AGENDA INFORMATION SHEET

DEPARTMENT: Denton Municipal Electric

CM/DCM/ACM: Antonio Puente, Jr., DME General Manager

DATE: March 29, 2023

SUBJECT

Consider adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a power purchase agreement between the City and TT of Denton, Inc., (Toyota of Denton) a Texas corporation; providing for the expenditure of funds; and providing an effective date.

BACKGROUND

Customer owned Solar Photovoltaic (PV) systems larger than 50kW are subject to a separate rate agreement as provided for in the Distributed Generation Interconnection Agreement. TT of Denton, Inc. wishes to interconnect a new 300 kW PV system to DME. Given it's large size, it is necessary to outline terms of payment in a Power Purchase Agreement.

The Power Purchase Agreement, and any information or other documents related to the PPA, is exempt from public disclosure under the provisions of Texas Government Code, Sec. 552.133(a-1) (1) (C) and (F).

RECOMMENDATION

Staff requests that the City Council consider adoption of an Ordinance authorizing the City Manager to execute the proposed PPA with TT of Denton, Inc.
