## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** March 21, 2023

### **SUBJECT**

Consider adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, rejecting any and all competitive statements of qualifications under RFQ 8061 for the Asset Management Vision for the Water Utilities Department; and providing an effective date (RFQ 8061). [The Public Utilities Board recommends approval \(7 - 0\).](#)

### **INFORMATION/BACKGROUND**

The Water Utilities Department recently solicited an RFQ for an Asset Management Vision project to assist the department in developing a common vision to refine the various maintenance and operational programs into a robust Asset Management program. While this project would be beneficial to the Water Utilities Department, the department is deferring the project in favor of a City-wide approach to Asset Management that will benefit all departments. With new initiatives in place to pursue this City-wide approach, staff recommends rejecting all proposals submitted for the departmental project. Staff does not anticipate returning to Council for approvals relating to this project but expects to support City-wide efforts as they take shape.

In accordance with the Local Government Code 252.043, the City Council may reject any and all bids.

### **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

On March 13, 2023, the Public Utilities Board (PUB) recommended this item to the City Council for consideration.

### **RECOMMENDATION**

Staff recommends rejection of all proposals for Asset Management Vision for the Water Utilities Department.
