DATE: April 18, 2022

SUBJECT

Consider approval of a resolution of the City of Denton authorizing the submission of an application to the Texas Parks and Wildlife Department (TPWD) Boating Access Grant 2023 in the amount of \$205,189 to construct fishing docks and kayak launch sites at various parks; and providing an effective date.

STRATEGIC ALIGNMENT

This action supports Key Focus Area: Strengthen Community and Quality of Life.

BACKGROUND

The Boating Access Grant Program provides 75 percent matching fund grant assistance to construct new, or renovate existing, public boat ramps that provide public access to public waters for recreational boating. The Parks and Recreation Department (PARD) is seeking \$205,189 through the 2023 grant to construct fishing docks and kayak launch sites at North Lakes Park and Lake Forest Park and add a kayak launch to the existing dock at South Lakes Park.

If awarded, the grant will help expedite and cover the construction costs of fishing docks and kayak launches and would add new opportunities for outdoor recreation for Denton residents.

The grant application is due May 1, 2023. The application requires a resolution from the governing body authorizing the application submittal as well as receipt of funding if awarded.

RECOMMENDATION

Staff recommends approval of the resolution.

FISCAL INFORMATION

The grant is a reimbursement grant and funds 75 percent of the proposed project. A 25 percent match of \$68,396 is required by the City if awarded.
