AGENDA INFORMATION SHEET

DEPARTMENT: Department of Development Services

ACM: Cassey Ogden

DATE: April 10, 2024

SUBJECT

Consider a request by Forestar (USA) Real Estate Group, Inc. for a Final Plat of Hickory Grove, Phase 2. The 58.822-acre site is generally located just north of West University Drive and west of Thomas J Eagan Road in City of Denton's ETJ Division 1, Denton County, Texas. (FP24-0009, Hickory Grove 2, Mia Hines).

BACKGROUND

The purpose of this Final Plat is to facilitate the development of 141 single-family residential lots and eight lots to be owed and maintained by the Hickory Grove HOA. The property is located within the Legends Ranch Municipal Utility District (MUD), and the full development originally proposed six phases for the construction of the single-family residential lots. This proposed Final Plat is for the third phase of this development. Construction plans are currently under review for Phases 1A and 1B.

The approved Preliminary Plat included a total of 1,516 single-family residential lots, one amenity center lot, one multi-family lot, 48 lots to be owned and maintained by the Hickory Grove HOA, and a variety of other lots to be utilized for park space, commercial development, and utilities. Although Preliminary Plats are not typically allowed within the ETJ, as part of the City Council's consent to the creation of the MUD, a development agreement was entered into that included provisions allowing for the MUD developers to submit a preliminary plat to phase the development.
