AGENDA INFORMATION SHEET

DEPARTMENT: Water Utilities

ACM: Cassey Ogden

DATE: May 20, 2025

SUBJECT

Consider approval of a resolution reappointing Stephen D. Gay to serve as the city's representative on the Board of Directors of the Upper Trinity Regional Water District; and providing an effective date.

INFORMATION/BACKGROUND

The City of Denton is a member of the Upper Trinity Regional Water District (UTRWD), a State-chartered conservation and reclamation district serving the Denton County area. The UTRWD Board of Directors carries regional responsibilities for the development, funding, and implementation of water and wastewater systems. Board members represent partner communities, set policies, approve budgets, and ensure regulatory compliance. A key focus of the Board is long-term planning to ensure a secure and reliable water supply for the region over the next 50 years.

Mr. Gay has expressed a strong interest in continuing to serve as the City's representative and remains committed to Denton's active participation in the Water District. He brings over 30 years of experience in operations and management in municipal water utilities. Since March 2021, Mr. Gay has served in a leadership role with the City of Denton's Water Utilities Department—initially as Director of Water Utilities and, beginning in October 2024, as General Manager of Water Utilities and Street Operations. His professional background and knowledge of regional water issues make him well-qualified to continue representing the City on the UTRWD Board.
