EXHIBIT B
MUNICIPAL SERVICES AGREEMENT

MUNICIPAL SERVICES AGREEMENT

This Municipal Service Agreement ("Agreement") is entered into this 14th day of October 2025, by and between the City of Denton, a Texas home-rule municipality ("City"), and the property owner, Double R DevCo, LLC (hereafter referred to as "Owner").

RECITALS:

WHEREAS, Section 43.0671 of the TLGC permits the City to annex an area if each owner of land in an area requests the annexation;

WHEREAS, where the City elects to annex such an area, the City is required, pursuant to Section 43.0672 of the TLGC, to enter into a written agreement with the property owner(s) that sets forth the City services to be provided for the Property on or after the effective date of annexation;

WHEREAS, the Owner owns the tract of land, totaling approximately 15.011 acres of land located in the City's extraterritorial jurisdiction, as described in Exhibit A and depicted in Exhibit B, incorporated herein by reference (the "Property"); and

WHEREAS, the Owner has filed a written petition with the City for voluntary annexation of the Property, identified as Annexation Case No. A25-0001 ("Annexation Case"); and

WHEREAS, Owner has acknowledged and consented to that certain Amended and Restated Development Agreement between D.R. Horton – Texas, Ltd, Forestar (USA) Real Estate Group, Inc., and the City of Denton, Texas recorded in the Denton County Real Property records on September 5, 2024 under document number 96249 (the "Development Agreement"); and

WHEREAS, the Property is subject to the Development Agreement and is described as MF Phase 1 Tract, a part of Tract D, within said Development Agreement; and

WHEREAS, pursuant to Section 3.1 of the Development Agreement, MF Phase 1 Tract was excluded from the DISTRICT on September 17, 2024 pursuant to the Certificate for Order recorded in the Denton County Real Property records on February 10, 2025 under Document Number 13135; and

WHEREAS, provision of City Services, including water and wastewater infrastructure is planned for and agreed to by the parties to the Development Agreement, and said provisions are thus incorporated into this Agreement; and

WHEREAS, the City and Owner desire to set out the City services to be provided for the Property on or after the effective date of annexation; and

WHEREAS, the Annexation Case and execution of this Agreement are subject to approval by the Denton City Council.

NOW THEREFORE, in consideration of the mutual covenants, conditions, and promises contained herein, City and Owner agree as follows:

1. **PROPERTY.** This Agreement is only applicable to the Property, which is the subject of the Annexation Case. As of the effective date of the annexation, no construction activity has occurred on the Property, there are no existing residents of the Property, and no services of any kind are provided on the Property.
2. **INTENT.** It is the intent of the City that this Agreement provide for the delivery of full, available municipal services to the Property in accordance with state law, which may be accomplished through any means permitted by law.
3. **BINDING DEVELOPMENT AGREEMENT.** The Property is subject to that certain Amended and Restated Development Agreement between D.R. Horton – Texas, Ltd, Forestar (USA) Real Estate Group, Inc., and the City of Denton, Texas recorded in the Denton County Real Property records on September 5, 2024 under document number 96249 (the “Development Agreement”). Pursuant to the Development Agreement, D.R. Horton – Texas, Ltd and Forestar (USA) Real Estate Group, Inc. are responsible for Public Infrastructure improvements, as defined in the Development Agreement. Those municipal services which rely on the Public Infrastructure improvements shall be provided when the Public Infrastructure near the Property is completed and accepted by the City. In the event of conflict between the Development Agreement and this Agreement, the Development Agreement will govern.
4. **MUNICIPAL SERVICES.** Commencing on the effective date of annexation, City will provide the municipal services set forth below. As used in this Agreement, “providing services” includes having services available pursuant to the Development Agreement, and as discussed in Section 3, by any method or means by which the City makes such municipal services available to any other area of the City, including per the City's infrastructure extension policies, ordinances, and developer or property owner participation in accordance with applicable city ordinances, rules, regulations, and policies.
 - A. **Police**
Police protection from City’s Police Department shall be provided to the Property at a level consistent with current methods and procedures presently provided to areas with similar topography, land use, and population density, on the effective date of the ordinance. Some of these services include:
 1. Normal patrols and responses;
 2. Handling of complaints and incident reports;
 3. Special units, such as traffic enforcement, investigations and special weapons; and

4. Coordination with other public safety support agencies.

As development commences on the Property, sufficient police protection, including personnel and equipment will be provided to furnish these areas with the level of police services consistent with other areas in the City having similar characteristics of topography, land use, and population density.

Upon ultimate development, police protection will be provided at a level consistent with other areas within the city limits having similar characteristics of topography, land use, and population density.

B. Fire Protection

The Denton Fire Department (DFD) will provide emergency and fire prevention services to the Property. These services include:

1. Fire suppression and rescue;
2. Pre-hospital medical services including triage, treatment and transport by Advanced Life Support (ALS) fire engines, trucks and ambulances;
3. Hazardous materials response and mitigation;
4. Emergency prevention and public education efforts;
5. Technical rescue response; and
6. Construction Plan Review and required inspections.

Fire protection from the City of Denton shall be provided to the Property at a level consistent with current methods and procedures presently provided to areas of the City of Denton having similar characteristics of topography, land use, and population density, on the effective date of the ordinance.

As development commences in the Property, sufficient fire protection, including personnel and equipment will be provided to furnish these areas with the level of services consistent with other areas having similar characteristics of topography, land use, and population density. It is anticipated that fire stations planned to serve areas currently within the City of Denton, and the future station discussed in Section 7.2.b of the Development Agreement, will be sufficient to serve the Property.

Upon ultimate development, fire protection will be provided at a level consistent with other areas within the city limits having similar characteristics of topography, land use, and population density.

C. Emergency Medical Service

The Denton Fire Department (DFD) will provide the following emergency and safety services to the Property. These services include:

1. Emergency medical dispatch and pre-arrival First Aid instructions;

2. Pre-hospital emergency Advanced Life Support (ALS) response; and transport;
3. Medical rescue services.

Emergency Medical Services (EMS) from the City of Denton shall be provided to the Property at a level consistent with current methods and procedures presently provided to areas of the City of Denton having similar characteristics of topography, land use, and population density, on the effective date of the ordinance.

As development commences on the Property, sufficient EMS, including personnel and equipment will be provided to furnish these areas with the level of services consistent with other areas of the City having similar characteristics of topography, land use, and population density.

Upon ultimate development, EMS will be provided at a level consistent with other within the city limits having similar characteristics of topography, land use, and population density.

D. Solid Waste

The City of Denton is the sole provider and hauler for solid waste collection and disposal services within the city limits, including but not limited to, preconstruction activities, construction activities, and ultimately residential, multi-family, or commercial activities, and recycling services. Solid waste and recycling collection services will be provided to the Property immediately upon the effective date of the annexation at a level consistent with current methods and procedures presently provided to areas within the city having similar characteristics of topography, land use, and population density. Customers must initiate solid waste and recycling services with the City of Denton, pursuant to Chapter 24 of the Code of Ordinances.

E. Wastewater Facilities

The Property is located within the City of Denton Sewer Service Area as defined by Certificate of Convenience and Necessity (CCN) Number 20072, as issued by the Public Utility Commission (PUC).

As development commences on the Property, sanitary sewer mains will be extended in accordance with the provisions of the Development Agreement. For those provisions not covered by the Development Agreement, these documents will then be consulted: Denton Development Code, Water/Wastewater Criteria Manual, ordinances and regulations. Capacity shall be provided consistent with other areas having similar characteristics of topography, land use, and population density. The sanitary sewer infrastructure shall be compatible and consistent with the City's wastewater master plan.

F. Water Facilities

The Property is located within the City of Denton Water Service Area as defined by Certificate of Convenience and Necessity (CCN) Number 10195 as issued by the Public Utility Commission (PUC).

Connections to existing City of Denton water distribution mains for water service will be provided in accordance with the Denton Development Code, associated Water/Waste Water Criteria Manual, and existing City ordinances and policies. Upon connection to existing distribution mains, water service will be provided at rates established by city ordinance.

Water design and infrastructure will occur pursuant to the Development Agreement. Water service capacity shall be provided consistent with service to areas of the City having similar characteristics of topography, land use and population density. The water infrastructure shall be compatible and consistent with the City's water master plan.

G. Roads and Streets

Upon construction of the Public Infrastructure pursuant to the Development Agreement, road and street maintenance will be handled as follows.

Emergency street maintenance, defined as repairs necessary to prevent imminent damage or injury to the health or safety of the public or any person, as determined by the Director of Public Works, shall be provided within the Property upon the effective date of the annexation ordinance. Routine maintenance will be provided within the Property and will be scheduled as part of the City's annual program, in accordance with the current policies and procedures defined by ordinance, or otherwise established by the City Council.

Any construction or reconstruction will be considered within the Property on a Citywide basis and within the context of the City's Capital Improvement Plan and/or yearly fiscal budgetary allotments by the City Council.

Roadway signage and associated posts will be replaced in priority of importance starting with regulatory signs, then warning signs, then informational signs, in conformance with fiscal allotments by the City Council. If an existing sign remains, it will be reviewed and placed on the City's inventory listing for routine replacement, based upon an engineering study. New signs will be installed when necessary, based upon an engineering study.

Routine maintenance of road/street markings will be evaluated and scheduled within the yearly budgetary allotments by the City Council.

In accordance with the Development Agreement, the Property shall be subject to roadway impact fees based on the City's Fee Schedule.

H. Drainage

Connections to existing City of Denton drainage facilities will be provided in accordance with the Development Agreement, Denton Development Code, associated Stormwater Criteria Manual, and with existing City ordinances and policies, but only to the extent existing on-site drainage facilities are not compliant with the Denton Development Code. Drainage fees will be assessed at the rates established by city ordinance and will be charged

on the utility bill after annexation. All runoff, whether directly tied into the system or not, impacts the system and will be charged.

As new development occurs within the Property, drainage facilities will be extended or improved by the Owner as required to remain compliant with the Denton Development Code. Any cost participation shall be in accordance with the Denton Development Code, Stormwater Criteria Manual, and with existing City ordinances and policies. Drainage facilities extended by the City will have to be a Capital Improvement Project (CIP) project and bonds will need to be sold. Drainage capacity shall be provided consistent with other areas of the City having similar characteristics of topography, land use and population density.

I. Electric

The Property will be served with electricity distribution service in the most cost-effective manner; provided, however, that before Owner may enter into a contract with an electricity distribution service provider, (i) Owner shall provide the City with any and all bona fide offers that Owner has received from electricity distribution service providers that can legally serve the Property and (ii) the City shall have 30 business days to provide to Owner Denton Municipal Electric's ("DME") offer to provide distribution electricity service to the Property; and provided further, that if DME's offer is substantially similar to the most cost-effective offer from another distribution electricity service provider that can legally serve the Property, then Owner will obtain electricity distribution service from DME. The term "substantially similar" means that the terms of the offers provide the approximately the same level of service at approximately the same start-up cost to Owner. Electric rates applicable to customers within the Property will be pursuant to the then applicable DME rates as approved by the Denton City Council.

Such electricity service offers will be based upon the following terms:

1. The electricity distribution service provider will extend electric distribution facilities as necessary to serve full development of the Property. The electricity distribution service provider will evaluate the cost associated with service extension through the undeveloped area to determine if Aid-in-Construction is required. The electricity distribution service provider is responsible for installation of all primary-voltage electrical cables, transformers, switchgear, streetlight poles and LED streetlight fixtures, streetlight cables, multifamily residential services, and other necessary electric distribution and transmission system equipment in compliance with Electric Service Standards and Line Extension Policies currently in place at the time of development, whether onsite or offsite as necessary to provide adequate and reliable electric service to the Property.
2. Owner will provide all on-site public utility easements to the electricity distribution provider that are necessary to protect, install, safely operate and maintain the electric infrastructure, at no cost to the City. PUEs will be 8 feet in width adjacent to street rights-of-way in multifamily residential

areas, and 15 feet in width adjacent to Primary and Secondary Arterial rights-of-way (20 feet where duct banks are required). Easements will be conveyed through the platting process unless the electricity distribution service provider requests an easement be transferred by separate instrument. The provider agrees to joint trench installation of other franchised utilities such as telephone, cable tv, fiber optic cables, or other non-gas utilities within the designated public utility easements as long as those utilities are on an edge shelf of the trench and not placed directly above the electric facilities.

3. Existing overhead electric distribution lines, which are located in the public rights-of-way, will be relocated by the electricity distribution service provider at no cost to the Owner when development adjacent to the existing electric line requires the line to be relocated in order to accommodate the adjacent development as long as the relocation is also to an overhead position. If Owner requests the relocation be placed underground, then Owner shall be responsible for the difference in cost between the overhead relocation and the underground relocation as reasonably determined and demonstrated by the electricity distribution service provider. Existing overhead electric distribution lines not owned by the electricity distribution service provider will be relocated underground by the owner of the lines if so required to comply with the Denton Development Code.
4. Owner will comply with those City approved policies within the DME Electric Service Standards (ESS), as amended, that are available on the City website and uniformly applied within the City, including the specifications for street lighting.
5. All new distribution electric service within the Property shall be placed underground except for necessary above ground appurtenances such as streetlights, switchgear and transformers. The City shall have the right to inspect the electric facilities prior to placing such facilities into use.

J. Parks, Playgrounds, Swimming Pools

Residents of the Property may utilize all existing park and recreation facilities as of the effective date of this ordinance. The park dedication ordinance shall apply to the Property for residential development. In accordance with the Development Agreement, the Property shall be subject to park development fees based on the City's Fee Schedule.

In addition, park and recreation facilities shall be constructed based on park policies defined in the Parks, Recreation and Trails System Master Plan and other existing City ordinances and policies.

K. Publicly Owned Facilities. Any publicly owned facility, building, or service located within the Property, and not otherwise owned or maintained by another governmental entity, shall be maintained by the City of Denton on the effective date of the annexation ordinance.

- L. **Permitting and Inspections.** Permitting and Inspections shall be obtained through the City of Denton, as outlined in the Code of Ordinances.
- M. **Other Services.** Other services that may be provided by the City of Denton, such as municipal and general administration, will be made available as of the effective date of the annexation. The City of Denton shall provide a level of services, infrastructure, and infrastructure maintenance that is comparable to the level of services, infrastructure, and infrastructure maintenance available in other parts of the City of Denton having similar topography, land use, and population density similar to those reasonably contemplated or projected in the area.
5. **UNIFORM LEVEL OF SERVICES IS NOT REQUIRED.** Nothing in this Agreement shall require City to provide a uniform level of full municipal services to each area of the City, including the Property, if different characteristics of topography, land use, and population density justify different levels of service.
6. **AUTHORITY.** City and Owner represent that they have full power, authority and legal right to execute, deliver and perform their obligations pursuant to this Agreement. Owner acknowledges that approval of the Annexation Case is within the sole jurisdiction of the City Council. Nothing in this Agreement guarantees favorable decisions by the City Council.
7. **EFFECTIVE DATE; TERM.** The effective date of this Agreement is the date of the annexation of the Property. This Agreement shall be valid for a term of ten (10) years from the Effective Date.
8. **VENUE AND GOVERNING LAW.** Venue shall be in the state courts located in Denton County, Texas or the United States District Court for the Eastern District of Texas. This Agreement shall be governed and construed in accordance with the laws and court decisions of the State of Texas.
9. **GOVERNMENTAL POWERS.** It is understood that by execution of this Agreement, City does not waive or surrender any of its governmental powers or immunities.
10. **SEVERABILITY.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and

this Agreement shall be considered as if such invalid, illegal, or unenforceable provision had never been contained in this Agreement.

11. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.
12. **CAPTIONS.** The captions to the various clauses of this Agreement are for informational purposes only and shall not alter the substance of the terms and conditions of this Agreement.
13. **SUCCESSORS AND ASSIGNS.** The terms and conditions of this Agreement are binding upon the successors and assigns of the Parties to this Agreement and stand as obligations running with the land until satisfied in full, regardless of how the Property is developed.
14. **ENTIRE AGREEMENT; AMENDMENT.** This Agreement, together with the Development Agreement, constitutes the complete agreement of the parties to this Agreement and supersedes all prior written agreements between the parties. This Agreement shall not be amended unless executed in writing by both parties. The Parties stipulate that this Agreement does not constitute a permit for development under Chapter 245 of the Texas Local Government Code.

The parties have executed this Agreement on the date first above written.
