## AGENDA INFORMATION SHEET

**DEPARTMENT:** Department of Development Services

**ACM:** Cassey Ogden

**DATE:** February 15, 2024

### **SUBJECT**

Receive a report, hold a discussion, and give staff direction regarding the draft recommendations for the Southeast Denton Area Plan, including, but not limited to, vision statement, outcomes, and strategies (SDAP24-002).

### **BACKGROUND**

The purpose of this item is to review the draft vision statement, desired outcomes, and strategies for the Southeast Denton Area Plan. These recommendations were created using the existing conditions report and the feedback provided by the community and Steering Committee during the first phase of public engagement.

As part of the review, the project team is seeking feedback from the Steering Committee to validate the proposed draft vision statement, desired outcomes, and draft strategies based on the work completed thus far including identifying if any of the proposed recommendations need to be modified. Subsequent to this Steering Committee meeting, the draft recommendations will be presented to the community with a series of intercept surveys to gain additional feedback.

Once the draft recommendations have been reviewed and revised as needed, the project team will prepare implementation tasks consistent with these recommendations that are designed to put the plan in action.

A copy of the presentation will be distributed to the Steering Committee by the end of the day on Wednesday, February 14, 2024.
