AGENDA INFORMATION SHEET

DEPARTMENT: Department of Development Services

ACM: Cassey Ogden

DATE: July 8, 2024

SUBJECT

Receive a report, hold a discussion, and give staff direction regarding three historic properties located on the Texas Woman's University campus.

BACKGROUND

At the May 13, 2024 Historic Landmark Commission (HLC) meeting, the Commission received a presentation from a member of the public regarding three historic buildings on the Texas Woman's University (TWU) campus in Denton. These buildings are the:

- Greenhouse,
- Support Annex Building, and
- Patio Building.

The member of the public wanted to bring awareness to the current condition of these three buildings to encourage the Commission to speak with TWU about preserving the three buildings.

Following the presentation, the Commission voted to place a future discussion item on the Matrix concerning the three TWU historic properties and what action step(s) to take.

Consequently, Staff seeks direction from the HLC regarding the three TWU properties and what step(s), if any, the Commission would like to take. Such steps that could be taken are the following:

- Sending a letter to the university expressing HLC's interest in the preservation of the three buildings.
- Inviting a member of the Facilities Management & Construction to come and speak to the commission about the university's plans for the three historic properties.
