SUBJECT

Consider adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute an Interlocal Cooperative Purchasing Agreement with the City of Waxahachie, under the Texas Government Code, Section 791.001, to authorize the City of Waxahachie and City of Denton to utilize each entities' solicited contracts for the purchasing of various goods and services; authorizing the expenditure of funds therefor; and declaring an effective date (File 8057 – award an Interlocal Cooperative Purchasing Agreement with the City of Waxahachie).

INFORMATION/BACKGROUND

Chapter 791 of the Texas Government Code authorizes respective participating governments to enter into agreements for the purchase of goods and services. The attached agreement is an authorization for the City of Denton to participate in contracts awarded by the City of Waxahachie and for the City of Waxahachie to participate in contracts awarded by the City of Denton. The contract will remain in effect until terminated by either party.

This Agreement will allow both entities to utilize contracts for goods and services competitively solicited by the other party to the contract. The solicitation process followed by both entities meets all statutory procurement requirements per Local Government Code 271.102. Upon approval of the Agreement, the City of Waxahachie intends to utilize the City of Denton's IFB 7187 DC Water and Sewer Inventory for the purchase of water and sewer inventory parts.

Section 791 of the Government Code requires that all Cooperative Agreements must be authorized by the governing body, regardless of the dollar amount.
