AGENDA INFORMATION SHEET

DEPARTMENT: City Manager's Office

CM/DCM/ACM: Sara Hensley, City Manager

DATE: April 16, 2024

SUBJECT

Consider adoption of a resolution of the City of Denton, concurring with the City Manager's reorganization of the City's administrative departments and divisions; and providing an effective date.

BACKGROUND

The proposed changes include eliminating the General Manager of Public Works position and changing the reporting relationship of the Engineering and Traffic divisions. After a careful review of the operational needs, the City Manager's Office is proposing to eliminate the General Manager position. The position creates a step between the Assistant City Manager level and Director level that no longer provides operational benefits to maintain in these areas. Brett Bourgeois has been named City Engineer and will report to Scott McDonald, Director of Development Services. Traffic Operations will report to Dr. Farhan Butt, Deputy Director of Transportation Services.
