(ADP16-0001)

WHEREAS, Rod Zielke, on behalf of the property owner, Justin Bono, has applied for an Alternative Environmentally Sensitive Area Plan ("AESA Plan") for the Villages of Carmel Phase 4, an approximately 45 acre property generally located on the North side of Pockrus Page Road, East of Monte Verde Drive and West of Swisher Road in the City of Denton, Texas and particularly illustrated in Exhibit "A", attached hereto and incorporated herein by reference (hereinafter, the "Property"); and

WHEREAS, the purpose of the AESA Plan, attached as Exhibit "B" and incorporated herein, is to remove the Riparian Buffer ESA designation within the area illustrated as "Existing ESA" (Block F, Lot 10) in exchange for the preservation of trees within the area designated as "Tree Mitigation and Habitat Preserve" (Block 28, Lot 22); and

WHEREAS the stream in the Riparian Buffer ESA will soon disappear due to drainage improvements that will eventually eliminate any water runoff that currently feeds the stream and the ESA will naturally expire in the future; and

WHEREAS, the AESA Plan requires all qualifying tree inches removed from the Existing ESA to be mitigated through preservation of an equal or greater number of tree inches within the Tree Mitigation and Habitat Preserve in consideration of the early removal of the ESA designation; and

WHEREAS, the measurement of tree inches shall be calculated using the standards set forth in Subchapter 13 of the Denton Development Code; and

WHEREAS, for the purposes of this AESA Plan, the City of Denton's Urban Forester, or his/her designee, shall have the final determination as to which tree inches shall be deemed as qualifying; and

WHEREAS, the remainder of tree inches within the Tree Mitigation and Habitat Preserve not used for mitigation of the Existing ESA may be used towards meeting other Tree Code requirements for the development as to be determined; and

WHEREAS, on June 8, 2016, the Planning and Zoning Commission, in compliance with the laws of the State of Texas, have given the requisite notices by publication and otherwise, and

have held due hearings and afforded full and fair hearings to all property owners interested in this regard, and have recommended approval (7-0) of the AESA Plan; and

WHEREAS, on July 19, 2016, the City Council likewise conducted a public hearing as required by law, and finds that the request meets and complies with all substantive and procedural standards set forth in Section 35.3.4 of the Denton Development Code, and is consistent with the Denton Plan and the Denton Development Code;

WHEREAS, the Planning and Zoning Commission and the City Council of the City of Denton, in considering the application for an Alternative Environmentally Sensitive Area Plan for the property, have determined that the proposed district is in the best interest of the health, safety, morals, and general welfare of the City of Denton, and accordingly, the City Council of the City of Denton is of the opinion and finds that said Plan is in the public interest and should be granted as set forth herein; NOW THEREFORE,
