C. Funding Request

Please provide the following information.

PART 3. - FUNDING REQUEST - ACTIVITY, AMOUNT, OUTCOMES

C.1. Activity Name

C.2. Location(s)

C.3. Days & Hours of Operation

C.4. Activity Description

C.5. Total Funding Amount Requested
Human Services: Minimum $10,000 Maximum $100,000
Housing Projects: Minimum $50,000; Maximum $300,000
Public Facilities: Minimum $25,000; Maximum $400,000
$0.00

C.7. OUTCOME MEASURES -

For the 2024/2025 program year, the City of Denton is focusing on common outcomes. Common outcomes have been developed with input from nonprofit partners and other stakeholders.

Common outcomes for the City of Denton will focus on improving the quality of life for Denton residents by:

1. Increasing and/or sustaining employment
2. Increasing nutrition for children and adults
3. Increasing housing stability
4. Increasing student academic and behavioral growth
5. Improving social connections and support
6. Improving physical and/or mental health
   through funding community service providers across the city.

These impact areas are associated with common outcomes in the areas of Economic Stability, Neighborhood and Physical Environment, Education, Community and Social Context, and Healthcare.

First, please choose at least one of the impact areas listed below in which you will contribute to the quality of life for Denton residents.

Next, choose at least one common outcome from the list below that you will measure this year. If none of the suggested outcomes fits your program, you may develop an outcome unique to your organization. All unique outcomes must fit into the framework of impact areas listed above and must be approved by City staff.

Finally, define your metric or method for measuring outcomes (survey, registration form, student achievement scores, etc). **You will be required to use your metrics to report on outcomes after 6 months (July 2024) and 12 months (December 2024).**

Impact Area	Common Outcomes (Choose at least one)	Metric used (survey, registration form, etc.)
Increasing and/or sustaining employment	How many people became employed? How many people stayed employed? How many people were able to pay for basic needs? How many people increased wages?	
Increasing nutrition for children and adults	How many people reduced food insecurity? How many children improved their nutrition? How many adults improved their nutrition? How many people were able to supplement their food budget using support services?	
Increasing housing stability	How many people exited homelessness? How many people were able to stay housed? How many people were able to sustain/obtain affordable rental housing? How many people were able to sustain/obtain affordable home ownership? How many people increased/improved recreational or open space access?	
Increasing student academic and behavioral growth	How many students showed academic growth? How many students promoted successfully? How many students showed growth in behavioral regulation? How many students showed growth in school attendance?	

	How many students increased English Language skills?	
Improving social connections and support	How many children experienced a reduction in trauma symptoms? How many adults experienced a reduction in trauma/isolation/depressive symptoms? How many people increased awareness of domestic violence and sexual assault resources? How many people reported an increased sense of security? How many people obtained/maintained a safe living environment?	
Improving physical and/or mental health	How many people reduced symptoms of poor health? How many people reported increased mental health wellness? How many people accessed substance use treatment? How many people accessed preventative care? How many children became insured? How many adults became insured?	

The common outcomes(s) should be presented in the following format:

Impact Area	Common Outcome(s) to be measured	Target %	Target #	Total # in Activity	Metric used

C.8 PARTIAL FUNDING- How would the project be carried out if only partial funding was awarded?
