### **SUBJECT**

Consider adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Closner Equipment Company, Inc., through the Buy Board Cooperative Purchasing Network Contract # 685-22, for the acquisition of a cold planer and track paver for the Streets Department; and execute a contract with Closner Equipment Company, Inc., who is an authorized distributor of Dynapac North America, through the Buy Board Cooperative Purchasing Network Contract # 685-22, for the acquisition of an asphalt roller for the Streets Department; providing the expenditure of funds therefor; and providing an effective date (File 8230 – awarded to Closner Equipment Company, Inc., in the not-to-exceed amount of \$1,190,740.00).

### **INFORMATION/BACKGROUND**

Currently, the Streets Department is renting similar equipment to meet the new lay goal of 10 lane miles per year. The equipment costs approximately \$41,000 per month to rent. The purchase of the equipment was approved in the FY22-23 budget to alleviate the monthly rental cost. The City expects to see cost savings 30 months after the purchase with a total cost savings estimated at \$2,700,000. The proposed equipment meets the latest Tier 4F emissions standards set by the Environmental Protection Agency.

Comparison pricing was obtained from cooperative purchasing programs. The comparison showed a seven percent average savings by using Closner Equipment through the BuyBoard Cooperative Purchasing Network.

<b>Vendor</b>	<b>Total Price</b>
Closner	\$1,190,740.00
Kirby-Smith	\$1,224,600.00

Pricing obtained through the Buy Board Cooperative Purchasing Network has been competitively bid and meets the statutory requirements of Texas Local Government Code 271.102.
