The Initial Note shall, after approval by the Attorney General of the State of Texas and registration by the Comptroller of Public Account of the State of Texas, be provided to the Paying Agent/Registrar, and concurrently with the delivery of the Initial Note, the initial Authorized Installment of the Notes, in the aggregate principal amount determined in the Pricing Certificate, will be issued, in accordance with the terms of the Note Purchase Agreement executed by the Issuer and Wells Fargo Bank, National Association, as the Note Purchaser.

Payments of principal of and interest on the Notes may be made by wire transfer of immediately available funds at no cost to the Note Purchaser.

The City Authorized Representative shall designate in the Pricing Certificate a bank to act as the Paying Agent/Registrar for the Notes. In the Note Purchase Agreement, the Note Purchaser, by accepting the appointment as Paying Agent/Registrar, will acknowledge receipt of copies of this Ordinance, and is deemed to have agreed to the provisions hereof. Section 2.06. Registration and Ownership.

(a) *Registration of Notes.* The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each owner of any Note issued under and pursuant to the provisions of this Ordinance.

(b) *Ownership of Notes.* The entity in whose name any Note shall be registered in the Security Register at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Ordinance, whether or not such Note shall be overdue, and, to the extent permitted by law, the City Council and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Note shall be made only to such Registered Owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Section 2.07. Form of Notes. The Notes and the Authentication Certificate of the Paying Agent/Registrar to appear on each of the Notes, shall be substantially in the form set forth in Exhibit A to this Ordinance with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers or other marks of identification and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as may be established by the Issuer or determined by the officers executing such Notes as evidenced by their execution thereof. Any portion of the text of any Notes

may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

The Notes shall be typewritten, photocopied, printed, lithographed, engraved, or produced in any other similar manner, all as determined by the officers executing such Notes as evidenced by their execution thereof.

Section 2.08. Execution and Registration. Notes shall be executed on behalf of the Issuer by the Mayor and City Secretary under its seal reproduced or impressed thereon. The signature of said officers on the Notes may be manual or facsimile. Notes bearing the manual or facsimile signatures of individuals who are or were the proper officers of the Issuer as of their authorization shall be deemed to be duly executed on behalf of the Issuer, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Notes to the Note Purchaser, all as authorized and provided in Chapter 1201, Texas Government Code.

Subject to Section 2.02(a) hereof, no Note shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Note the Authentication Certificate of the Paying Agent/Registrar substantially in the form provided in Exhibit A to this Ordinance, executed by the manual signature of an authorized officer or employee of the Paying Agent/Registrar, and either such certificate duly signed upon any Note shall be conclusive evidence that such Note has been duly certified, registered, and delivered.

Section 2.09. Control and Custody of Notes. The City Authorized Representative shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas, including the printing and supply of printed Notes.

Furthermore, any one or more of the Mayor and Mayor Pro Tem, and the City Authorized Representative are each hereby authorized and directed to furnish and execute such documents relating to the Issuer and its financial affairs as may be necessary for the issuance of Notes, the approval of the Attorney General of the State of Texas of Notes and, together with the Issuer's bond counsel and the Paying Agent/Registrar, make the necessary arrangements for the delivery of Notes to the Note Purchaser thereof.

Section 2.10. Mutilated, Destroyed, Lost, and Stolen Notes. If (1) any mutilated Note is surrendered to the Paying Agent/Registrar, or the Issuer and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (2) there is delivered to the Issuer and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent/Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same maturity date and of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note and the interest due thereon to the date of payment.

Upon the issuance of any new Note under this Section, the Issuer may require payment by the Note Purchaser of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Note shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other outstanding Notes.

ARTICLE III ESTABLISHMENT OF NODAL MARKET REVENUE NOTE PROGRAM AND SECURITY THEREFOR

Section 3.01. Establishment of Program. This Ordinance is intended to establish a master plan for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment and redemption, and security of the Notes.

Section 3.02. Security; Subordinate Lien; and Pledge.

(a) The Notes and the other obligations under the Note Purchase Agreement are special obligations of the Issuer, and the payment of the principal of and interest on the Notes and the other obligations under the Note Purchase Agreement are and shall be secured by and payable only from a lien on and pledge of (i) the Pledged Revenues, and the Pledged Revenues are further pledged to the establishment and maintenance of the Payment Fund; provided that the pledge of Pledged Revenues securing the Notes and the other obligations under the Note Purchase Agreement is expressly made subordinate and inferior to the lien on and pledge of Pledged Revenues securing Senior Lien Obligations, and the Notes and the other obligations under the Note Purchase Agreement shall constitute Subordinate Lien Obligations, as provided in the Senior Lien Obligation Ordinances, payable on a parity with all Subordinate Lien Obligations, and (ii) all amounts in the Payment Fund created and maintained pursuant to this Ordinance, and such amounts constitute funds held for that purpose, subject only to the provisions of this Ordinance permitting the application thereof for the purposes and on the terms and conditions set forth herein. The pledge herein made shall be irrevocable until the Notes and the other obligations under the Note Purchase Agreement have been paid and retired. The granting of this pledge by the Issuer does not limit in any manner the rights of the Issuer to issue any additional debt or incur any other obligations, except as otherwise set forth in the Note Purchase Agreement. The Notes are not secured by or payable from any funds raised or to be raised by the levy of taxes by the Issuer nor a mortgage or deed of trust on any properties, whether real, personal, or mixed, constituting the System or otherwise, nor from any source other than as specified in this Ordinance.

(d) Chapter 1208, Texas Government Code, applies to the issuance of the Notes and the pledge of the proceeds of the sale of Notes and the Pledged Revenues granted by the Issuer under this section, and such pledge is therefore valid, effective, and perfected. If State law is amended at any time while the Notes are outstanding such that the pledge granted by the Issuer under this section is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the Note Purchaser the perfection of the security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under State law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument for such payment (i) lawful money of the United States of America sufficient to make such payment or (ii) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability of sufficient money to provide for such payment.

The Issuer will, while any Notes are Outstanding, continuously and efficiently operate the System, and shall maintain the System in good condition, repair and working order, all at reasonable cost. While the Notes are Outstanding, the Issuer shall not, except with respect to the issuance of Senior Lien Obligations, additionally encumber the Pledged Revenues, unless said encumbrance is made on a parity with, or junior and subordinate in all respects to the liens, pledges, covenants and agreements hereof; but the right of the Issuer to issue obligations subordinate to the Notes for any lawful purpose payable from a lien on the Pledged Revenues that is subordinate to the Notes is specifically recognized and retained. Section 5.09. Insurance. Public liability and property damage insurance shall also be carried unless the Issuer's attorney gives a written opinion to the effect that the Issuer is not liable for claims which would be protected by such insurance. At any time while any contractor engaged in construction work shall be fully responsible therefor, the Issuer shall not be required to carry insurance on the work being constructed if the contractor is required to carry appropriate insurance. All such policies shall be open to the inspection of the Registered Owners and their agents and representatives at all reasonable times. Upon the happening of any loss or damage covered by insurance from one or more of said causes, the Issuer shall make due proof of loss and shall do all things necessary or desirable to cause the insuring companies to make payment in full directly to the Issuer. The proceeds of insurance covering such property, together with any other funds necessary and available for such purpose, shall be used forthwith by the Issuer for repairing the property damaged or replacing the property destroyed; provided, however, that if said insurance proceeds and other funds are insufficient for such purpose, then said insurance proceeds pertaining to the System shall be deposited in a special and separate trust fund, at a Depository, to be designated the Insurance Account. The Insurance Account shall be held until such time as other funds become available which, together with the Insurance Account, will be sufficient to make the repairs or replacements originally required, whichever of said events occurs first; provided that the Issuer may, in its discretion, use funds in the Insurance Account for the redemption or purchase of Senior Lien Obligations.

(b) The foregoing provisions of clause (a) above notwithstanding, the Issuer shall have authority to enter into coinsurance or similar plans where risk of loss is shared in whole or in part by the Issuer.

(c) The annual audit hereinafter required may contain a section commenting on whether or not the Issuer has complied with the requirements of this Section with respect to the maintenance of insurance, and listing all policies carried, and whether or not all insurance premiums upon the insurance policies to which reference is hereinbefore made have been paid.

Section 5.14. No Competition. So far as it legally may, the Issuer will not grant any franchise or permit for the acquisition, construction or operation of any competing facilities which

might be used as a substitute for the System's facilities and, to the extent that it legally may, the Issuer will prohibit any such competing facilities.

If any Event of Default has occurred, but is subsequently cured or waived, then such Event of Default shall no longer constitute an Event of Default hereunder.

Section 8.02. Remedies for Default.

(a) Upon the happening of any Event of Default, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefore, may proceed against the Issuer or the City Council, as appropriate, for the purpose of protecting and enforcing the rights of the owners of Notes under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the owners of Notes hereunder or any combination of such remedies. It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all owners of Notes then Outstanding.

(b) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Notes or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Notes shall not be available as a remedy under this Ordinance.

(c) By accepting the delivery of an Note authorized under this Ordinance, a Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers or employees of the Issuer or the City Council.

THE CITY OF DENTON, IN DENTON COUNTY, TEXAS (the "Issuer") being a political subdivision of the State of Texas, hereby promises to pay, solely from the sources hereinafter identified and as hereinafter stated, to the order of

WELLS FARGO BANK, NATIONAL ASSOCIATION (the "Bank")

on the Maturity Date specified above [or date of prior redemption]², the Principal Amount set forth above, and to pay interest on said Principal Amount, if any, on the dates provided in the Note Purchase Agreement at said Maturity Date [or date of prior redemption]², from the above specified Issue Date to said Maturity Date [or date of prior redemption]² at the rate of interest calculated as shown above (computed on the basis of actual days elapsed and a 360 day year) and as provided for in the Note Purchase Agreement (as defined herein); both principal and interest on this Note being payable in lawful money of the United States of America in freely transferable and immediately available funds at the principal corporate office of the Paying Agent/Registrar executing the "Certificate of Authentication" endorsed hereon and appearing below.

This Note is one of a duly authorized issue of notes of the Issuer (the "Notes") issued in the aggregate principal amount of \$_____,000, pursuant to the laws of the State of Texas, including specifically Chapter 1371 and Chapter 1502, Texas Government Code, as amended (the "Acts"), and under and pursuant to an ordinance of the City Council of the Issuer adopted April 2,

¹ As provided for in the Pricing Certificate.

² If the Notes are subject to redemption as provided in the Pricing Certificate.

2024 (the "Ordinance") for the purpose of financing Project Costs of Eligible Projects. The Notes are secured by the Ordinance, on a parity with all other Subordinate Lien Obligations and subject only to the payment of Senior Lien Obligations, if any. Terms used herein and not otherwise defined shall have the meanings given in the Ordinance and in the Note Purchase Agreement dated _____, 2024 between the Issuer and the Bank relating to the Notes (the "Note Purchase Agreement").

The initial Authorized Installment of the Notes issued on the Original Issue Date is in the principal amount of \$_____,000. Thereafter, additional Authorized Installments of the Notes in a principal amount not to exceed \$_____,000 may be issued on any date so long as the total aggregate principal amount of Notes issued does not exceed \$_____,000, as reflected in the Schedule of Authorized Installment Deliveries attached to the Initial Note. The foregoing notwithstanding, in no event shall an Authorized Installment of the Notes be issued after the end of the Authorized Installment Draw Period, and in no event shall an Authorized Installment be issued and delivered in an amount that exceeds the Maximum Available Amount in effect as of the date of the applicable draw on the Financial Security; provided that the aggregate principal amount of all Authorized Installments issued and delivered under the Ordinance may at times exceed the then applicable Maximum Available Amount due to a reduction in such amount subsequent to the issuance of Authorized Installments pursuant to the terms of the Financial Security but in no case shall the aggregate principal amount of all Authorized Installments issued and delivered under the Ordinance exceed \$_____,000.

Anything contained herein to the contrary notwithstanding, if the rate of interest payable under any Authorized Installment shall exceed the Maximum Interest Rate (as defined in the Note Purchase Agreement) for any period for which interest is payable, then (i) interest at the Maximum Interest Rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof without regard to the Maximum Interest Rate and (B) the Maximum Interest Rate (the "Excess Interest"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Interest Rate, at which time the Issuer shall pay to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal the Maximum Interest Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank, not to exceed the Maturity Date.

The Notes are special obligations of the Issuer, and the payment of the principal of and interest on the Notes is and shall be secured by and payable only from a lien on and pledge of the Pledged Revenues; provided that the pledge of Pledged Revenues securing the Notes is expressly made subordinate and inferior to the lien on and pledge of Pledged Revenues securing Senior Lien Obligations, and the Notes shall constitute Subordinate Lien Obligations, payable, together with all Outstanding Subordinate Lien Obligations and any additional Subordinate Lien Obligations hereafter, solely from and equally secured by a lien on and pledge of the Pledged Revenues. The Notes are not secured by or payable from any funds raised or to be raised by the levy of taxes by

the Issuer nor a mortgage or deed of trust on any properties, whether real, personal, or mixed, constituting the System or otherwise, nor from any source other than as specified in the Ordinance.

[INSERT ADDITIONAL PROVISIONS, IF ANY, PROVIDED FOR IN THE PRICING CERTIFICATE AND THE NOTE PURCHASE AGREEMENT DEEMED NECESSARY BY THE AUTHORIZED REPRESENTATIVE, INCLUDING ANY PREPAYMENT AND/OR REDEMPTION PROVISIONS, ALL PURSUANT TO SECTIONS 2.02 AND 2.04 OF THE ORDINANCE.]

The pledge of Pledged Revenues under the Ordinance may be discharged at or prior to the maturity of the Notes upon the making of provision for their payment on the terms and conditions set forth in the Ordinance.

Subject to satisfying the terms and conditions stated in the Ordinance, the Issuer has reserved the right to issue additional Subordinate Lien Obligations payable solely from and equally and ratably secured by a parity lien on and pledge of the Pledged Revenues and other moneys and securities pledged under the Ordinance to the payment of the Notes.

Reference is hereby made to the Ordinance, copies of which may be obtained upon request to the Issuer, and to all of the provisions of which any owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Notes; the Pledged Revenues; the nature and extent and manner of enforcement of the pledge; the terms and conditions for the issuance of additional Subordinate Lien Obligations; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Registered Owners; the rights and remedies of the owner hereof with respect hereto and thereto; the rights, duties and obligations of the Issuer; the terms and provisions upon which the liens, pledges, charges, and covenants made therein may be discharged at or prior to the maturity or redemption of this Note and this Note thereafter no longer to be secured by the Ordinance or be deemed to be outstanding thereunder; and for the other terms and provisions thereof.
