provides the amount of the sale and the distribution of the funds.

The Recapture mechanisms used to secure the affordability of the HOME-assisted unit are recorded in accordance with state law with a promissory note, deed of trust and written agreement with the City of Denton. The affordability period stated in the note and deed of trust is the minimum period for the project.

In all cases, the amount to be repaid is the subsidy provided directly to or on behalf of the homebuyer for closing costs and is limited to the net proceeds of the sale, which is defined as the sales price minus the first lien and seller paid closing costs and includes only the following items to the extent actually incurred: brokers commission, reasonable attorney fees, and any transfer tax or recording fee payable by the seller.

3. **A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds. See 24 CFR 92.254(a)(4) are as follows:**

Federal assistance will be provided in the form of a 0% interest, forgivable deferred payment loan (DPL) and will be secured by a HOME Written Agreement, fully executed and dated by all applicable parties and a Promissory Note and Deed of Trust. The Deed of Trust is recorded in the Real Property Records of Denton County.

4. **Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:**

The City of Denton does not currently use HOME funds to refinance existing debt secured by multi-family housing that is being rehabilitated with HOME funds.

5. 5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).

The City of Denton currently does not fund an activity utilizing HOME funds for TBRA activities.

6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).

The City of Denton currently does not fund an activity utilizing HOME funds for TBRA activities.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2025 Program Year [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

PUBLIC COMMENTS RECEIVED:

1. Public Hearing #1 on 11/13/2024

No comments were received.

2. Public Hearing #2 on 6/17/2025:

Three comment cards in support of the 2025 Action Plan were received during the public hearing on June 17, 2025.

3. 30-day Comment Period:

One citizen provided multiple comments after the public hearing closed, and the city's response follows:

- a) Allocate more funds to the Our Daily Bread-partnered homeless projects, including administration and staffing.
City Response: The Action Plan includes General funding for homeless organizations such as Our Daily Bread.
- b) Allocate more to Denton Parks and Rec Afterschool and summer programs for scholarships.
City Response: The Action Plan allocates CDBG funds for the Summer Camp Scholarships.
- c) Do NOT allocate any programmed or unprogrammed funds to new development and infrastructure, including land purchasing, contracting, construction, ROW purchases, contractual tax credits, etc., to sponsors of multifamily complexes with less than 100% proposed affordable housing.
City Response: The Action Plan did not allocate funding for multifamily complexes unit.
- d) Allocate more to the First-time home buyer program along with marketing the program and much less to the Rental Rehab Program. The program indicates it will pay for the construction of three new homes, but the allocated amount will not allow for one newly constructed home unless the land is gifted, which would raise the cost substantially. More money can go to more recipients as a larger down payment assistance forgivable loan.
City Response: City currently manages the City's Homebuyer Assistance Program with residual CDBG and HOME funds. The project was incorrectly named Rental Rehab Program and was changed to the DAHC Homebuyer New Construction Project for constructions costs and homebuyer assistance. The non-profit organization has previously purchased the land and only needs assistance with the construction and homebuyer assistance to ensure that the purchase is affordable.
- e) Allocate a portion to current Homeowner repairs for low—to moderate-income homeowners so that one catastrophe does not end in foreclosure.
City Response: Action Plan allocates CDBG funds to fund a homeowner repair program.
- f) Allocate a portion to oversight and compliance of ALL active PFCs, including required audits of ALL 100% tax-exempt properties filing taxes under a PFC.

City Response: Denton City Public Facility Corporation will be required to provide an annual audit once it has entered into a tax-exempt partnership. When applicable, audit information will be publicly posted on the city website.

- g) 2025 DCFOF-is this for an existing or future shelter? Only allocate funding for a director of an active, existing shelter currently in use by Denton residents.

City Response: The Action Plan includes funding to partially fund the Shelter Director for existing shelter and rehabilitate a single-family home for Denton County Friends of the Family for transitional housing.

- h) Allocate funds to feed Denton kids breakfast and lunch all summer.

City Response: The Action Plan allocates CDBG and General Funds for meals through SPAN Inc. and Salvation Army. The Texas Department of Agriculture, Food and Nutrition Division also provides summer meal programs in Denton.

Q7, Do you have any suggestions on how the City of Denton could better engage with residents on community development activities?

Answered: 21 Skipped: 18

#	RESPONSES
1	Community outreach programs
2	broader forms of communication- many people in need do not have access to internet- emails, etc.
3	you do a great job
4	Have a "What's New" page on the website. Include updates that are easy to find, if you have attachments make sure they can be enlarged for easy viewing, have links to related updates as appropriate--don't make it so hard to find things on the website.
5	Online surveys such as this are helpful!
6	More localized informational meetings in neighborhood facilities such as churches, businesses etc. in addition to community wide online forums and public hearings in city venues.
7	N/A
8	flyers or bulletins
9	Be present, have a rep from the city at events
10	Hold more public events in the evenings or on weekends. Advertise extensively.
11	na
12	Include information about Denton activities with the utility bill or more mailers/flyers.
13	Advertise within "wind up joints". Where do your community members wind up in their day-to-day lives? Grocery stores, convenience stores, shopping areas, bus stops, etc.
14	Stop talking about homelessness all the time...it's much deeper than that. We have a homeless shelter. Good job. There needs to be a focus on WHY people get into trouble- substance abuse, legal, lack of ability to get a job, lack of ability to afford housing
15	Expand online engagement with dedicated tools like interactive project story maps, hold more community outreach events and meetings, use more Interactive engagement virtual tools and in-person workshops, more transparency and communication on specific projects, empower more community participation by offering opportunities to give back to their neighborhoods.
16	Meet with people where they live
17	Service days that support nonprofits and engage people across sectors of society (like college and high school students working alongside off duty police officers, corporate groups, elders in the community, etc.)
18	Open city council meetings where they actually listen to residents instead of the mayor!
19	Have more city-wide events with residents to make aware of development. Implement a monthly newsletter so all residents can be made aware of what's going on.
20	I feel informed by the City of Denton through mailers. Perhaps more information on social media.
21	I think you are doing a great job!
