The Honorable Chris Watts and Members of the City Council

Dear Mayor Watts and Council Members;

This letter is to inform you of our request for a 3 year variance of the City of Denton Sound Ordinance. We are asking for an exception to sound levels and hours of operations for the following time period:

Dates and Times

August 18 – 27, 2016

August 17 – 26, 2017

August 16 – 25, 2018

During the hours of:

Monday – Thursday – until 12 midnight

Fridays & Saturdays – until 1:00am

Sunday – until 11:00pm

For a sound level not to exceed 70 decibels.

The North Texas State Fair Association has been granted this variance since 1995 and has been operating on a 3 year variance since 2004. We have had very few complaints and most years have operated without any complaints at all.

Thank you for your consideration and your service to this community.

Sincerely,

Glenn Carlton  
Executive Director  
North Texas State Fair Association

Cc. Janie McLeod
