<b>General Regulations</b>		
Minimum Lot Area (square feet)	16,000	3,500
Maximum Density	2	12
Maximum Lot Coverage	30%	80%
Minimum Landscaped Area	70%	20%
Maximum Building Height	40 feet	65 feet

The following define the limitations to zoning uses when the zoning matrix identifies a use as permitted, but limited:

**L(1)** = Accessory dwelling units are permitted, subject to the following additional criteria:

1. The proposal must conform with the overall maximum lot coverage and setback requirements of the underlying zone.
2. The maximum number of accessory dwelling units shall not exceed one (1) per lot.
3. The maximum gross habitable floor area (GHFA) of the accessory residential structure shall not exceed fifty (50) percent of the GHFA of the primary residence on the lot, and shall not exceed one thousand (1,000) sq. ft. GHFA unless the lot meets the requirements of L(1).5.
4. One (1) additional parking space shall be provided that conforms to the off-street parking provisions of this Chapter.
5. The maximum gross habitable floor area (GHFA) of the accessory residential structure shall not exceed fifty (50) percent of the GHFA of the primary residence on the lot, where the lot size is equal to or greater than ten (10) acres in size. An SUP is not required for such an accessory residential structure where the lot size is equal to or greater than ten (10) acres.

**L(4)** = Multi-family is permitted only:

1. With a Specific Use Permit; or
2. As part of a Mixed-Use Development; or
3. As part of a Master Plan Development, Existing; or
4. If the development received zoning approval allowing multi-family use within one (1) year prior to the effective date of Ordinance No. 2005-224; or
5. If allowed by a City Council approved neighborhood (small area) plan.

**L(7)** = Limited to two (2) animals on parcels one (1) to three (3) acres in size. Additional animals may be added at a rate of one (1) per each acre over three (3).

**L(10)** = All restrictions of L(8), but limited to no more than five (5) guest units.

**L(13)** = Uses are limited to no more than fifty-five thousand (55,000) square feet of gross floor area per lot.

**L(14)** = Uses are limited to no more than ten thousand (10,000) square feet of gross floor area.

**L(15)** = Uses are limited to no more than five thousand (5,000) square feet of gross floor area per lot. An SUP is required for additional square footage for Semi-Public Halls, Clubs and Lodges.

**L(25)** = If proposed use is within two hundred (200) feet of a residential zone, approval is subject to a Specific Use Permit.

**L(27)** = Must comply with the provisions of Subchapter 89, Gas Well Drilling and Production.
