City Council

Re: Request for support

Dear all,

The Denton Holiday Festival Association is organizing the Denton Holiday Lighting Festival held on the historic downtown Square. This December 2nd will mark the 28th year of the event.

As you know, the Holiday Lighting Even is operated entirely by a volunteer board of directors and is funded completely by donations, grants, and sponsorships. We appreciate the support of individuals, businesses, and local governments for this yearly event.

We are once again requesting the city of Denton to continue its support of the Holiday Lighting Festival by providing barricades for street closures around the Square, tables and chairs for vendors and musicians, and approval for various city staff members to assist with the event.

Thank you for your past support of the Denton Holiday Lighting Festival and we hope to see all of you at the event on Friday, December 2, 2016.

Sincerely,
