SUBJECT

Receive a report, hold a discussion and give staff direction regarding the funding priority survey for the 2025 Action Plan for Housing and Community Development.

STRATEGIC ALIGNMENT

This action supports Key Focus Area: Foster Economic Opportunity and Affordability.

BACKGROUND

The City of Denton is required to develop a Citizen Participation Plan (CPP) with every update to its Consolidated Plan for Housing and Community Development. The CPP sets the City's policies and procedures for citizen participation in development of the Annual Action Plan (which outlines projected accomplishments based on annual funding allocations) and other related plans and amendments.

The City's CPP ([page 161 of the Consolidated Plan](#)) dictates that the City will conduct a public workshop and survey to identify housing and community development needs and review program performance before the annual application for the Community Development Grant Program is released.

Staff is seeking direction from the committee for the 2025-26 Funding Priority Survey. Last year's survey is provided for reference (Exhibit 2).
