

# Sustainability/Pratt Mural

---

**Public Art Committee**

**June 1, 2023**

# Introduction

- Pratt Industries leases a recycling at the City of Denton Landfill
- Pratt approached the City of Denton to collaborate on a mural for the facility funded by Pratt.
- Denton Sustainable Schools held an art contest and the mural was created using themes from student art.
- The mural itself was designed by a UNT Student Artist and Sustainability intern.
- The mural will be installed on a temporary retaining wall used to contain glass for recycling.
