**Monthly Recurring Charge: Account # 994860867**

\$69.99 per line less \$32.00 discount = \$37.99 per line  
     202 Data Plans                                 \$7,673.98  
     EVPC   \$ 420.00  
     202 IP Addresses                                 \$ 606.00

**DIR Billing:   \$8,699.98**

**Monthly Recurring Charge on AT&T Wireline Billing:**

    AVPN Port   \$437.90  
     AVPN Access   \$389.40  
     **Total per month                                     \$827.30**

**Total Monthly Costs:                                 \$9,527.28**  
**Total Monthly Cost with estimated taxes and surcharges: \$10,481**

\*This pricing exclusive of additional service fees, from DIR billing, but these fees will probably be close to current service fees that are charged for the Frame Relay. Estimated taxes and surcharges is 10% (estimated).

AT&T Mobility will provide Mobility rate plan/ services to the City of Denton under the Cellular Voice and Data Access Services Contract, Contract No. DIR-SDD-1777. The AVPN portion is billed directly by AT&T is expected to be 36 months beginning October, 2016.

The City of Denton is able to automatically renew their participation in this agreement unless prices increase more than 15% in one year.

Respectfully submitted,  
Rick Tyler
