This is a letter requesting permission to sell alcohol on city property for the event, Oaktopia, which is to take place on September 20th, 2014. The alcohol will be sold by a 3rd party vendor and will be required to produce all necessary permits to be able to do so. The area where the alcohol will be sold will all be fenced in order to be able to sell the alcohol by TABC requirements. The event will have ample amounts of security presence to help ensure that no underage participation will be taking place and to prevent any sort of social misconduct at the event. We will have plenty of trash receptacles and a large volunteer team to help keep the areas free of litter and to help clean up after the event.

Thanks for your consideration,

Oaktopia Management
