## City Sidewalk Improvement Projects

The intent of this page is to provide the most up to date information on City sidewalk installation projects through 2025. The sidewalks may be included in a City Capital Improvement Street Project or they may be stand alone sidewalk projects. These projects will improve sidewalk connectivity as well as increase pedestrian and vehicular safety. The City also participates in several state and federal grant funding programs such as Safe Routes to Schools (STRS), Transportation Alternatives Set Aside (TA), Congestion Mitigation and Air Quality Improvements (CMAQ) and the Denton County Transportation Authority (DCTA) Transportation Reinvestment Program (TRIP). The segments listed below are projects currently planned for construction through 2025.

### PROVIDING YOU THE MOST ACCURATE INFORMATION POSSIBLE IS OUR GOAL

The below projects are not a comprehensive list of City planned sidewalks, but rather a list of segments planned to be installed through year 2025 with little likelihood of change. A map with the below listed segments can also be found here: <https://www.discussdenton.com/13079/widgets/38897/documents/24358>

As Denton continues to grow and develop, priority areas may change. Some sidewalk segments planned by the City may be planned and installed by private development projects, allowing the City to apply those funds to other sidewalk projects. By keeping the list to the next two (2) calendar years, staff is providing residents with the most accurate information.

Staff is strategically planning for new sidewalks where they will serve the greatest needs in the community by reviewing data that indicates where pedestrian activity will be highest. Click the link below to learn more

If you would like additional information about these projects or other sidewalk questions, you may contact the Project Manager Robin Davis at [robin.davis@cityofdenton.com](mailto:robin.davis@cityofdenton.com).

For existing sidewalk maintenance issues, please report those concerns to the Engage Denton App - [www.engagedenton.com](http://www.engagedenton.com)
