AGENDA INFORMATION SHEET

DEPARTMENT: City Secretary's Office

CM: Sara Hensley

DATE: August 16, 2022

SUBJECT

Consider an appointment to the Development Code Review Committee.

BACKGROUND

On April 6, 2021, City Council adopted Resolution No. 21-647 establishing the Development Code Review Committee (DCRC), a standing advisory committee. The Committee must be composed of six (6) voting members: three (3) City Council members and three (3) Planning and Zoning commissioners (P&Z). The members are nominated and appointed by the City Council for a term of two (2) years and serve at the pleasure of the City Council until successors are duly appointed by the City Council.

Under §2-65 of the Denton Code of Ordinances, "*No board or commission member shall be eligible for appointment to a board or commission for more than three (3) consecutive terms on such board or commission. A board or commission member who has served three (3) consecutive terms shall not be eligible for reappointment to that same board or commission for a period of one year.*" Members are allowed to continue serving past the term end date (holding over) until such time as they resign, are appointed to another board, or are replaced on the existing board.

On August 31, 2022, P&Z Member Margie Ellis will reach the full three (3) consecutive term limit on the commission. Member Ellis also serves on the DCRC (Seat PZ-2) with a term to expire on August 31, 2023. Member Ellis' ineligibility for reappointment to the P&Z prevents her continued service on the DCRC. City Council members were notified on July 29 of the need to submit nominees from existing P&Z members for consideration for appointment to the DCRC PZ-2 seat. As of August 11, only the following nominations were submitted:

- Council Member Maguire: Donald McDade
- Council Member Watts: Tim Smith

The newly appointed member will serve for the unexpired term ending August 31, 2023 (covering the period September 1, 2021 through August 31, 2023).
