

## **No Parking Proposed for Texas Street**

The Traffic Safety Commission has been advised of safety concerns related to the level of on-street parking on Texas Street between Vine Street and Frame Street. On-street parking on the north and south side of Texas Street impairs the mobility of public safety vehicles needing to access Texas Street.

As a property owner or resident on or adjacent to Texas Street, City of Denton officials want to ensure you have the opportunity to participate in the discussion regarding on-street parking on Texas Street. The Denton Traffic Safety Commission encourages your participation in the consideration of this issue as part of their March meeting.
